**The Millionaire Course** Marc Allen, 2003 Presents a plan for making personal dreams come true without sacrificing core values or compassion in the search for wealth, success, and happiness.

The Kingdom Within L E Madden, 2010-02-03 The Kingdom Within will change your life! The book resulted from a spiritual transformation that occurred in 1989. After twenty years of practice and study a profound experience with higher

reality suddenly manifested after a seven mile run near my home at that time in East Tennessee, USA. Suddenly my conscious awareness expanded beyond my body to include all the surroundings of the country side. I never spoke of the significance of this transformation at that time because I did not know how to put into words a spiritual realization that cant be adequately expressed in human terms. It wasnt until 1995 that the full impact of the now present awakened eternal consciousness stabilized within my being. It would have been very easy to just bath in the radiance of Gods image because His love is so fulfilling yet the pressure within increased to the point in 2002 that it was time to put into words the way to the inner kingdom of eternal life. The book is for you! It stills the chaos in your life by showing you how to live and what wonder of wonders was placed in all humans at the time of their birth. If you are serious about the search for eternal life NOW and how to understand the ways of the world you need the message in this book! The Kingdom Within is a book about L E Maddens spiritual transformation that occurred 1989. He spent twenty years previous to this event studying the major spiritual teachings of the world. Why wait so many years to let others know? The book tells the reason for the delay and its importance for a complex society. With forty years of spiritual depth and wisdom presented to a spiritual seeker the steps to obtain an enlightened awareness in this lifetime is now possible! Sitting in silence for several years contemplating the meaning of life the full measure of this revelation is now available for all to use. L E Madden has worked in management and engineering capacities for industrial manufacturing firms since 1982. Balancing spirit and business he has successfully integrated the life-changing spiritual transformation of 1989 into daily life. He presently works for a Fortune 100 company as a senior process engineer. Married since 1977 with two successful adult children, he lives near Kansas City, Missouri.

**Ascension** Anonymous, 2019-07-22 When you'll become truly devoted to your inspiration and excitement, then you'll become the best reflection of your Self, or the best approximation of what you are in the worlds of unity. In such a way, you'll also reap your best fruits. Realize, that our life is like an upside down tree... *Poetry of Spiritual Awakening* Hilton L. Anderson, 2011-10-18 Poetry of Spiritual Awakening presents a collection of poetry arranged in three groupings designed to indicate levels of conscious awareness experienced by author Hilton L. Anderson. Waking up spiritually is an individual process; even so, there are common themes experienced by many people that may help others in their own spiritual journey. In general terms, the separate ego state is focused primarily on the external reality while the spiritual is more focused on internal consciousness. Perhaps another way of explaining this spiritual awakening is recognizing the shift from the rational mind to heart consciousness. The way in which the poems of this collection are arranged is an attempt to make this shift obvious. Through the practice of forgiveness and the awareness of love, the separate self of the ego begins to lose its hold, allowing the awareness of the larger self to become the focus of attention. This awareness heals the separation of self from others and the Divine. Ultimately the awareness of the unitary nature of existence becomes known. The fear of death and its resolution are prominent concerns of many of the poems. The need to face the reality of death and understand it in a meaningful way is one of the basic learning explored by the poetry.

**The Power of Now** Eckhart Tolle, 2010-04-06 It's no wonder that The Power of Now has sold over 2 million copies worldwide and has been translated into over 30 foreign languages. Much more than simple principles and platitudes, the book takes readers on an inspiring spiritual journey to find their true and deepest self and reach the ultimate in personal growth and spirituality: the discovery of truth and light. In the first chapter, Tolle introduces readers to enlightenment and its natural enemy, the mind. He awakens readers to their role as a creator of pain and shows them how to have a pain-free identity by living fully in the present. The journey is thrilling, and along the way, the author shows how to connect to the indestructible essence of our Being, "the eternal, ever-present One Life beyond the myriad forms of life that are subject to birth and death." Featuring a new preface by the author, this paperback shows that only after regaining awareness of Being, liberated from Mind and intensely in the Now, is there Enlightenment.
