Portrait of the Artist as a Young Adult Lois Thomas Stover, Connie S. Zitlow, 2013-10-30 Young adults often struggle with confusion or guilt because they perceive themselves as different from others, especially their peers. For some of these individuals, the arts can help them cope with adolescent turmoil, allowing them to express their emotions in poems, stories, painting, songs, and other creative outlets. Sensitive teachers and parents know how important it is for young people to realize that they are not alone in their quest for self-knowledge and finding their way in the world. It can make a difference when readers find something in a book that helps them understand more about who they are and helps them understand others. In *Portrait of the Artist as a Young Adult: The Arts in Young Adult Literature*, Lois Thomas Stover and Connie S. Zitlow examine books in which the coming-of-age for young adults is influenced by the arts. Stover and Zitlow consider the connection between the arts and a young person's developing sense of self, the use of art to cope with loss and grief, and how young adults can use art to foster catharsis and healing. The young people in these books either identify as artists or use the arts in intentional ways to explore their identities. They often have artistic gifts that make them stand outside the norms of teenage life, yet those gifts also help them find a sense of community. Artists considered in this book include painters, photographers, sculptors, actors, directors, choreographers, dancers, composers, musicians, graffiti artists, and others. The books discussed also explore the ways adults can nurture the artist's development and understand the way young people sometimes use the arts to form their unique identity. Included is an annotated bibliography organized by art discipline, as well as an appendix about using the arts pedagogically, making *Portrait of the Artist as a Young Adult* a valuable resource for educators, parents, librarians, and young adults.

Fodor's See It Italy Inc. Fodor's Travel Publications, 2004 Provides information on accommodations, restaurants, shopping, sights, and transportation in Italy.

The Oxford Encyclopedia of American Literature Jay Parini, 2004 The Encyclopedia of American Literature gathers together 350 essays from over 190 leading scholars on the whole of American literature, from European discovery to the present. At the core of the Encyclopedia lie 250 essays on poets, playwrights, essayists, and novelists. Figures such as Whitman, Melville, Faulkner, Frost, and Morrison are discussed in detail with each examined in the context of his or her times, an assessment of the writer's current reputation, a bibliography of major works, and a list of major critical and

biographical works about the writer. Fifty entries on major works such as Moby Dick, Song of Myself, Walden, The Great Gatsby, The Waste Land, Their Eyes Were Watching God, Death of a Salesman, and Beloved place the work in its historical context and offer a range of possibilities with regard to critical approach. The Encyclopedia also contains essays on literary movements, periods, and themes, pulling together a broad range of information and making connections between them. Each entry has its own primary and annotated secondary bibliography, and a system of cross-references helps readers locate information with ease. The Encyclopedia of American Literature is an outstanding reference source for students studying authors, or particular pieces of literature; libraries looking for one comprehensive source; and readers interested in American literature, its authors, and its connection with various areas of study.

The Dragon Tattoo and Its Long Tail David Geherin,2012-02-15 The enormous popularity of Stieg Larsson's Millennium trilogy has raised awareness of other contemporary European authors of crime fiction. As a result, several of these novelists now reach a receptive American audience, eager for fresh perspectives in the genre. This critical text offers an introduction to current European crime writing by exploring ten of the best new crime and mystery authors from Sweden (Stieg Larsson and Henning Mankell), Norway (Karin Fossum and Jo Nesbo), Iceland (Arnaldur Indridason), Italy (Andrea Camilleri), France (Fred Vargas), Scotland (Denise Mina and Philip Kerr), and Ireland (Ken Bruen), who are reshaping the landscape of the modern crime novel. Instructors considering this book for use in a course may request an examination copy [here](#).

Reading Globally, K-8 Barbara A. Lehman,Evelyn B. Freeman,Patricia L. Scharer,2010-09-20 In Reading Globally, K-8, the authors make the case for why it is necessary to be globally literate and multiculturally aware in today's shrinking world, and they provide the tools teachers need to incorporate appropriate reading selections into primary and secondary school classrooms. By using books from or about other countries, teachers empower students to view the world in a more positive manner, enriching and broadening their students' lives, and ultimately preparing them for life in a global economy and culture. This reader-friendly resource guides teachers and reading programme coordinators in selecting quality books for their classrooms, incorporating global literature into different content areas, and facilitating the discussions that follow. Practical guidance is provided on how to: - Integrate the reading of global texts across the curriculum, with specific application to language arts, social studies, science, maths, and the arts - Locate and evaluate the authenticity and literary merit of potential books, avoiding those that depict stereotypes - Get started!-with an annotated list of children's books, samples of student work, and classroom vignettes from teachers.

Great Women Mystery Writers Elizabeth A. Blakesley, 2006-11-30 Mysteries are among the most popular books today, and women continue to be among the most creative and widely read mystery writers. This book includes alphabetically arranged entries on 90 women mystery writers. Many of the writers discussed were not even writing when the first edition of this book was published in 1994, while others have written numerous works since then. Writers were selected based on their status as award winners, their commercial success, and their critical acclaim. Each entry provides biographical information, a discussion of major works and themes, and primary and secondary bibliographies. The volume closes with appendices and a selected, general bibliography. Public library patrons will value this guide to their favorite authors, while students will turn to it when writing reports.

