The Girl in White Gloves Kerri Maher, 2021-01-05 “Perfect for fans of Grace Kelly, royal-watchers, and fans of biographical fiction alike.—PopSugar A Library Reads Pick and Historical Novel Society Editor’s Choice! A life in snapshots... Grace knows what people see. She’s the Cinderella story. An icon of glamor and elegance frozen in dazzling Technicolor. The picture of perfection. The girl in white gloves. A woman in living color... But behind the lens, beyond the panoramic views of glistening Mediterranean azure, she knows the truth. The sacrifices it takes for an unappreciated girl from Philadelphia to defy her family and become the reigning queen of the screen. The heartbreaking reasons she trades Hollywood for a crown. The loneliness of being a princess in a fairy tale kingdom that is all too real. Hardest of all for her adoring fans and loyal subjects to comprehend, is the harsh reality that to be the most envied woman in the world does not mean she is the happiest. Starved for affection and purpose, facing a labyrinth of romantic and social expectations with more twists and turns than Monaco’s infamous winding roads, Grace must find her own way to fulfillment. But what she risks—her art, her family, her marriage—she may never get back.

**Three Words for Goodbye** Hazel Gaynor, Heather Webb, 2021-07-27 From Hazel Gaynor and Heather Webb, the bestselling authors of *Meet Me in Monaco*, comes a coming-of-age novel set in pre-WWII Europe, perfect for fans of Jennifer Robson, Beatriz Williams, and Kate Quinn. Three cities, two sisters, one chance to correct the past . . . New York, 1937: When estranged sisters Clara and Madeleine Sommers learn their grandmother is dying, they agree to fulfill her last wish: to travel across Europe—together. They are to deliver three letters, in which Violet will say goodbye to those she hasn’t seen since traveling to Europe forty years earlier; a journey inspired by famed reporter, Nellie Bly. Clara, ever-dutiful, sees the trip as an inconvenient detour before her wedding to millionaire Charles Hancock, but it’s also a chance to embrace her love of art. Budding journalist Madeleine relishes the opportunity to develop her ambitions to report on the growing threat of Hitler’s Nazi party and Mussolini’s control in Italy. Constantly at odds with each other as they explore the luxurious Queen Mary, the Orient Express, and the sights of Paris and Venice,, Clara and Madeleine wonder if they can fulfil Violet’s wish, until a shocking truth about their family brings them closer together. But as they reach Vienna to deliver the final letter, old grudges threaten their reconciliation again. As political tensions rise, and Europe feels increasingly volatile, the pair are glad to head

home on the Hindenburg, where fate will play its hand in the final stage of their journey.

**Christmas with the Queen** Hazel Gaynor, Heather Webb, 2024-11-19 'Tis the season! The Crown meets When Harry Met Sally in the latest heartwarming historical novel from Hazel Gaynor and Heather Webb, bestselling authors of Last Christmas in Paris, Meet Me in Monaco, and Three Words for Goodbye. December 1952. While the young Queen Elizabeth II finds her feet as the new monarch, she must also find the right words to continue the tradition of her late father's Christmas Day radio broadcast. But even traditions must evolve with the times, and the queen faces a postwar Britain hungry for change. As preparations begin for the royal Christmas at Sandringham House in Norfolk, old friends—Jack Devereux and Olive Carter—are unexpectedly reunited by the occasion. Olive, a single mother and aspiring reporter at the BBC, leaps at the opportunity to cover the holiday celebration, but even a chance encounter with the queen doesn't go as planned and Olive wonders if she will ever be taken seriously. Jack, a recently widowed chef, reluctantly takes up a new role in the royal kitchens at Sandringham. Lacking in purpose and direction, Jack has abandoned his dream to have his own restaurant, but his talents are soon noticed and while he might not believe in himself, others do, and a chance encounter with an old friend helps to reignite the spark of his passion and ambition. As Jack and Olive's paths continue to cross over the following five Christmases, they grow ever closer. Yet Olive carries the burden of a heavy secret that threatens to destroy everything. Christmas Day, December 1957. As the nation eagerly awaits the Queen's first televised Christmas speech, there is one final gift for the Christmas season to deliver...

**The Girl from The Savoy** Hazel Gaynor,2016-06-07 Presenting a dazzling new historical novel ... The Girl From The Savoy is as sparkling as champagne and as thrilling as the era itself. ‘Sometimes life gives you cotton stockings. Sometimes it gives you a Chanel gown ...’ Dolly Lane is a dreamer; a downtrodden maid who longs to dance on the London stage, but her life has been fractured by the Great War. Memories of the soldier she loved, of secret shame and profound loss, by turns pull her back and spur her on to make a better life. When she finds employment as a chambermaid at London’s grandest hotel, The Savoy, Dolly takes a step closer to the glittering lives of the Bright Young Things who thrive on champagne, jazz and rebellion. Right now, she must exist on the fringes of power, wealth and glamor—she must remain invisible and unimportant. But her fortunes take an unexpected turn when she responds to a struggling songwriter’s advertisement for a ‘muse’ and finds herself thrust into London’s exhilarating theatre scene and into the lives of celebrated actress, Loretta May, and her brother, Perry. Loretta and Perry may have the life Dolly aspires to, but they too are searching for something. Now, at the precipice of the life she has and the one she longs for, the girl from The Savoy must make difficult choices: between two men; between two classes, between everything she knows and everything she dreams of. A brighter future is tantalizingly close—but can a girl like Dolly ever truly leave her past behind?
