salt brill edible insects have always
been a part of human diets but in some
societies there remains a degree of
disdain and disgust for their
consumption insects offer a significant
opportunity to merge traditional
knowledge and modern science to
improve human food security

zezeza belongs to this second group of
african novels which are designated
variously as political or post colonial
novels it is important to note that in

most of these political novels the

africans are not presented as passive

victims
