

Dont Know Much About The Bible

Trevin Wax

Don't Know Much about the Bible Kenneth C. Davis, 1998 Everything you need to know about the Good Book but never learned.

Don't Know Much About the Bible Kenneth C. Davis, 2009-03-17 "Reading Davis is like returning to the classroom of the best teacher you ever had!" —People magazine A completely revised and updated version of the classic book Don't Know Much About® The Bible Nine out of ten Americans own a Bible, but how much do they know about the one book that has influenced human history more than any other? Don't Know Much About the Bible by New York Times bestselling author Kenneth C. Davis is designed to illuminate everything we need to know about the Good Book but never learned. With wit, authority, and intelligence, Davis brings the world of the Old and New Testaments to vivid life, setting the panorama of the Scriptures against the historical events that shaped them; clearing up misconceptions and mistranslations; summarizing Bible stories, parables, and miracles; and adding fresh new insights to the world's most owned, least understood book. Relying on up-to-date research and improved translations, Davis set out to uncover what the Bible says—and doesn't say, with shocking discoveries, such as: There are two different Creation stories told in Genesis, but no apple in the Garden of Eden story. Noah invented wine and cursed the son who had seen him drunk and naked. There was no coat of many colors in the story of Joseph and his jealous brothers, but rather a long-sleeved robe. Moses didn't write the Torah and he didn't part the Red Sea in his escape from Pharaoh. The Sixth Commandment does not condemn all killing. Jericho's walls may have tumbled down because the city lies on a fault line. King David probably didn't kill Goliath and didn't write the Psalms. And more!

Don't Know Much About Anything Kenneth C. Davis, 2009-10-13 In his wildly entertaining, winningly irreverent, New York Times bestselling Don't Know Much About® series, author Kenneth C. Davis has amused and edified us with fascinating facts about history, mythology, the Bible, the universe, geography, and the Civil War. Now, the sky's the limit in his latest irresistible installment—a grand tour of knowledge that carries us from the Great Smoky Mountains to the Berlin Wall, from the Salem Witch Trials to Watergate, from Michelangelo to Houdini. Brimming with busted myths, gripping true stories, and peculiar particulars about a plethora of people, places, and events, this captivating compendium is guaranteed to delight information lovers everywhere as it feeds our insatiable appetite to know everything!

Don't Know Much about the Bible Kenneth Davis (C.),1998 The New York Times bestselling author of Don't Know Much About History takes on the Bible, illuminating everything one needs to know about the Good Book, but has never learned.

Don't Know Much About the American Presidents Kenneth C. Davis,2012-02-21 From a New York Times bestselling author, a captivating and unique overview of the first 44 presidents of the United States, from George Washington to Barack Obama. Using his entertaining question-and-answer style to chart the history of the presidency itself as well as debunk the myths of America's. Here's the young Lincoln building his mother's coffin and dragging a tragic burden through the snow to the burial; Theodore Roosevelt, America's youngest president, shockingly pushed into the presidency—with greatness thrust upon him; FDR, the only man elected four times, concealing his crippling disability from the American public as he led the nation through depression and world war; and Lyndon Johnson, reelected in a landslide, then crushed by the weight of the Vietnam War. For history buffs and history-phobes alike, this book is packed with memorable facts that will change your understanding of the highest office in the land and the men who have occupied it.

Great Short Books Kenneth C. Davis,2023-09-19 An entertaining guide to some of the best short novels of all time looks at works from the eighteenth century to the present day, spanning multiple genres, cultures, and countries--

Welcome to the One Great Story! George B. Thompson Jr.,2020-09-02 The Bible is not easy to figure out! Churches are filled with adults who are too embarrassed to admit their sketchy knowledge, and jumbled impressions, of biblical material. Even seminary-trained pastors struggle to get a handle on the flow of the Scriptures from beginning to end. No wonder so many people give up on the Bible--and even the church. This book claims that what gives the Bible its overarching integrity and lasting value is a narrative, a storyline. Readers who approach the Bible with narrative in mind will discover from Genesis to Revelation a story that begins at a certain point, establishes a theme; develops, continues, and adapts that theme; and reaches a resolution (of sorts!). Rather than a book-by-book treatment of the Bible, this book identifies and traces a Story that stretches across the corpus of the canon, a Story in which divine promise and human response constantly define each episode. Text boxes, reflection questions, chapter questions, and activities encourage the reader to engage with content at more than one level all along the way. Engaging with the Bible can become exhilarating and gratifying!

