The Jasper Love Trilogy Onyx Cantor, 2020-03-02 This is the story of one man's triumph over Cult Religion. As a preacher's son, Jasper Love struggled to comply with the dogma and bigotry of the unpredictably changeable Doctrine of Good Enough dictated by Cult Religion. He and four sisters labored to comply with cult demands consistent with their mother's mantra: "People expect preacher's kids to be perfect." The Voice of Truth (bestowed on Jasper as a child in a genuine salvation encounter with Jesus Christ) conflicts with voices of deception from pulpits and pews, triggering crippling anxiety, depression, and suicidal ideation. Further compounding his confusion is a terrifying awareness of the cult's distortion of scripture concerning his innate identity. When a Connecticut preacher detects his private struggle, the Bible scholar promises: "If you marry a good Pentecostal girl, this thing will just fade away." Jasper foolishly accepts the challenge, believing that the pastor's counsel is based on Truth. A 32-year battle ensues, during which a Pentecostal preacher's daughter who, aware of his struggle and trained in Exploitation of Advantage, manipulates and controls the miserable husband who strives to suppress and conceal an innate identity which "simply won't leave me alone." Cultists despise his genuine relationship with God when the Holy Spirit weakens the tenacious grasp of the antiChrist's claim on his soul, rescuing him from abominable doctrines through Spiritual Enlightenment to Truth Absolute. Spiritual Warfare ensues, during which he is molested by authority figures, betrayed by cult dishonesty, falls into sin, is attacked by demons, and is delivered by the Holy Ghost through visions of spiritual combat between the demons of Cult Religion and the Angels of Truth. In the

end, his foolish attempt to conform with the Doctrine of Good Enough predictably results in the destruction of everything he wasted a lifetime building: marriage, family, home, career, material wealth, and reputation. Yet, in losing all, he is delivered from the Darkness of cult idolatry, whereupon he is finally free to immerse himself in genuine Truth, Light, and Love, breaking the tyrannical chains of Cult Religion. Released by the Holy Spirit from cult bondage, he is at last unleashed to fulfill his destiny: To teach the Truth about Jasper Love (that boundless, unconditional love known only to those who genuinely experience Spiritual Enlightenment) to a people deceived by the hateful harlots of idolatry who are nothing more than power-crazed, authoritarian, self-aggrandizing, despotic antiChrist heretics who worship only one god - CONTROL.

Roger Kriney, 2008-11-01 Cousins, Ren Hadley and Doug Gove from New Jersey meet in St. Paul, Minnesota, unexpectedly after fifteen years apart. Both, unable to heal from failed marriages and child separation agony, seek out assistance from psychotherapist, Palmer Anderson. Although successfully able to guide them through their sadness and loneliness, Anderson can't seem to prevent the collapse of his own family structure and career. The three men, in their early thirties, together with another of Palmer's deeply troubled clients, Jake Wilbert attempt to find their way through the post hippy, cult oriented 1970's that was St. Paul. Fast forward to 2006 in the western coastal Mexican village of Sayulita, the long time friends, now in their early sixties gather at the home of the now expatriate Dr. Anderson. The decision to include Jake in the reunion, proves questionable, at best as he drags them through a two week marijuana hazed, unwelcome and often unwholesome escapade through the Mexican drug trade, sexual infidelity, a dangerous confrontation with an indigenous Mexican tribe, a romp through a new age, clothing optional resort with a half Mexican half Japanese beauty, a pretty Seattle travel agent and a group of Alabama society belles ending in a horrific clash with the unstable Mexican political scene. This is a story of rescue and commitment between old friends. Their 1960's attitudes of acceptance and tolerance are tested in the post 911 world as they discover just how much they have come to still rely on each other and just how important that reliance has become as they have aged.

