The Hidden Secret of Quotes Mwanandeke Kindembo, 2020-11-14 The author has presented us with the book of quotes. The book is composed of 222 quotes. All of them are his own quotes that he has been writing for the past years, even before he published his first book in 2019. The book is therefore, filled with concrete ideas of achieving freedom, equality, brotherhood and finding peace in life. Apart from that, the reader will be met with some quotes on politics, philosophy, love, motivation, success, science, attraction and even religious ones. Showing how the author is not limiting himself when it comes on learning new concepts. His humanity side can be easily seen in the very opening quote: "People are beautifully made just like flowers in the garden!" Furthermore, this book will act as a summary of his previous works, and there are some useful quotes that cannot be found in his published books. They are meant to inspire and motivate the reader. That is why he decided to include them too.

The Passion Belief Method Megan Tull, 2015-08-21 Stop coasting on autopilot—with this five-step method filled with "simple yet effective life changing principles" (John Gray, PhD). Dolly Parton once said, "Find out who you are and do it on purpose." Many people today have no passionate connection to the routine work they do day in and day out. The good news is that it doesn't have to be this way. In *The Passion Belief Method*, entrepreneur success strategist and in-demand life and business coach and speaker Megan Tull offers practical exercises and methods to help you find your gifts and turn them into work you can be truly passionate about. Megan, who became a single mother after being widowed at an early age, used her passion for raising her young son as the starting point for creating a business that allowed her to stay closer to home but to also triple her income in the first year. Now Megan leans on her experiences to teach you her 5-Step Passion Belief Method. Filled with true stories from Megan's many clients and inspiring quotes from other high achievers, speakers, and writers, *The Passion Belief Method* will teach you how to unlock your inner gifts, overcome your fears, and visualize what you want and who you'll be when you have it—then bring that into being.

How to Close a Deal Like Warren Buffett: Lessons from the World's Greatest Dealmaker Tom Searcy, Henry DeVries, 2012-11-02 Silver Winner--Tops Sales World's Best Sales and Marketing Book Revealed: the winning blueprint for making deals like The Oracle of Omaha Warren Buffett didn't become the world's third wealthiest individual on his investing instincts alone. Buffett is a master dealmaker. In fact, one of his greatest single successes came when he closed multiple deals to own 100 percent of the Government Employees Insurance Company--also known as GEICO. Highly successful dealmakers themselves, Tom Searcy and Henry DeVries have been studying Buffett's unique approach for many years. Now, they reveal the secrets of the Oracle of Omaha. How to Close a Deal Like Warren Buffett gives you the 101 top deal-making maxims of a legend in his own time. Here's just a small sampling of what's inside: Warren Way #22: Choose quality. It's better to own a portion of the Hope diamond than 100 percent of a rhinestone. Warren Way #41: Deal making is a no-called-strike game. You don't have to swing at everything--you can wait for your pitch. Warren Way #75. Think long term. Our favorite holding period is forever. Warren Way #92. Don't do deals just to do deals. We don't get paid for activity, just for being right. Warren Way #98. Think for yourself. My idea of a group decision is to look in the mirror. Warren Way #99. Be honest in your deal making. It takes 20 years to build a reputation and five minutes to ruin it. Searcy and DeVries round it all out with an abundance of their own expertise--approaches that, added up, have generated billions of dollars in new sales. Take the advice in this hands-on guide and learn How to Close a Deal Like Warren Buffett. How to Close a Deal Like Warren Buffett reveals the method behind Buffett's near-mythic deal-making prowess. Guaranteed to help you come out on the right side of every deal! Tom Searcy and Henry DeVries have done a masterful job of distilling Buffett's wisdom into a highly readable book you'll want to refer to again and again. A must-have for dealmakers! -- Ken Blanchard, coauthor of The One Minute Manager and Leading at a Higher Level Almost anybody interested in deal making will find something of interest here. Simply the most important new book on deal making and big account sales strategy. -- Marshall Goldsmith, author of the New York Times bestsellers MOJO and What Got You Here Won't Get You There Read this inspiring, advice-filled book to discover how you can leverage Warren Buffett's deal-making strategies to negotiate and win big contracts. -- Jill Konrath, author of SNAP Selling and Selling to Big Companies This book is Dale Carnegie reconfigured for the business world. -- Thomas Barnett, contributing editor at Esquire and author of Great Powers: America and the World After Bush This is the first book we've read that truly explains how Buffett thinks and how his lessons can be applied to your business. -- Neil Senturia and Barbara Bry, serial entrepreneurs and entrepreneurship columnists for U-T San Diego