The John MacArthur Handbook of Effective Biblical Leadership John MacArthur,2019-04-02 An overseer...must be above reproach. 1 Timothy 3:2 Scripture holds leaders and teachers of the Word to an incredibly high standard. And for good reason. Shepherding God's people into salvation and spiritual growth is an enormous responsibility. Even more now than ever, today's church needs leaders who faithfully proclaim the Word of God and equip believers to live it out. But great leaders need great role models. Bestselling author John MacArthur has compiled, from the internationally renowned Shepherd's Conference, the best-ever messages for Christian leaders—now available in a single volume. Alongside

MacArthur's candid, instructive writings you'll find the works of other proven ministry leaders, including John Piper, Steven Lawson, RC Sproul, Ligon Duncan, and Al Mohler. Whether you're a pastor, elder, or leader in your church, or you desire to be more effective in your spiritual leadership, this book will help you learn how to . . . guide others with integrity and conviction deliver God's Word with passion and power accurately interpret and apply God's Word When you accept the challenge to be a leader who follows God's standard both in ministry and personally, you will become better equipped to fulfill your calling to lead with excellence.

The Complete Works of George MacDonald: Novels, Short Stories, Poetry, Theological Writings & Essays (Illustrated)
George MacDonald, 2024-01-09 *The Complete Works of George MacDonald: Novels, Short Stories, Poetry, Theological Writings & Essays (Illustrated)* is an extensive compilation that showcases the remarkable range of MacDonald's literary output. Renowned for his pioneering contributions to fantasy literature, the collection encapsulates his distinctive style—a blend of ornate prose, vivid imagery, and philosophical depth. MacDonald intricately intertwines themes of divine love, spiritual growth, and moral complexity across his narratives, providing a rich tapestry that not only entertains but also engages the reader's intellect and soul. The enhanced experience of this illustrated edition serves to further illuminate MacDonald's imaginative world, drawing readers even deeper into his profound insights and enchanting realms. George MacDonald (1824-1905), a Scottish author, poet, and theologian, is considered a precursor to modern fantasy writers such as C.S. Lewis and J.R.R. Tolkien. His writings reflect his deep Christian faith and visionary outlook on life, influenced by personal experiences, including his struggles with health and the tragic loss of loved ones. MacDonald was not only a creator of fictional universes but also an earnest contemplator of faith, love, and the human condition, which resonate powerfully in this comprehensive collection. For readers seeking to explore the depth of compassion and imagination woven through MacDonald's work, this collection is an essential addition to any literary library. It serves as both a nostalgic homage to classical literature and a profound exploration of faith and morality, appealing to both casual readers and scholars alike. Dive into the timeless narratives and reflective essays that continue to inspire and challenge, making this a must-read for those who appreciate the convergence of art and theology.

Gospel-Centered Teaching Trevin Wax, 2013-10-01 For small group leaders and Sunday school facilitators who prefer truth over technique, Gospel-Centered Teaching is refreshing in its simple purpose to remind you of something you already instinctively know: It's Jesus who changes lives, and the goal of your Bible study is to continually reintroduce people to Him. While discussing in depth common related concerns (missional apathy, biblical illiteracy in the church, shallow discussions, etc.), author and teacher Trevin Wax duly offers a practical guide to making sure your message is always surely centered on Jesus and what He has done: Fellow teachers, let's soak ourselves in the truths of the gospel and the Word. Then, let's invite others to the fountain of living water offered freely by our Master Teacher whose life and death changes everything.