Go Gently into the Night William Schneider, 2020-04-15 God meant for two soulmates, Bill and Linda, to meet, marry, and spend over fifty-seven years together before God's plan for Linda on earth was at its end, and she went to join Him and Jesus in Heaven. The evening of December 20, 2018, Linda was called to Heaven after losing a three-and-a-half-year battle with Idiopathic Pulmonary Fibrosis (IPF). The day after Linda passed, Bill's daughter, Julie, and grandkids were visiting. Julie happened to notice two books by Sarah Young sitting on a shelf under the coffee table. The books had been placed there by Linda. One of the books was Jesus Calling, a book of Devotions for Every Day of the Year. A ribbon, used as a bookmark, was placed in the book for the date Friday, December 21, the day after Linda died. There was no explanation for the ribbon's being there since Linda had not read from that book for some time, perhaps as much as a year. Bill believed that the ribbon

was placed by Linda sometime in the past for him to find on that very day, the day after she died. The devotion for that day, December 21, starts out with the words, MY PLAN FOR YOUR LIFE is unfolding before you. Bill believed that he was to find that book, Jesus Calling, marked with a ribbon on that page, and that God was reminding him that He had a plan for his life. Almost immediately, Bill said, I am going to write a book. He believed he received an inspiration from God through Linda to follow a new path for him. This book is about Bill and Linda's life together, how they met, fell in love, and became soulmates, and the many coincidences in their life before and after Linda was to Go Gently into the Night. They came to call those coincidences, God Winks.

The Man I Never Knew Samuel L. Jones, 2011-07 If you could meet yourself, come face-to-face with the person you truly are, would you want to? This is the question Samuel L. Jones asks himself in *The Man I Never Knew: How Leadership Can Be Developed by Faith, Family, and Friends*. A native of the Mississippi Delta and former college athlete, Dr. Jones earned a bachelor's and master's degree from the University of Southern Mississippi and earned a PhD from Mississippi State University. He eventually became the dean of student affairs at Jones County Junior College. However, he realizes all too well that his life could have taken a different path, one of failure and hopelessness. In exploring the influences and opportunities that prepared him for a position of leadership, Dr. Jones inspires us to examine our own experiences and discover the leadership skills that are hidden within each of us. About the Author Samuel L. Jones received his doctorate in community college leadership from Mississippi State University in 2006. He also has a bachelor's degree in advertising (1997) and a master's degree in public relations (2002) from the University of Southern Mississippi. He is currently the dean of student affairs at Jones County Junior College in Ellisville, Mississippi. Jones has held several campus positions prior to becoming the dean of student affairs. He served as the assistant basketball coach from 1999 to 2003, student recruiter from 1999 to 2006, and assistant dean from 2003 to 2006. Having spent ten years developing his leadership skills in athletics and the administration forum, he is committed to being a trailblazer in the lives of his students and his community.

New Age Cowboys Roger Kriney, 2011-11 Ren Hadley and Doug Gove, cousins from New Jersey, meet after years apart in Saint Paul, Minnesota. Both men, in their early thirties, struggling with failed marriages and child separation agony seek the assistance of psychotherapist Palmer Anderson. The three men along with another of Dr. Anderson's clients, Jake Wilbert attempt to regain their foothold in the post hippy, cult oriented 1970's that was Saint Paul. Thirty years after establishing and solidifying their relationship, despite their extremely diverse life paths, Hadley, Gove and Anderson along with Anderson's brother, Ian, gather at the home of the now expatriate, Dr. Anderson in the Mexican western seacoast village of Sayulita. The decision to include Wilbert after all those years proves questionable. He drags them through the local illicit drug trade, sexual infidelity, a dangerous confrontation with an indigenous tribe and a romp through a New Age clothing optional resort. They establish liaisons with a Japanese-Mexican beauty, a pretty Seattle travel agent and a group of Alabama society belles

ending with a violent clash with the unstable Mexican political scene. This is a story of commitment and rescue between old friends. Their 1960's attitudes of acceptance and tolerance, tempered by the years, are tested in the post 911 world as they discover just how much they have come to still rely on each other and just how important that reliance has become as they have aged.

Unfairly Labeled Jessica Kriegel,2016-02-10 A blueprint for managing people, not generations *Unfairly Labeled* challenges the very concept of generational differences as an unfair generalization, and offers a roadmap to intergenerational understanding. While acknowledging that generational stereotypes exist, author Jessica Kriegel argues that they are wrong—and that it's unreasonable to assume that the millions of people born in the same 20-year time span are motivated by the same things, attracted to the same things, and should be dealt with in the same way. Kriegel's experience as Organizational Developer at Oracle puts her squarely in the talent strategy realm, where she works to optimize leadership development, team effectiveness, and organizational design. Drawing upon her experiences with workers of all ages and types, she shows how behaviors know no generational boundaries and how to work with people based on their talents, strengths, and weaknesses rather than simply slapping on a generational label and fitting them into an arbitrary slot. There are 80 million Millennials in America, yet there are myriad books on managing Millennials and working with Millennials and the problem with Millennials. This book shows that whether you're working with Millennials, Generation X, or Baby Boomers, age is not the issue—it's the interpersonal dynamics that matter most. Examine the concept of generational issues Explore the disparate reality of each 20-year generational span Learn to understand and work effectively with other generations Facilitate intergenerational understanding sessions The human mind craves categorization, so the tendency to lump people together is natural. It may, however, be holding your organization back. The members of each generation have only one thing in common—their age—and even that varies by two whole decades. Why assume that they should all be managed the same way? *Unfairly Labeled* shows you a better way, and provides a roadmap to a more effective organizational strategy.

