I'm Still Standing Richard Smith,2024-06-28 Two young people are struggling to find themselves and a role in life. For one, the world is changing too quickly. For the other, change can't come soon enough. Linking them are overgrown railway sidings - home to wildlife but about to be destroyed.

In the era of multi-formatting, picture discs, coloured vinyl, multiple remixes, funny shaped records and tiny CDs you could lose down the back of the sofa, this book lists every format of every single, EP and album released in the UK in the 1980s by over 140 of the decade's biggest acts, from ABBA to Paul Young. This fourth edition has been fully revised and expanded to include even more acts than ever before, with additional sections to cover Band Aid-style charity congregations and compilation albums from the early '80s K-Tel efforts through to the Now That's What I Call Music series and its competitors. Compiled by Steve Binnie, editor of the '80s music website Sound of the Crowd and writer, producer and co-host of the unconventional '80s chart show Off The Chart, broadcast weekly on Mad Wasp Radio.

Adam's Peak Heather Burt,2007-01-20 On a stifling August day, six-year-old Clare Fraser and seven-year-old Rudy Vantwest make eye contact from opposite sides of their street. For an instant they are connected, then each turns away Clare to the shelter of the garden sprinkler, Rudy to the excitement of his brother's impending birth. Twenty-five years later, Clare

and Rudy, strangers living continents apart, fixtures of each others memories and imaginations, are connected again. Overturning the guarded, insular lives they both lead, two events one an accident, the other an act of terror transform them both and bind the Vantwest and Fraser families irrevocably. Adam's Peak weaves back and forth between a Montreal suburb and a Colombo private school, between a Ceylon tea estate at the end of the Second World War and a small Scottish town in the early 1960s, its characters struggling desperately to come to terms with themselves and with their powerful connections to the people and places they have tried to escape.

Me Elton John, 2019-10-15 INSTANT #1 NEW YORK TIMES BESTSELLER In his first and only official autobiography, music icon Elton John reveals the truth about his extraordinary life, from his rollercoaster lifestyle as shown in the film *Rocketman*, to becoming a living legend. Christened Reginald Dwight, he was a shy boy with Buddy Holly glasses who grew up in the London suburb of Pinner and dreamed of becoming a pop star. By the age of twenty-three he was performing his first gig in America, facing an astonished audience in his bright yellow dungarees, a star-spangled T-shirt, and boots with wings. Elton John had arrived and the music world would never be the same again. His life has been full of drama, from the early rejection of his work with song-writing partner Bernie Taupin to spinning out of control as a chart-topping superstar; from half-heartedly trying to drown himself in his LA swimming pool to disco-dancing with Princess Diana and Queen Elizabeth; from friendships with John Lennon, Freddie Mercury, and George Michael to setting up his AIDS Foundation to conquering Broadway with *Aida*, *The Lion King*, and *Billy Elliot the Musical*. All the while Elton was hiding a drug addiction that would grip him for over a decade. In *Me*, Elton also writes powerfully about getting clean and changing his life, about finding love with David Furnish and becoming a father. In a voice that is warm, humble, and open, this is Elton on his music and his relationships, his passions and his mistakes. This is a story that will stay with you by a living legend.

On Elton John Edwin Erle Sparks Professor of History Anthropology and Women's Gender & Sexuality Studies and Director of Latin American Studies Matthew Restall, 2025 Sir Elton John is a living superlative. As the solo musical artist who has sold more records worldwide than any other, his biography is packed with mosts-buoyed by the fact that he is now in his sixth decade in the music business, enacting his retirement (Jexit, as the British press have dubbed it) while simultaneously working as hard as ever to burnish his status as an icon not just of popular music, but of popular culture. Although the literature on John is consequently extensive, a novel approach to his career and music is here offered by historian Matthew Restall--

Rocket Man Mark Bego, 2020-01-07 The colorful and kaleidoscopic life of one of the world's most original and talented musical artists. Here's the book every pop music lover has been waiting for—full of the scandals, addictions, affairs and tantrums that underscored the life of arguably the world's greatest pop musician. Flamboyant, iconic Elton John is as much part of the American musical landscape as he is in his native England. In the 1970s, when popular music on both sides of the

