*Couples of the Bible* Robert and Bobbie Wolgemuth, 2013-04-09 In this scrapbook of your spiritual family tree, you have the faithful patriarchs and matriarchs who make you proud...and the scoundrels who you'd rather not talk about. But all of these ancestors, *Couples of the Bible*, will give you a snapshot of your biblical heritage. Some bring encouragement, others offer a stern warning. Through this 52-week devotional experience, you will be reacquainted with the obstacles and outcomes of familiar couples like Abraham & Sarah...and meet some lesser-known couples like Othniel & Aksah. Each week focuses on one couple of the Bible, from Adam & Eve to Christ & His Bride. You will read their story, learn about their cultural setting and explore how their story can teach you important truths about your own marriage. Each week you will be guided with questions applying biblical truth to your relationship with your spouse. And you'll finish the week with a time of reflection, thanksgiving and prayer. *Couples of the Bible* will teach you how God guided couples in the past and will encourage you to trust in his faithfulness for your marriage.

**The Hebrew Bible: A Translation with Commentary (Vol. Three-Volume Set)** Robert Alter, 2018-12-18 A landmark event: the complete Hebrew Bible in the award-winning translation that delivers the stunning literary power of the original. A masterpiece of deep learning and fine sensibility, Robert Alter's translation of the Hebrew Bible, now complete, reanimates one of the formative works of our culture. Capturing its brilliantly compact poetry and finely wrought, purposeful prose, Alter renews the Old Testament as a source of literary power and spiritual inspiration. From the family frictions of Genesis and King David's flawed humanity to the serene wisdom of Psalms and Job's incendiary questioning of God's ways, these magnificent works of world literature resonate with a startling immediacy. Featuring Alter's generous commentary, which quietly alerts readers to the literary and historical dimensions of the text, this is the definitive edition of the Hebrew Bible.

*Righteous Women of The Bible* Robert L. Wittenberg, 2025-07-27 Ruth and Esther were two ordinary women who lived six hundred years apart and played a decisive role in God's divine plan for all mankind. While inspiring believers that they, too, can live a more righteous life while serving the Lord, Ruth and Esther exemplify what He wishes to see in all humankind—a life of humility, loyalty, compassion, and especially love. Through their example, Ruth and Esther teach us to be humble servants of the Lord, and when we are, He will bless us. In a comprehensive study shared to inspire believers to place their trust in the Lord, Robert Wittenberg explores the lives and experiences of these two influential women. Ruth, a Gentile who converted to Judaism, lived with Jews and married a Jew. Through her lineage, came King David and Christ Jesus. Esther, a Hebrew, lived with Gentiles and married a Gentile that God used to preserve the Jewish nation, protecting the lineage through which Christ Jesus came. Included is a list of twenty other righteous women of the Bible that contains brief descriptions and reference verses. *Righteous Women of the Bible* is a fascinating study of the books of Ruth and Esther, two ordinary women empowered by God to perform the extraordinary.

**Joshua, Judges, Ruth (Understanding the Bible Commentary Series)** J. Gordon Harris, Cheryl A. Brown, Michael S. Moore, 2012-07-01 The authors of this commentary take a canonical-historical approach to the books of Joshua, Judges, and Ruth, three books that are diverse, yet share the common historical context of the tribal settlement of Canaan. They examine Joshua, Judges, and Ruth as narratives with dynamic theological messages about the dynamic relationship between God's people and the powerful God who gives land and provides deliverers for the people.

**The Bible's Story of Salvation** Bill Stahl, 2008-11 This easy to read book, which covers the Bible from Genesis through Second Chronicles, is the work of one who has devoted years to the study of the Bible. The first of three volumes, it tells the early Bible stories in simple, uncomplicated language. It incorporates the contributions from the Bible scholars, plus the historians, archaeologists, and scientists. Its purpose is to present the ancient people of the Bible as accurately as possible. Now the twenty first century reader can relate to the people of the Bible, and even empathize with them. Finally, this book offers the essential teachings, their value to us, and their place in the overall scope of the Bible. God's gradual revelation of the means to salvation, and thus the religious progress of mankind, are unfolded through the truths taught in the Bible. This book attempts to present those truths in simple, understandable language. The book begins with a concise overview of the entire Bible which describes its contents, its authors, the timeframe over which it was written, and how it has come down to us. The book ends with the devastation of Israel, and that event's affect upon the coming of God's Son, the Messiah.

Jesus is also going to give us a new name in heaven. Discover by what name he wants to call you. **Polyamory and Reading the Book of Ruth** Deborah Kahn-Harris, 2023-11-02 Polyamory and Reading the Book of Ruth is based on a simple premise- what if the Book of Ruth isn't a love story in the vein of modern rom coms, but a different sort of love story? Many people are conditioned to read romance stories as resolving into happily married, dyadic couplings, most often heterosexual. But what if that's not how to read the Book of Ruth? This book identifies a polyamorous hermeneutic and explores how it might be helpful in interpreting the Book of Ruth. Drawing on developments in both feminist and queer biblical studies, Deborah Kahn-Harris offers a close textual reading that focuses in on a triadic basis for examining the relationships in the Book of Ruth. The book closes with a contemporary 'targumic' reimagining of the Book of Ruth that defines more clearly this polyamorous reading.

**The Bible as Theatre** Shimon Levy, 2001-01-01 A discussion of the Bible's resemblance to theatre, with the author arguing that the fear the ancient Hebrews felt for theatre was based on its highly creative potential as a rival Creator, not its gaudy aspects. God, in theatrical terms, is The Great Offstage Being.