Danny Orlis and Jim Morgan's Scholarship and The Davis Triplets' Problem Bernard Palmer, 2024-10-01 Danny Orlis and Jim Morgan's Scholarship Jim Morgan loves baseball, and he is an exceptional pitcher. But he has to make a decision: accept an athletic scholarship and pitch at a major university, or go to Bible school and not pitch. Danny, Kay, Connie, his friends, and his high school baseball coach all have their own ideas about where Jim should go to school. Jim prays and wrestles with the decision. He reasons that he can be a witness for God at a major university and pitch for their baseball team. But what does God want him to do? What would you do? And what did he decide? The Davis Triplets' Problem Summary The triplets, DeeDee, Doug, and Del, are about to head for Texas to live with their deceased mother's sister and her husband, Aunt Carmen and Uncle Clarence. The triplets' parents taught them to love God, and while living with Danny and Kay since their parents passed away, they have learned to always put God first in their lives. When they arrive in Texas, they soon learn that their aunt and uncle have no time for the Lord and are told not to talk about faith. Uncle Clarence gives each of the triplets a horse and an opportunity for a life of fun, adventure, and rewarding hard work, but can these things really take the place of Christ in their lives?

A LUCILLE JONES READER Lucille Jones,

Thru the Bible Vol. 43: The Epistles (Romans 9-16) J. Vernon McGee, 1995-05-03 Radio messages from J. Vernon McGee delighted and enthralled listeners for years with simple, straightforward language and clear understanding of the Scripture. Now enjoy his personable, yet scholarly, style in a 60-volume set of commentaries that takes you from Genesis to Revelation with new understanding and insight. Each volume includes introductory sections, detailed outlines and a thorough, paragraph-by-paragraph discussion of the text. A great choice for pastors - and even better choice for the average Bible reader and student! Very affordable in a size that can go anywhere, it's available as a complete 60-volume series, in Old Testament or New Testament sets, or individually.

To-day, 1895

Ruth Erskine's Cross Pansy Pansy, 2017-07-09 Isabella Macdonald Alden was an American author who wrote under the pseudonym of Pansy. Throughout her life, Isabella Alden combined her writing and her religion. She did much work with Christian periodicals, writing serialized stories for the Herald and Presbyter from about 1870 until 1900; editing The Pansy, a Sunday juvenile, from 1874 to 1896; editing the Primary Quarterly and producing the primary-grade Sunday School lessons for the Westminster Teacher for 20 years; and working on the editorial staff of Trained Motherhood and The Christian Endeavor World. From 1865 to 1929, Alden authored about 100 books. Most of her works are didactic fiction heavily salted with religious principles, which concentrate on translating Biblical precepts into acceptable Christian behavior in a modern world. Several of her books, such as her most popular work Ester Ried, were based on personal experiences; others, such as the Chautauqua Girls series, were motivated by her interest in the Chautauqua movement. She and her niece, Grace

Livingston Hill, even make a brief appearance in the final chapter of the series' last book, *Four Mothers at Chataqua*. Alden's books were enormously popular during the late 19th century; in 1900, sales were estimated at around 100,000 copies annually. Some titles like *Ester Ried*, were translated into several languages, including French, German, Russian, and Japanese.

Teaching about Religions Emile Lester, 2011-05-06 This provocative and timely book challenges Americans to rethink what it means to take democracy and religious freedom seriously in public education. Emile Lester takes the reader beyond culture war conflicts rooted in religious divisions and offers bold, new solutions for addressing our differences with fairness and robust toleration. Instead of battlegrounds, he argues, public schools can and should be places that include all voices in ways that prepare citizens to engage one another with civility and respect. *Teaching about Religions* is essential reading for all who care about the future of public schools---and the health of American democracy. --- Charles C. Haynes, Senior Scholar, Freedom Forum First Amendment Center More than simply a synthesis of existing scholarship, [this book is] an original contribution to the field. [The] major themes are timely, and this book might well contribute to public discussion of important issues in our culture wars. ---Warren Nord, University of North Carolina-Chapel Hill Arriving in the wake of a bitter battle over the place of Islam in America and in the midst of calls for greater understanding and civility, Emile Lester's new book is a timely contribution to the debate about the best ways to teach about religion in our nation's public schools. A pioneering researcher in this field, Lester offers thoughtful critiques of existing proposals as well as fresh ideas. His recommendations reflect painstaking efforts to understand the concerns of groups (most notably, conservative Christians) to which he does not belong, and a firm grasp of the difference between fostering understanding of other faiths and pressing for acceptance of them. Lester's prescriptions, always informed and fair-minded and sometimes provocative, should drive the debate forward in productive ways. ---Melissa Rogers, Director, Center for Religion and Public Affairs at Wake Forest University School of Divinity and Nonresident Senior Fellow, The Brookings Institution Frequent news stories about the debates waged between secularists and religious conservatives have convinced most Americans that public schools must choose between promoting respect for religious minorities and respecting the interests of conservative Christians. As a result, public schools fail to teach students about the meaning and value of protecting religious liberty and consequently perpetuate mistrust across the cultural divide, further empower extremists, and obscure the fact that most Americans of all religious backgrounds share a commitment to basic democratic principles. In response, the public schools in the religiously diverse and divided community of Modesto, California, have introduced a widely acclaimed required world religions course. Drawing on groundbreaking research on the creation of and response to the Modesto course as well as on political philosophy, Emile Lester advocates a civic approach to teaching about religion in public schools that at once emphasizes respect for all views about religion and provides a special recognition of conservative Christian beliefs.

