Jesus and the Spirit James D. G. Dunn, 1997-06-11 Explores the religious experiences of Jesus, Paul, and the early church with special emphasis on the Holy Spirit and charismatic experiences.

It's Our Turn Now Mario Murillo, 2023-02-07 How can we ever hope for the world to get better if we keep limiting what God can do? After reading this book, you will step up with courage to be a part of the hope that the world needs against a destructive culture. God has called you to be a witness of light in the middle of the darkness, and you will obey Him with boldness and integrity. Everyone living on the planet today has a front-row seat to the failure of communism, socialism, and immorality. People are sick to death of the fabrications, lies, control, and tyranny. Mario Murillo draws on his recent

experiences in California, where his ministry is experiencing souls being saved at a rate that surpasses even what was seen during the Jesus movement of the 1960s and '70s. It's accelerating, and Murillo believes it's a worldwide trend that has us poised for an unprecedented opportunity as the body of Christ. We must seize this moment! In *It's Our Turn Now*, Murillo explains why now is the time for Christians to do the following: Explain why everything man has taught us is bankrupting our morals and our souls Display the supernatural with integrity and clarity that we've not seen before Answer directly the questions that are truly on the hearts and minds of the human race We are no longer the remnant. There are millions of us, and it's time to stop believing the false reports and listen to what people around us are feeling. We have the answers a hungry world is dying for. Only the gospel of Jesus Christ can deliver us, and only the church can change the world through its power. It's our turn to step up and stop limiting God.

You Are God's Best! T. L. Osborn,2003-01-01 During over a half century of teaching the Gospel to millions of people, face to face, in nations worldwide, Dr. T.L. Osborn and his associate minister and wife, Dr. Daisy Washburn Osborn (now deceased), discovered seven basic, vital secrets or principles concerning God's BEST in life. Mnogi su ljudi nastojali obavljati Božje djelo iz iskrenih motiva, a nisu daleko dospjeli jer nisu shvatili da se to dešava „ne silom niti snagom, već duhom mojim (pomazanjem)“ [Zaharija 4,6]. Ova iznimna knjiga „Uhvati pomazanje“ biskupa Daga Heward-Millsa naučit će vas što znači uhvatiti pomazanje i kako to praktično možete učiniti! Vessels of Fire and Glory Mario Murillo,2019-11-19 What will it take to see a fresh wave of God's power crash over the

nations? The earth is shaking. The church is suffering from compromise and powerlessness. People are desperate for solutions. The answer will not come from a president; it can only come from a people who know how to bring Heaven to Earth. Could it be that...

Christianity in Crisis Hank Hanegraaff, 2012-06-18 Nearly two decades ago Hank Hanegraaff's award-winning Christianity in Crisis alerted the world to the dangers of a cultic movement within Christianity that threatened to undermine the very foundation of biblical faith. But in the 21st century, there are new dangers—new teachers who threaten to do more damage than the last. These are not obscure teachers that Hanegraaff unmask. We know their names. We have seen their faces, sat in their churches, and heard them shamelessly preach and promote the false pretexts of a give-to-get gospel. They are virtual rock stars who command the attention of presidential candidates and media moguls. Through make-believe miracles, urban legends, counterfeit Christs, and twisted theological reasoning, they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe: "God cannot do anything in this earthly realm unless we give Him permission." "Keep saying it—I have equality with God—talk yourself into it." "Being poor is a sin." "The Jews were not rejecting Jesus as Messiah; it was Jesus who was refusing to be the Messiah to the Jews!" "You create your own world the same way God creates His. He speaks, and things happen; you speak, and they happen." Christianity in Crisis: 21st Century exposes darkness to light, pointing us back to a Christianity centered in Christ. From the Preface: "Having lost the ability to think biblically, postmodern Christians are being transformed from cultural change agents and initiators into cultural conformists and imitators. Pop culture beckons, and postmodern Christians have taken the bait. As a result, the biblical model of faith has given way to an increasingly bizarre array of fads and formulas."

Pentecostal and Charismatic Studies William Kay, Anne E. Dyer, 2017-10-30 The Pentecostal and Charismatic movement is one of the miracles of the 20th century. Without government support, without an advertising campaign, often without the notice of journalists and academics and sometimes in the face of persecution and ridicule, it has spread its message around the world and now attracts in the region of 500 million people. Many of its original and formative documents are unknown and out of print. This book collects together samples from the writings of key Pentecostals and charismatics going back about 100 years and, over a range of issues and practices, shows how they vary and how they have developed historically. These texts have lain in out of print magazines and archives and, so far as we know, have never been collected before in this way. This book allows you to hear the authentic voice of the Pentecostal and charismatic movements, drawing especially from sources in English.