Wild Things Donna Matrazzo,2008-06-30 *Wild Things* is the amazing tale of Donna Matrazzo's coming of age as a grassroots activist and a behind-the-scenes look at the evolution of Portland, Oregon's renowned greenspaces movement by somebody who was there from the start. It is a wonderful story that will inspire a new generation of activists, wherever they may live, to get involved and protect the wild things and wild places that surround them. -Bob Sallinger, Conservation Director, Audubon Society of Portland The planet needs more friends like Donna Matrazzo and it needs more books like this one, which remind us that we were all quite capable of making big and useful change. Bill McKibben, author, *The End of Nature*

When Heaven Calls Matt Fraser, 2021-11-23 America's top psychic medium reflects on his life of speaking to Spirit and the lessons he's learned along the way—from both the living and the dead. Matt Fraser is just an ordinary guy...who happens to talk to dead people. Born into a psychic family, Matt carries on the legacy passed down from his late Grandmother Mary by connecting people to their dearly departed loved ones and delivering messages from the other side. His sold-out live group readings, television appearances, and private readings have allowed him to bring hope and healing to fans from around the world. But people who are not in the habit of talking with the dead have a hard time imagining what his day-to-day life is like. Based on the questions he gets, they seem to think he spends most of his time sitting cross-legged in a trance, maybe hovering a few inches off the ground, leaving his physical body behind as he journeys across the veil to the spirit realm. But it's not like that at all. Now, in When Heaven Calls, Matt opens up about it's really like to be a psychic medium—including how he discovered his spiritual gift, what it's like to connect with souls on the other side, what communicating with the dead has taught him about embracing life, and how you can tap into your own intuitive awareness to manifest your dreams, goals, and desires.

Your Redefining Moments Dennis Merritt Jones, 2014-05-29 Offers a road map back to your center, where you will find your Authentic Self. It is from that center, Merritt Jones shows, that you can live the life you were born for, rather than the tug-of-war so many people get caught up in, trying to be all things to all people, trying to be anyone but who they truly are.

Surviving Cancer Paul Kraus, 2008-11-04 Much has been written about human survival in the face of bleak odds, but I return to the philosopher Friedrich Nietzsche, who also said, 'He who has a why to live for, can bear almost any how of existence.' This sentiment was echoed by Dr. Viktor Frankl, one of last century's most important psychiatrists, himself an Auschwitz survivor, who expressed the spiritual and psychological aspects of survival in his book *Man's Search For Meaning* when talking about Auschwitz survivors. Woe to him who saw no more sense in his life, no aim, no purpose, and therefore no point in carrying on. He was soon lost.' *Surviving Cancer* is a stimulating and inspiring book of personal stories of survival -- Professor Emeritus Gabriel Kune, MD, FRCS,

Preservation Cynthia Lang, 2014-03-04 Why leave Manhattan for a town in Maine where no one goes and nothing ever happens? Confused, bereft, but following a hunch, Lee Baldwin moves to Limmington Mills to revel in solitude and brood about her missing husband. Life has other plans. While never forgetting about her Charlie, Lee is pulled into the daily dramas of her imaginative, flighty landlady Dolly and Dolly's brother, a taciturn welder at Bath Iron Works. Befriended by Maxine, store proprietor (and de facto town manager), she meets a trio of boys running wild and their mother, who may or may not have heard a saint speak. Most of all, Lee benefits from Hazel's fierce grace, the elderly woman whose grip on life breathes energy into Lee's own. Evoking the lives of northern New Englanders who struggle in the shadow side of prosperity, Preservation explores the isolation-and possibilities-of a time before electronics linked us nonstop through the cloud.
