**Too Late** Colleen Hoover, 2023-06-27 The instant #1 New York Times and USA Today bestseller, a story about a woman

caught in a dangerous web of obsessive love, trying to find a way out before it's too late... this new, updated edition is a "barn-burner" (New York Post) and Colleen Hoover's darkest romantic thriller since *Verity*. Sloan will go through hell and back for those she loves. And she does so, every single day. Caught up with the alluring Asa Jackson, a notorious drug trafficker, Sloan has finally found a lifeline to cling to, even if it's meant compromising her morals. She was in dire straits trying to pay for her brother's care until she met Asa. But as Sloan became emotionally and economically reliant on him, he in turn developed a disturbing obsession with her—one that becomes increasingly dangerous every day. When undercover DEA agent Carter enters the picture, Sloan's surprised to feel an immediate attraction between them, despite knowing that if Asa finds out, he will kill him. And Asa has always been a step ahead of everyone in his life, including Sloan. No one has ever gotten in his way. No one except Carter. Together, Sloan and Carter must find a way out before it's too late...

**It Starts with Us** Colleen Hoover, 2022-10-18 This riveting sequel to the "glorious and touching" (USA TODAY) #1 New York Times bestseller picks up where *It Ends with Us* concluded and shares what happens next for Lily and Atlas. Lily and her ex-husband, Ryle, have just settled into a civil coparenting rhythm when she suddenly bumps into her first love, Atlas, again. After nearly two years separated, she is elated that for once, time is on their side, and she immediately says yes when Atlas asks her on a date. But her excitement is quickly hampered by the knowledge that, though they are no longer married, Ryle is still very much a part of her life—and Atlas Corrigan is the one man he will hate being in his ex-wife and daughter's life. Switching between the perspectives of Lily and Atlas, *It Starts with Us* picks up right where the epilogue for the "gripping, pulse-pounding" (Sarah Pekkanen, New York Times bestselling author ) bestselling phenomenon *It Ends with Us* left off. Revealing more about Atlas's past and following Lily as she embraces a second chance at true love while navigating a jealous ex-husband, it proves that "no one delivers an emotional read like Colleen Hoover" (Anna Todd, New York Times bestselling author).

*New Adult Fiction* Jodi McAlister, 2021-11-18 The term 'new adult' was coined in 2009 by St Martin's Press, when they sought submissions for a contest for 'fiction similar to YA that can be published and marketed as adult - a sort of 'older YA' or 'new adult'.' However, the literary category that later emerged bore less resemblance to young adult fiction and instead became a sub-genre of another major popular genre: romance. This Element uses new adult fiction as a case study to explore how genres develop in the twenty-first-century literary marketplace. It traces new adult's evolution through three key stages in order to demonstrate the fluidity that characterises contemporary genres. It argues for greater consideration of paratextual factors in studies of genre. Using a genre worlds approach, it contends that in order to productively examine genre, we must consider industrial and social factors as well as texts.

**Beard Necessities** Penny Reid ,2019-11-04 Billy Winston's family is going to see him happy and in love if it's the last thing they do. No one deserves a happily-ever-after quite as much as the second oldest Winston brother and his lady love, Claire McClure (aka Scarlet St. Claire). Cruelty and circumstance tore them apart almost twenty years ago. Secrecy and bitterness kept them separated. But you know who's tired of their separation and stubbornness? Everyone. Especially Billy Winston's family. And now they're going to do something about it. Well-meaning interference means the star-crossed lovers can't stop tripping over each other in the hills of Tuscany, the catacombs of Rome, and the waterways of Venice. Billy and Claire find themselves thrown together and at the mercy of the Winston siblings' shenanigans. But will their forced proximity bring them together? Or push them even further apart? This second-chance romance brings back the entire Winston gang, playing cupid in one last story of love, hi-jinks, and family collusion. BEARD NECESSITIES is a full-length contemporary romantic comedy, and can be read as a stand-alone, but it's probably best read after books 0.5, 2, 3, 5, and 6 of the Winston Brothers series.

**Summary of Ugly Love** Alexander Cooper, 2022-12-18 Ugly Love - A Comprehensive Summary When they first meet, Tate Collins is uninterested in Miles Archer, a pilot for an airline. She doesn't have time for him because he's haughty and conceited. They reach a compromise because they are unable to resist their attraction to one another. He doesn't want love, and she doesn't have time for love, so they are only interested in having sex. If Tate complies with the two instructions Miles has offered her, their setup might be fairly simple. They both understand, though, that this arrangement might not be as wonderful as they had thought as feelings start to surface. Tate Collins has just moved in with her pilot brother when she receives an unexpected visitor: a drunken man who is passed out next to the door. She makes an attempt to get around him but is unable, so she phones her brother Corbin, who asks his friend Miles for help. Miles turns out to be the inebriated man; she drags him inside and places him on the couch where he begins to cry over Rachel. She isn't a morning person, so Tate locks the door in his face as he and Miles Corbin remove all of her possessions from her car. Then, Miles and Tate make another introduction. To be continued...
