grammar - "Is there" versus "Are there" - English Language Are there any questions I should be asking? Is there any articles available on the subject? My instinct is that in the two questions above, it should be 'are' as the subjects of the sentences (*Is "there're" (similar to "there's") a correct contraction?* There're is common in speech, at least in certain dialects, but you'll rarely see it written. If I were being pedantic, I'd advise you to use there are in your example, because there is is definitely wrong, so there's could be considered wrong as well. However, it makes me hiccup for unknown reason. Is this just a pun of words played by the writer? Is it 'cool' or a very normal and natural expression? **"There's" or "There are"? - English Language & Usage Stack ...** Possibly Related: "There are so many" vs. "There is so many" There is/are one or several apple/~s? "Is there" versus "Are there" "There is/are more than one". What's the difference? Should I say "there is a handful of..." or "there are a handful of..."? Is "there're" (similar to "there's") a correct contraction? Which is correct: "There are not any ... **"There is/are more than one". What's the difference?** At least one grammar forum out there has discussed the cat-skinning example with a conclusion that agrees with Wanda and Hydrangea below: use "there is more than one" because "is" goes with "one", whether it's one book, one species, one way... There are plenty of results for "are more than one [thing]", though usually less than the "is" version, so ... *"There is no place like" has two meanings* To answer your original question, it means the same as your first interpretation, and cannot be misunderstood to mean the second one because "there is no such place like X" is not a phrasing used in English. The correct phrase to indicate that X ... **terminology - What do you call one who believes in a higher ...** Oct 18, 2016 · What do you call a person who believes in a higher power but doesn't call that higher power "God"?