More Straight Talk on Investing John J. Brennan, John Woerth, 2021-04-23 A practical and pithy guide to investing to help everyday investors achieve their long-term goals The 21st century has been beset with three financial market shocks in its first 20 years, the bursting of the Tech Bubble in 2000-2002; the Global Financial Crisis of 2008-09; and 2020 COVID-19 crash. Given this backdrop, it is no wonder that investing can appear to be so daunting to individual investors. As Chairman and CEO of Vanguard, one of the largest and most respected investment management companies in the world, Jack Brennan has spent his career helping people invest their money. In the newly updated *More Straight Talk on Investing*, he shares with you the lessons he has learned over his over four decades at Vanguard from a variety of market participants—from Main Street investors and 401(k) plan holders to veteran portfolio managers at the helm of Vanguard funds and sophisticated investment professionals overseeing top endowments and foundations. This a comprehensive, but approachable book will help you develop the knowledge, confidence, and discipline to navigate the financial markets and attain investment success over the long term. While the financial planning and investing principles covered are timeless, a considerable amount has changed in the nearly 20 years since the first edition, including new products and services, lower costs, and ever-evolving regulation and legislation. An entire generation of investors has come of age over the past two decades and could benefit from understanding that sound and sensible investing is an effective way to achieve financial security. This book will assist your manage your “serious” money—the dollars that you set aside for long-term goals, such as retirement or the education of

your children. The book also emphasizes the concept of thinking of yourself as a “financial entrepreneur”—managing your financial life like owner manages a business. In a straightforward, plain talk manner, the book demonstrates how to: Build a balanced, diversified portfolio that meets your needs and goals Evaluate mutual funds and ETFs with a discerning eye Adhere to a long-term, disciplined approach to investing Control your emotions and tune out the incessant “noise” in the media Understand the risks and rewards of financial markets Develop a prudent plan and investment policy statement to guide your path forward Avoid the pitfalls and mistakes that can derail your investment program With wit and wisdom, Brennan relays anecdotes and observations that demonstrate the enduring investment precepts that will serve as a guide to novice investors and as a practical refresher for seasoned investors. He has also added three new chapters focusing on evaluating advice options, garnering lessons from endowments, and dealing with the challenges of a low interest rate environment.

Work and Achievement Ethan Patel,AI,2025-02-12 Work and Achievement explores the core relationship between strategic work and real-world success. It examines how intentional goal-setting, effective planning, and sustained commitment converge to drive achievement. The book argues that success isn’t just about talent or luck, but about making deliberate choices and consistently applying effective strategies, empowering readers to take control and actively shape their outcomes. The book is structured to provide a practical roadmap, beginning with the fundamental principles of intentionality, strategic execution, and sustained commitment. It then delves into planning, perseverance, and adaptation, supporting its claims with case studies and empirical data. By emphasizing the practical application of research-backed principles, Work and Achievement provides a structured framework for translating intention into results, setting it apart from purely motivational books. The book progresses logically, synthesizing key elements into a cohesive framework for achievement across various domains, from business to personal development. Readers will gain actionable insights to enhance productivity, refine goal-setting, and foster a culture of achievement, making this a valuable resource for personal and professional growth.

Uncommon Sense Michael Kemp, 2016-01-26 Question everything – and become a better investor in the process *Uncommon Sense* takes readers on a four-century journey; from the dawn of public share ownership (in 1602) right up to today. But this is not simply a history book. It's a book for serious investors. Along the way it reveals the fascinating stories, the market characters and the important financial developments that have sculpted the thinking behind the value investor's craft. Blended throughout the narrative Kemp delivers an array of interesting anecdotes and rock solid logic regarding what works when investing in the stock market, what doesn't, and why. Early in the 20th Century, Charles Dow remarked of Wall Street Operators that 'the more they actually know, the less confident they become.' Continuing in the tradition of that simple, elegant statement, this enlightening and entertaining book will have you thinking, acting and succeeding on your own in your investment endeavours. Learn to question conventional wisdom at every turn and develop a healthy skepticism as you plan your own investment strategies Develop a rich understanding of the stock valuation process Discover the methods that have been used by successful investors from the dawn of the modern stock market (in 1602) right up to today Learn how to interact simply and successfully with markets that are vastly complex and largely inexplicable *Uncommon Sense* will have you questioning and doubting much that's stated about stock market investing, then developing your own winning strategy based on reason and understanding.