Now Say Wilkins,2012-10-30 The book is my real life story, the true testimony of my relationship with Jesus Christ, I didnt choose Him, but He choose me. The reason for me to write this book is to share the good news about JESUS and my amazing life experience . Jesus is the Truth, the Way, and the Life, He is the healing TREE for the world. I am not talking about religion, but have relationship with Him, in Him I found hope, I found peace, and I found joy. He raised me from my death, I born again with Him, I am now a little child who is living life depending on HIM. I had passed through all the dark valley of death, the trials and tribulations which He had predicted for us in the bible, they had built me stronger, and made me a better person. I hope and pray with this book the way will come and find you, the light from Jesus will shine and make a different to many, whatever come your way dont give up. Jesus is within us, He is my secret code, my ID badge, my password to log in, and to escape from my darkness night. Jesus helped me simplify my life, He makes my day shorter by letting me go through and giving me the great joy.. Jesus Christ and His bible are real and alive. Heaven and hell are real place too,

There and Back George MacDonald,1907

Becoming Brave Brenda Salter McNeil,2020-08-18 Foreword INDIES 2020 Book of the Year Award (BRONZE Winner for Religion) [A] powerful work. . . . Provides a road map for any Christian seeking greater racial justice.--Publishers Weekly Reconciliation is not true reconciliation without justice! Brenda Salter McNeil has come to this conviction as she has led the church in pursuing reconciliation efforts over the past three decades. McNeil calls the church to repair the old reconciliation paradigm by moving beyond individual racism to address systemic injustice, both historical and present. It's time for the church to go beyond individual reconciliation and heart change and to boldly mature in its response to racial division. Looking through the lens of the biblical narrative of Esther, McNeil challenges Christian reconcilers to recognize the particular pain in our world so they can work together to repair what is broken while maintaining a deep hope in God's ongoing work for justice. This book provides education and prophetic inspiration for every person who wants to take reconciliation seriously. Becoming Brave offers a distinctly Christian framework for addressing systemic injustice. It challenges Christians to be everyday activists who become brave enough to break the silence and work with others to dismantle systems of injustice and inequality.

These Are Just Thought-Provoking Possibilities Eddie Harris,2008-03 While reading thought provoking possibilities you will discover all kinds of information. This book will keep you excited never giving you a chance for boredom truly questioning your faith and the work you put into that faith. While reading this book you will become one of those who think outside the box never to be trapped inside the box again. This book will make you think and examine your thoughts with an open yet critical mind. All of your preconceived notions and or prejudices must be abandon by your inquiry of the truth, no more excuses, no more lies. I urge the reader to approach with caution this book and any other book as only a guide and or pointer to that which you seek. Eddie B Harris, father of five children with my loving wife Denise of 18 years. I was baptized

a Baptist at age 5-studied Islam from age 7 to 13 then went to Catholic high school. While there became an Atheist then at 16 I became an Agnostic. I can say I had my share of religions at an early age. It was because of my Martial Arts, philosophy and Zen that kept me balanced.

Reviewing **Dont Know Much About The Bible**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence.