Atlantic fragmented into disco, soul, hard rock, pop and folk, Elton John embraced them all with his signature creative panache. Emerging in the late 1960s as a singer/songwriter, Elton was widely acknowledged as the most prolific pop and rock star of the decade by the mid-1970s. His peerless musical style and ability to jump from sensitive ballads to bawdy rock anthems to campy pop have made him a musical superstar for the ages. From his heartfelt ballads like “Tiny Dancer” and “Your Song,” to his rock & roll hits including “Benny and The Jets” and “Crocodile Rock,” Elton has lived one of the most outrageous and colorful lives in show business. Having met the “Rocket Man” the first time in the 1980s, Bego has drawn upon his personal observations, vast research, and has been able interview dozens of Elton’s collaborators and lifelong friends to produce the the ultimate story on the amazing and larger-than-life Elton John.

Elton John All the Songs Romuald Ollivier, Olivier Roubin, 2023-04-04 This first-of-its-kind catalog of Elton John’s decades-long career tells the story of one of rock’s all-time greatest artists, album-by-album and track-by-track. Organized chronologically and covering every album and song that EGOT-winner Sir Elton Hercules John has ever released, Elton John All the Songs draws upon years of research to tell the behind-the-scenes stories of how each song was written, composed, and recorded, down to the instruments used and the people who played them. Spanning more than fifty-years of work from Elton and his longtime collaborator, Bernie Taupin, this book details the creative processes that resulted in seminal albums like Goodbye Yellowbrick Road, Madman Across the Water, and Tumbleweed Connection, as well as Academy Award wins for 1995’s Lion King and 2020’s Rocketman. Newer work like The Lockdown Sessions, which released in 2021, is also featured alongside Billboard stats, tour dates, producing and mixing credits, and other insider details that will keep fans turning pages. Kalyna’s Song Lisa Grekul, 2006 Collen Lutzak returns home from her year of study in Africa and attends the funeral of Kalyna, an older cousin of hers, as she reminisces about her difficulties trying to identify with her Ukrainian heritage and the culture of modern-day Canada.

Elton John Gillian G. Gaar, 2024-01-23 A beautifully produced celebration of the iconic and beloved rock star, Elton John features live onstage and candid offstage photography, an entertaining history, and timeline. Few rock artists continue to gather more and more adulation with age than Sir Elton Hercules John. In this re-release of Elton John at 75 (2022), veteran rock journalist Gillian Gaar provides a unique examination of Elton’s life and career through the lens of 75 career

accomplishments and life events—from his first steps as a solo artist to the breakthrough album Goodbye Yellow Brick Road to his flamboyant stage presence, and beyond. Key studio albums are featured, of course, as are a curated selection of his earworm singles. But Gaar delves deeper to reveal the events that helped chart the course of Elton's career: Key performances such as his breakthrough performance at LA's Troubadour, and the historic Soviet Union and Dodger Stadium concerts. Legendary collaborations with the likes of Dua Lipa, Billy Joel, and Kate Bush. His many film and television roles, including Tommy and The Muppet Show. Tireless work on behalf of AIDS research. Notable awards and honors, including knighthood. And of course his collaboration with longtime cowriter Bernie Taupin. Every page is illustrated with stunning photography, including gig posters and more. The result is a fitting tribute to one of the most admired stars in rock.

Weeping Angel Stef Ann Holm, 2015-02-24 Sparks fly between a prim piano teacher and a charming saloon owner in this "sweet and sassy, rollicking and rambunctious" romance novel (Patricia Gaffney, author of *To Love and to Cherish*) from USA TODAY bestselling author Stef Ann Holm. Frank Brody never gives a second glance to the starched and stiff type of woman. But when Miss Amelia Marshall arrives in Weeping Angel, Frank's stare puts a flush on her cheeks hotter than the sun wilting her prim apparel. She's come to town to forget a busted romance and make a living the only respectable way she can: by giving piano lessons. When the only piano in town turns up at Frank's rundown shebang of a business, the Moon Rock Saloon, Amelia must compromise...never suspecting her temporary arrangement with the disarmingly handsome Mr. Brody will lead to a passion more glorious and unpredictable than anything she had dared to imagine...

