The Montaukett Indians of Eastern Long Island John A. Strong,2022-09-01 Although the Montaukett were among the first tribes to establish relations with the English in the seventeenth century, until now very little has been written about the evolution of their interaction with the settlers. John A. Strong, a noted authority on the Indians of New York State's Long Island, has written a concise history that focuses on the issue of land tenure in the relations between the English and the Montaukett. This study covers the period from the earliest contacts to the New York Appellate Court decision in 1917—which declared the tribe to be extinct—to their current battle for the federal recognition necessary to reclaim portions of their land. Strong also looks at related issues such as cultural assimilation, political and social tensions, and patterns of economic dependency among the Montaukett.

The Sunset Sisters Cecilia Lyra,2020-06-22 Two sisters. A surprising inheritance. A summer that changes everything. As children, half-sisters Cassie and Julie were nearly inseparable, bonded through happy, lazy summers playing barefoot in the surf and sleeping out on the porch of their grandmother's Hamptons beach house. Though from wildly different backgrounds, each magical summer the girls were as close as only best friends, accomplices, sisters can be. But they haven't spoken in nearly fifteen years—not since the funeral of Cassie's mother—and now there is only resentment and painful memories between them. Successful and self-contained, Cassie is shocked to learn the requirements of their Nana's will—that she and Julie spend one final summer together in the Hamptons house in order to inherit. Cassie agrees reluctantly, she needs an excuse to leave Boston and give the growing rumors about her personal life a chance to die down. And for Julie, who is discovering too late the cracks in her marriage, it is the chance to repair at least one damaged relationship. But for the two sisters to regain what they had, they will have to finally confront what happened the night Cassie lost her mother. With their Nana's wisdom guiding the way, could this summer bring painful discoveries, and a new direction, for both sisters? An emotional and riveting novel full of family drama and dark secrets. Perfect for fans of Elin Hilderbrand, Emily Giffin and Jennifer Weiner. Readers love *The Sunset Sisters*: "ABSOLUTELY UNPUTDOWNABLE. Warm and emotional. United States Supreme Court: Original Jurisdiction Cases and Materials Gordon L. Weil,2016-07-29 These three volumes contain the only collection of all substantive decisions of the U.S. Supreme Court under its original jurisdiction. This is a unique publication. Under the U.S. Constitution, the Supreme Court considers certain cases directly without taking them as an appeal from lower courts. These cases involve the United States and individual states and state against state. Cases between states may not be considered in any other court; the Supreme Court’s jurisdiction is exclusive.
