

One Word For Kids

Jon Gordon

One Word for Kids Jon Gordon, Dan Britton, Jimmy Page, 2019-11-05 From the authors who created the One Word movement, impacting schools, businesses, and sports teams around the world, comes a charming fable that can be read and shared by everyone. If you could choose only one word to help you have your best year ever, what would it be? Love? Fun? Believe? Brave? It's probably different for everyone. How you find your word is just as important as the word itself. And once you know your word, what do you do with it? In *One Word for Kids*, bestselling author Jon Gordon—along with coauthors Dan Britton and Jimmy Page—asks these questions to children and adults of all ages, teaching an important life lesson in the process. This engaging, fully illustrated fable follows Stevie, a young boy falling asleep on the first day of school. His teacher gives the class an assignment: to find the one word that will help them have their best year ever. To discover their one word, they must look inside themselves, look up, and look out. At home, Stevie is upset because he can't find his word. After his dad offers some helpful advice, Stevie excitedly begins the quest for his word. His search helps him discover a lot about himself, what he loves, and what is important to him. An easy read with a powerful message, *One Word for Kids* appeals to readers of all ages and is an ideal entry point into discussing a valuable lesson in a fun and engaging way.

Kids' Slips Jeri J. Jaeger, 2004-12-13 The study of speech errors, or slips of the tongue, is a time-honored methodology which serves as a window to the representation and processing of language and has proven to be the most reliable source of data for building theories of speech production planning. However, until *Kids' Slips*, there has never been a corpus of such errors from children with which to work. This is the first developmental linguistics research volume to document how online processing is revealed in young children, ages 18 months through 5 years, through their slips of the tongue. Thus, this text provides a new methodology and data source, which will greatly expand our ability to uncover the details of early language development. Professor Jaeger's groundbreaking book incorporates both details of her methodology and findings with implications for different aspects of language development, including phonetics and phonology, the lexicon, semantics, morphology, and syntax. While all the child data is included in the book, a Web site hosted by the author provides readers with the adult data as well. *Kids' Slips* targets those who study language development in linguistics, developmental psychology, and speech and hearing, as well as those who study language representation and processing more generally in the same disciplines.

The Garden Jon Gordon, 2020-05-21 From bestselling author Jon Gordon comes a spiritual fable about the power of faith, hope, and love Meet Jay and Kay. They're twins, and like many teenagers their age, they're dealing with stress and anxiety. One day on their way to school, they have a nice conversation with their old family friend and youth soccer coach, Mr. Erwin, who shows them a special garden he created in his backyard. The garden serves as both a place and a metaphor for Mr. Erwin to share a powerful paradigm and practical strategies to help the twins overcome their fear, stress, and anxiety. The Garden is an enlightening and encouraging spiritual fable that reveals the 5 D's that can sabotage us and a proven plan to help us overcome and win the battle in our mind. Rooted in Jon Gordon's faith tradition, this fable is a different kind of book than his previous business fables. However, in his familiar trademark style, he takes a complex subject and simplifies it to help people take action and improve their lives. Everyone will struggle with fear, anxiety, or stress at some point in their lives, and everyone will have to overcome these challenges to create the life they were meant to live. Given that there are many contributing factors that influence how we think and feel, Jon wrote this book to share how the power of love, encouragement, truth, faith, and belief can be part of the solution. Having worked with countless leaders, companies, sports teams, professional athletes, and high school students, Jon Gordon infuses this life-changing story with thought-provoking ideas, practical strategies, and a framework to overcome fear with faith. Whether you are dealing with fear, stress, and anxiety yourself, have a family member that struggles, or are a mental health expert that works with clients, if any of the ideas in this book can be useful to you or the people you love and care about, then it's worth a walk through The Garden with Jay, Kay, and Mr. Erwin to discover ways to persevere through life with the power of faith, hope, and love.

Row the Boat Jon Gordon, P.J. Fleck, 2021-05-04 Learn to live and lead with enthusiasm and optimism, impact your team, and transform your culture In Row the Boat, Minnesota Golden Gophers Head Coach P.J. Fleck and bestselling author Jon Gordon deliver an inspiring message about what you can achieve when you approach life with a never-give-up philosophy. The book shows you how to choose enthusiasm and optimism as your guiding lights instead of being defined by circumstances and events outside of your control. Discover how to put the three key components of row the boat into practice in your life: The Oar: The energy. Only you can dictate whether your oar is in the water or whether you take it out and decide not to use it. The Boat: The sacrifice. The more you give, serve, and make your life about helping others, the better and more fulfilled your life will be, and the bigger your boat gets. The Compass: The direction. The vision you have for your life and the people you surround yourself with help create the dream of where you want to go. Perfect for athletes, coaches, business leaders, and anyone else who hopes to squeeze a little more enjoyment and productivity out of life, Row the Boat will propel leaders, teams, and organizations to greater heights than they have ever reached before.