Still Standing Paul O'Grady, 2012-10-11 THE SUNDAY TIMES BESTSELLER 'Funny, forthright and sharp as a knife . . . O'Grady writes just as he speaks.' Daily Mirror Lilian Maeve Veronica Savage, international sex kitten, was born on the steps of The Legs of Man public house, Lime Street, Liverpool on a policeman's overcoat. Her mother, the lady wrestler Hell Cat Savage, had no such luxuries as gas and air. She just bit down on the policeman's torch and recovered afterwards at the bar with a large pale ale... Paul O'Grady shot to fame via his brilliant comic creation, the blonde bombshell Lily Savage. In the first two parts of his bestselling and critically acclaimed autobiography, Paul took us through his childhood in Birkenhead to his first, teetering steps on stage. Now, in *Still Standing*, for the first time, he brings us the no-holds-barred true story of Lily and the rocky road to stardom... Paul pulls no punches in this tale of bar room brawls, drunken escapades and liaisons dangereuses. And that's just backstage at the Panto... Along the way, we stop off at some extremely dodgy pubs and clubs, and meet a collection of exotic characters who made the world a louder, brighter and more hilarious place. From the chaos of the Toxteth riots and the Vauxhall Tavern police raid, to the mystery of who shot Skippy and the great chip pan fire of Victoria Mansions, Paul emerges shaken but not stirred. *Still Standing* will make you laugh and make you cry. Some of the stories might even make your hair curl. But it stands as a glorious tribute to absent friends and to a world which has now all but vanished. Readers love *Still Standing*: 'Paul makes you feel like he's chatting to you as a friend. The stories are bold,

honest, sometimes hilarious, sometimes very sad.' ***** 'This had my crying, nervous and laughing out loud. I would expect nothing less from the fabulously honest Paul O'Grady.' ***** 'He writes as he speaks, entirely from the heart . . . with his usual warmth, care, concern and honesty, a brilliant read.' *****

The Essence and Duke Ellington Vince Prudente, 2024-03-28 I worked, toured, and recorded with Duke Ellington for the last two years of his life - a period that was the highlight of my career. In my memoirs, *The Essence and Duke Ellington*, I aim to convey the spirit within the heart of the jazz musician, particularly Duke Ellington. I want to show what drove him and other musicians, past and present, to play and compose this wonderful music. I also depict Duke Ellington's greatness as a human being, not as some super-human being, which he may well have been. I recount stories and reflect on my own experiences, expounding on what working with and learning from him and so many other jazz greats has meant to me.

Plot Twist K.L. Montgomery, 2018-04-26 If you think what's happening on stage is entertaining...you should see what's happening BACKSTAGE! A brand new show is coming to Rehoboth Beach! It's an original musical, and they have the perfect cast. Plus, there's pirates. Who doesn't love pirates? Meric Chandler is a neurotic, introverted accountant by day, but at night he transforms into a magnetic leading man whose voice makes all the girls swoon. Just getting over a divorce, he has sworn off backstage romances. After all, that's how he met his EX wife. Lindy Larson prefers to stay behind the scenes, but her girlfriends convince her to audition for a new local theater production. She has a stunning voice but plans to blend in as much as possible, which isn't easy to do when you're the awkward plus-size girl with two left feet. While backstage romances are to be expected, they don't usually shut down the entire production. But you know what they say: the show must go on!

Plot Twist is part of the Romance in Rehoboth Series. It's a real place--in Delaware. I know, right? Delaware has beaches and people actually go there? On purpose? I'm as surprised as you are. These books can be read in any order, but if you're one of those types...then here ya go: Book 1: Music Man (Claire and Jack's Story) Book 2: The Flip (Sonnet and Drew's Story) Book 3: Plot Twist (Lindy and Meric's Story) Book 4: Badge Bunny (Brynne and Chris's Story) Book 5: Wedding War (Hannah and Jason's Story) Book 6: Stage Mom (Larissa and Mateo's Story) Book 7: Shark Bite (Megan and Shark's Story)

What in Hell Do You Want? James Alfred Bradford, 2017-03-09 *What in Hell Do You Want?* is taken from the parable of the rich man and Lazarus with a surprising twist. Hell can be in your mind. Hell can be in your job. Hell can be a living, breathing part of you. Hell can also be stopped. Good habits are learned just like bad habits through practice. It brings awareness of the decisions and choices a person makes and their impact on his life. The power of knowing is what you live by. The rich man lived abundantly, and Lazarus lived in obscurity. Why?
