**God's Guidance** Ray Clubb, 2011-05-09 According to a recent study, less than 10% of Christians make major life decisions using the Bible and prayer! One reason for that appalling statistic is that though the Bible promises that God guides His people, it does not, in one single place, tell how. Consequently, many of God's people do not know how to get God's guidance. In *God's Guidance, How It Works; How to Get It*, the author pulls pictures and principles from one end of the Word of God to the other in order to set down a clear and simple explanation of how God's guidance works and how to get it. This book is Biblical, simple, and amply illustrated with stories both from the Bible and from those who seek to follow the Bible. If you want to learn how to get God's guidance, then you have come to the right book.

The Rhetorical Functions of Scriptural Quotations in Romans Katja Kujanpää, 2018-10-02 Quotations from Jewish scriptures play a crucial role in the Letter to the Romans. The Rhetorical Functions of Scriptural Quotations in Romans explores their rhetorical functions in Paul's argumentation. It offers a careful text-critical analysis of the 51 quotations in Romans, and asks questions such as: does Paul quote accurately according to a wording known to him or does he adapt it himself? Moreover, to what extent does Paul strive to preserve the sense that the quoted words have in their original context? Katja Kujanpää's approach of combining rhetorical matters with close textual study results in a more comprehensive picture of quotations in Romans than has been previously seen. Thus, the book opens new perspectives on Paul's argumentation, rhetoric and theological agenda.

*God's World. No String Puppets* Jane Lee-Barker, 2022-11-17 We live in a world facing many crises, pandemics, climate and environmental challenges, human rights abuses, and threats of totalitarian regimes. Romano Guardini (1885-1968), a major influencer of Pope Benedict XVI and Pope Francis, worked through one of the most difficult periods of German history--the first half of the twentieth century. What does he have to say to these challenges, and how is his notion of providence relevant today? Jane Lee-Barker shows how Guardini's insight and deep thought on God's providence weave their way through his work, enabling the reader to fully appreciate God's world. In relationship with God, the human person is invited to participate in responsible care for the world while responding to their own vocational call from the God who sustains him or her.

**God Calling** Jeffrey J. Kilmartin, 2020-07-08 God Calling provides groundbreaking and provocative insights into how God works in the world through the gift of his Holy Spirit. In the NT we do not find the saints praying and constantly asking God

what to do; instead, the Spirit continuously leads and guides, giving Spiritual Direction for People in the Real World--people just like you! Looking at the biblical record as a whole, God Calling delivers a paradigm shift for our understanding the indwelling Spirit's impact on Christians' decision-making, prayer life, spiritual practices, and knowing God's will. Bringing spiritual warfare down to the real world, God Calling helps us correct some of our hyper-spiritual practices, while giving clear spiritual direction to enable followers of Jesus living in the real world to be wise, mature, and Christ-like, and for his church to be robust, proactive, and confident.

McCullough, 2012-12-06 As the field of bioethics has matured, increasing attention is being paid to how bioethical issues are treated in different moral and religious traditions and in different regions of the world. It is often difficult, however, to obtain accurate information about these matters. The Bioethics Yearbook series provides interested parties with analyses of how such issues as new reproductive techniques, abortion, maternal-fetal conflicts, care of seriously ill newborns, consent, confidentiality, equitable access, cost-containment, withholding and withdrawing treatment, active euthanasia, the definition of death, and organ transplantation are being discussed in different religious traditions and regions. Volume Three discusses theological developments from 1990--1992 in Anglican, Baptist, Buddhist, Catholic, Continental Protestant, Eastern Orthodox, Hindu, Jewish, Latter-Day Saint, Lutheran, Methodist, Muslim, and Presbyterian traditions. Volume Four will continue coverage of official governmental and medical society policies on these topics throughout the world.

**God, Who Are You Anyway?** Bill Bright, Brad Bright, 2019-03-05 We can trace all our human problems to our view of God. In one of his greatest contributions to the Body of Christ, Bill Bright addresses questions that Christians of all paths ask. These questions include: Do your experiences shape how you see God? or Does your view of God shape how you see your experiences? Do you experience daily the joy and peace Jesus promised all his followers? or Are you stuck on an emotional rollercoaster driven by today's events?" God, Who Are You Anyway teaches Christians how to deepen their view of God. Readers learn to see problems as opportunities to see God work.