Elementary and Middle School Social Studies Pamela J. Farris, 2015-02-03 The latest edition of Pamela Farris's popular, value-priced text continues to offer pre- and in-service teachers creative strategies and proven techniques sensitive to the needs of all elementary and middle school learners. Coverage includes the C3 Framework and the four sets of learning from the National Curriculum Standards for Social Studies. Farris, together with contributors who specialize in implementing successful teaching methods and theories, demonstrate how classroom teachers can excite and inspire their students to be engaged learners.

The Chronology of American Literature Daniel S. Burt, 2004 If you are looking to brush up on your literary knowledge, check a favorite author's work, or see a year's bestsellers at a glance, *The Chronology of American Literature* is the perfect resource. At once an authoritative reference and an ideal browser's guide, this book outlines the indispensable information in America's rich literary past--from major publications to lesser-known gems--while also identifying larger trends along the literary timeline. Who wrote the first published book in America? When did Edgar Allan Poe achieve notoriety as a mystery writer? What was Hemingway's breakout title? With more than 8,000 works by 5,000 authors, *The Chronology* makes it easy to find answers to these questions and more. Authors and their works are grouped within each year by category: fiction and nonfiction; poems; drama; literary criticism; and publishing events. Short, concise entries describe an author's major works for a particular year while placing them within the larger context of that writer's career. The result is a fascinating glimpse into the evolution of some of America's most prominent writers. Perhaps most important, *The Chronology* offers an invaluable line through our literary past, tying literature to the American experience--war and peace, boom and bust, and reaction to social change. You'll find everything here from Benjamin Franklin's *Experiments and Observations on Electricity*, to Davy Crockett's first memoir; from Thoreau's *Civil Disobedience* to Edith Wharton's *Ethan Frome*; from meditations by James Weldon Johnson and James Agee to poetry by Elizabeth Bishop. Also included here are seminal works by authors such as Rachel Carson, Toni Morrison, John Updike, and Arthur Schlesinger, Jr. Lavishly illustrated--and rounded out with handy bestseller lists throughout the twentieth century, lists of literary awards and prizes, and authors' birth and death dates--*The Chronology of American Literature* belongs on the shelf of every bibliophile and literary enthusiast. It is the essential link to our literary past and present.

Reading on Location Luisa Moncada, 2016-12-01 From the charming city of Bath, featured in Jane Austen's *Persuasion*, to the Amazon of Mario Vargas Llosa's *La Casa Verde*, this unique travel guide brings you to the places you've only read about. Whether you want to learn more about a destination or follow in the footsteps of a favorite character, *Reading on Location* helps you make the most of your trip.

Dictionary of American Young Adult Fiction, 1997-2001 Agnes Regan Perkins, 2004-03-30 Young adult readers have special needs and concerns, and librarians have become increasingly interested in selecting books suitable for them. This reference provides information about 290 books for young adults. These books received major awards between 1997 and 2001, reflect the voices of 242 different authors, and range from new to familiar themes. Included are nearly 750 alphabetically arranged entries for individual works, authors, characters, and settings. Many of these books were originally written for adults but have become popular among younger readers. Entries for works provide plot summaries and critical assessments, while author entries focus on those aspects of the writers' lives most relevant to literature for young people. The reference is a valuable selection tool for librarians and teachers and a useful guide for students.

The Lure of Italy Theodore E. Stebbins,1992 This in-depth study includes 319 illustrations, of which 113 are reproduced in full color, many of works that have not previously been published. Theodore E. Stebbins, Jr., John Moors Cabot Curator of American Paintings at the Museum of Fine Arts, Boston, and Professor of Art History at Boston University, provides a broad overview of the American perception of Italy and the unique role that Italy played in the formation of American art. Further insights into this new area in the study and appreciation of American art are offered in four essays by such leading art historians as William H. Gerds, City University of New York; Erica E. Hirshler, Museum of Fine Arts, Boston; Fred S. Licht, Peggy Guggenheim Museum, Venice, and Boston University; and William L. Vance, Boston University. Individual commentaries on each of the paintings, sculpture, and watercolors have been written by the curatorial staff of the Museum of Fine Arts, Boston.

The Archipelago John Foot,2018-05-17 'An enjoyable, highly readable history that manages to bring murky, often fiendishly complex events into the light' Sunday Times Italy emerged from the Second World War in ruins. Divided, invaded and economically broken, it was a nation that some people claimed had ceased to exist. And yet, as rural society disappeared almost overnight, by the 1960s, it could boast the fastest-growing economy in the world. In *The Archipelago*, historian John Foot chronicles Italy's tumultuous history from the post-war period to the present day. From the silent assimilation of fascists into society after 1945 to the artistic peak of neorealist cinema, he examines both the corrupt and celebrated sides of the country. While often portrayed as a failed state on the margins of Europe, Italy has instead been at the centre of innovation and change – a political laboratory. This new history tells the fascinating story of a country always marked by scandal but with the constant ability to re-invent itself. Comprising original research and lively insights, *The Archipelago* chronicles the crises and modernisations of more than seventy years of post-war Italy, from its fields, factories, squares and housing estates to Rome's political intrigue.
