**Six Part Harmony - Riff (The Untold Story)** Dale "Skip" Van Rensalier, 2019-06-25 Eastside High School in Paterson, New Jersey, a school that had transformed over the years into one of the worst high schools in the state, became the subject of a full-length Warner Brothers motion picture entitled Lean on Me. The main character of the movie was the beleaguered principal known as Crazy Joe Clark, who had been assigned by the district superintendent to come in and turn things around. He introduced what eventually became very controversial administrative methods that ultimately led to significant changes at the school. Six-Part Harmony: The Untold Story of Riff chronicles the relationship of the R&B recording artists known as Riff with their manager, mentor, and vocal arranger, Dale Skip Van Rensalier, as they, together, navigated the maze of the

recorded music industry while trying to attain some significant recognition for the group. Riff parachuted to fame after appearing in one of the more recognizable scenes of *Lean on Me*, singing the Eastside school song in the school bathroom at the behest of Principal Clark (portrayed by actor Morgan Freeman). They were students at Eastside High School at that time. Skip, a 1966 Eastside High School graduate, had returned to his alma mater as a school social worker and met Riff after hearing them sing their rendition of the school song over the school intercom during a homeroom period. With the success of *Lean on Me* and the exposure that Riff achieved from their appearance in the movie, once contracts had been negotiated and signed between Riff and Skip, the entertainment business journey began. What the six of them never realized was that it would be a journey filled with twists, turns, hills, valleys, lies, ego trips, and empty promises. In other words, a reality check that blindsided all of them. This is their untold story.

*Christmas on Television* Diane Werts,2006 Christmas just isn't Christmas without Christmas on TV. Whether it's the made-for-television specials of Rudolph the Red-Nosed Reindeer and Frosty the Snowman, a M\*A\*S\*H\* Christmas in Korea, Kramer playing Santa on Seinfeld, or the annual holiday disaster on The Simpsons or South Park, television's many representations of this beloved holiday have become as essential a part of our holiday season as lights, gifts, or mistletoe. In this entertaining chronicle of television and the Christmas season, former Television Critics Association President Diane Werts weaves discussion of the many programs that have appeared during the holiday season throughout the years with interviews with writers, producers, and stars. Not only are readers given a chance to re-live their favorite holiday moments on TV, but also to gain illuminating cultural insights into the increasingly strong bond that unites these two American traditions. Diane Werts's book is the first to cover the entire history of the depiction of Christmas on television, and includes a discussion of programs that celebrate Hanukkah, Kwanzaa, and the winter solstice. An introductory overview helps readers to understand the basis on which television's success with the holidays is based, and chronological chapters go on to consider the many different ways in which the season has been celebrated in variety shows, sitcoms, specials, and dramas of the past six decades.
