## Marchese Vittorio Spreti

Studio Monografico sulla casata Reggio Mario Gregorio, 2016-03-14 La casata Reggio occupa uno dei più importanti ruoli nella storia della nobiltà Siciliana, questa monografia ha preso in esame i vari rami che partendo da metà del '500 fino a oggi hanno interessato gran parte delle famiglie nobili, solo ad esempio più sotto ho riportato una tra le centinaia di informazioni presenti nel testo, che tra l'altro è stata corredata con copie di certificati anagrafici

Rivista Collegio araldico, 1918

**Terre lucane** Mario Cancro, 2017-01-13 Il saggio è composto da due parti, di cui la prima è più storico-rievocativa e tratteggia le fasi più rilevanti di un angolo di terra meridionale in correlazione parallela con gli avvenimenti fondamentali e più significativi del Mezzogiorno e dell'Italia. Questa parte è, perciò, più basata sulla vera e propria tradizione storica e sui fatti antichi, quindi è più didattica. La seconda parte è incentrata sui grandi temi, come la Terra, la Scomparsa delle grandi famiglie feudali e principesche e l'avvicinarsi ad esse della Borghesia, la Riforma Agraria del 1950 e la successiva Traslazione della proprietà fondiaria. Questi sono contenuti più attuali per vicende e personaggi più vicini e, quindi, più emotivi e capaci di stimolare la riflessione, la sensibilità e il giudizio del lettore. Il testo si presenta, perciò, vario e va dal descrittivo al narrativo, all'espositivo, all'argomentativo e regolativo; le funzioni linguistiche ci sono tutte, da quella referenziale a quella emotiva, da quella faticosa a quella poetica. L'obiettivo dell'autore è quello di far conoscere le Terre Lucane, le loro bellezze naturali e paesaggistiche e i loro tesori archeologico-artistici, spesso nascosti e trascurati, ma anche le Genti Lucane, nelle loro virtù, nei loro sentimenti e nelle loro molteplici passioni e speranze.

Papal Genealogy George L. Williams, 2024-10-14 The papacy has often resembled a secular European monarchy more

than a divinely inspired institution. Roman pontiffs bestowed great wealth on their families and forged strategic alliances with other powerful families to increase their power. Pope Alexander VI (Rodrigo Borgia), for example, forced his daughter Lucrezia into a series of marriages for political reasons. When her marital alliance was no longer advantageous, as was the case in her second marriage, her husband was brutally murdered. Many papal families also intermarried in hopes of forming a hereditary papacy; at least two members of the Fieschi, Piccolomini, Della Rovere, and Medici families served as pope. Papal families since the early history of the church are fully covered in this comprehensive work. Genealogical charts graphically show the descendants of the popes, presenting in many cases the interrelationships between the papal families and their relationships with many of the leading families of Europe. Detailed histories examine the impact of the papacy on each pope's family and how each influenced the history of the church.