Stick Together Jon Gordon, Kate Leavell, 2021-03-30 Build a stronger team with this illustrated fable From bestselling author Jon Gordon and coauthor Kate Leavell, Stick Together delivers a crucial message about the power of belief,

ownership, connection, love, inclusion, consistency, and hope. The authors guide individuals and teams on an inspiring journey to show them how to persevere through challenges, overcome obstacles, and create success together. Stick Together follows Coach David, a high school basketball coach looking to motivate his team for the new season. The team members are given sticks with words written on them and tasked with a number of missions: To find another player with the same word written on their stick To explain why that word is important for a team to be their best To render their sticks unbreakable As the players work together to complete their tasks, they discover how to make their team stronger and create an unbreakable bond. Perfect for student athletes and teams in all industries including business, education, healthcare, and nonprofit, and for readers of all ages, Stick Together will resonate with anyone looking to improve their team performance and excel in a group environment.

Kids Talk Susan M. Hoyle, Carolyn Temple Adger, 1998-09-10 Between early childhood and adulthood, language acquisition is succeeded by a bloom of repertoire for managing interaction, a growing sensitivity to the relation of language and society, an expanding ability to wield power through the strategic use of language, and an increasing sophistication in framing speech activities. This book examines a wide range of language practices among school-age children and teenagers, using data from naturally occurring recorded talk and from careful observation of interaction in peer groups. The contributors analyze talk at play, at school, and at work, documenting the growing communicative skills of young people while always focusing on what young speakers themselves do with (and through) language. Theoretical constructs to which the contributors appeal include Goffman's notion of footing and Hymes' communicative competence, as well as multiple characterizations of discourse structure. The chapters show older children as strategic language users, dynamic actors who are often concerned with defining themselves as a distinctive group, different from adults, yet who just as often display proficiency at sophisticated discourse activities that presage those of adulthood.

Stay Positive Jon Gordon, Daniel Decker, 2019-12-05 Fuel yourself and others with positive energy—inspirational quotes and encouraging messages to live by from bestselling author, Jon Gordon. Ever since he wrote the mega bestseller The Energy Bus, Jon Gordon has been sharing inspirational messages and encouragement via his talks, books, and social media

posts. After many requests to create a collection of his quotes, Jon teamed up with his long-time friend, Daniel Decker, to create Stay Positive. Stay Positive is more than a book of positive quotes. This book is a resource you can turn to each day for encouragement to help you take on your daily challenges, pursue your goals and dreams, and create positive momentum in your life. The power of positive thoughts is not about being Pollyanna Positive; it's the real stuff that makes a proven difference in your perspective and life. After all, we don't give up because it's hard; we give up because we get discouraged. By fueling yourself with encouragement and positive energy, you'll have greater power to overcome negativity, neutralize the naysayers, and conquer adversity. Stay Positive is more than a phrase. It's an approach to life that says when you get knocked down, you'll get back up and find a way forward one faithful step and optimistic day at a time. Start your day with a message from the book, or pick it up anytime you need a mental boost. You can start from the beginning, or open the book to any page and find a message that speaks to you. However you decide to use Stay Positive, it's a go-to resource for anyone wanting to inject a healthy dose of positivity into their life.

The 7 Commitments of a Great Team Jon Gordon, 2025-05-20 From Jon Gordon, 17-time bestselling author, top leadership speaker, and the #1 consultant to elite CEOs, championship coaches, and high-performing teams in the NFL, NBA, and MLB, comes a powerful new fable on what it takes to build a truly great team. What separates great teams from the rest? It's not just talent—it's commitment. In *The 7 Commitments of a Great Team*, we follow the journey of Tim, a struggling leader facing declining business performance, low team morale, and self-doubt. While visiting his old college coach who is on his deathbed, Coach Richie reminds him of a lesson from years past: "Teammates are forever." This poignant moment triggers a powerful flashback to Tim's past, where his team defied all odds and achieved something remarkable. As Tim reflects on that experience, he realizes that the same 7 Commitments that led to success back then can be applied to his current team—and to any team striving to achieve extraordinary results together. Through engaging storytelling, real-world lessons, and actionable insights, Jon Gordon reveals the seven commitments that great teams must make to build trust, foster connection, overcome adversity, and achieve extraordinary success.

- *The 7 Commitments Every Team Needs* - Proven principles to transform any team into a high-performing, united force.
- *The Secret to Building Unshakable Trust* - Simple, yet powerful team-building exercises that create deeper connections.
- *Why Positivity Is a Competitive Advantage* - Learn how optimism fuels resilience and success, even in tough times.
- *The Best Way to Hold Your Team Accountable* - Strike the perfect balance between accountability and encouragement.
- *The Formula for Giving Your Best* - A powerful equation that individuals and teams can use to maximize their potential.
- *How to Turn Challenges and Change into Growth* - Discover how the greatest teams use adversity and change to grow stronger.
- *The Mindset Shift That Leads to Long-Term Success* - Focus on the relationships that drive the process to build a lasting legacy.

Whether you're a business leader, coach, entrepreneur, or team member, this book will inspire you to commit, lead with purpose, and build a team that wins, thrives, and leaves a

lasting impact. A team that reads this book together and applies its lessons will become stronger together and achieve more together.
