God as Love Johannes M. Oravec, 2014-04-19 Nineteenth- and twentieth-century Russian religious intellectuals devoted a great deal of attention to the concept of agape, or Divine Love, arguing that the Christian church is a reflection of the triune, self-sacrificing God and his love for all of creation. On account of their deliberations, these intellectuals played a key role in mediating between the Orthodox Church and modern society. Their quest for dialogue between the 'mystery of the sacred' and the 'ordinary of everyday life' remains relevant for Western societies today. In *God as Love* Johannes Oravec presents a comprehensive summation of twenty-five prominent Russian religious thinkers and their thought on the concept of agape, showing in detail how they broke new ground in their various affirmations of the truth that God is love. No other book in any language treats this topic with such breadth and depth.

The Saints Show Us Christ Rawley Myers, 2010-12-10 The popular spiritual writer Fr. Rawley Myers presents daily readings on the spiritual life according to the saints. Combining both the thoughts and writings of the saints along with interesting biographical facts and events in the saints lives, Father Myers allows the saints to instruct us on how to be like Christ. As Christ's closest friends, the saints knew Him best. They have the wisdom of Heaven, and are our tried and true guides to Heaven, for the saints take us to the feet of Christ. The saints in this book not only inform us about Christ, but they introduce us to Christ, whom they loved so much. To know Jesus is the heart of our faith. No one knew Him better than the saints. Rawley Myers has provided us with a way to encounter a saint every day. In a couple of paragraphs or in twenty-five lines, we meet Augustine or John of the Cross, Gertrude or Vincent de Paul. Saints clarify and instruct. Father Myers gives us something ultimate to think about each day as it is reflected in the life of a Dominic or a Catherine Labouré. -Fr. James Schall, S.J., Georgetown University Fr. Rawley Myers, a regular contributor to several national Catholic publications, is the author of sixteen books including Daily Readings in Catholic Classics.

And in Our Hearts Take Up Thy Rest Michael Eades, 2019-07-15 In his seminary classes and his writings, Frederick Crowe, SJ (1915-2012) sought to understand anew the eternal identity of the Holy Spirit and the Spirit's role in the Church's life. Despite Crowe's fame as a professor of Trinitarian theology and his groundbreaking work on Thomas Aquinas's doctrine of complacent love as an analogy for the Holy Spirit's eternal procession, no book has ever been published on this influential Canadian Jesuit, who established centres around the world dedicated to studying the theological writings of Bernard Lonergan, SJ (1904-84). Drawing on Crowe's published works and archival materials, Eades emphasizes how Crowe's Trinitarian pneumatology creatively extended Lonergan's theology of the Holy Spirit. Making use of Crowe's own historical methodology, Eades looks for the emergence of new and significant questions about the Holy Spirit in Crowe's works.

The God Who Hears James Merritt, 2024-03-05 Praying for God's Power in Your Times of Need Life's storms serve as

sharp reminders of our profound need for God's strength. But how do we pray when the trials we face bring us to our knees? And how do we cry out to God when we don't know how to put our heart's trouble into words? From author and pastor James Merritt, *The God Who Hears* is a 40-day journey designed to help you seek the Lord in every circumstance. Guiding you through the apostle Paul's prayers from prison, Dr. Merritt illuminates how these petitions and praises provide a model for communicating with God today, enabling you to draw nearer to him as you trust his perfect ability to meet your every need. No matter the challenges you face, *The God Who Hears* is an inspiring reminder of the power and privilege the Lord has given us through prayer. Rooted in Scripture, this encouraging devotional provides insightful teaching and practical takeaways, equipping you to pray through hardship with clarity and confidence.

Even the Devil Quotes Scripture Robyn J. Whitaker, 2023-05-11 "We are meant to take the Bible seriously, not literally." —from the Introduction In *Even the Devil Quotes Scripture*, Robyn J. Whitaker looks to the Bible as a guide to interpreting the Bible, and her findings breathe new life into our understanding and use of Scripture. As it turns out, the uses of Scripture within Scripture are flexible, open to frequent reinterpretation, and rarely literal. For instance, Ezra and Nehemiah reinterpret laws about whether Jews can marry foreigners in the wake of the Babylonian exile. Their contradiction of earlier traditions found in Deuteronomic law do not invalidate Scripture but rather represent its diverse applications for the prophets' specific situations. In the Gospel of Matthew, Jesus presents a more demanding interpretation of Mosaic law in the Sermon on the Mount, while in Mark's Gospel he all but ignores its prohibition of working on the Sabbath. Yet the common ethos of the two gospels prioritizes compassion over legalism. Ultimately, Whitaker ascertains one definitive characteristic of inner-biblical interpretation: love. After all, the Old Testament passage most frequently quoted in the New Testament is Leviticus 19:18: "Love thy neighbor." Thus, Whitaker proposes a hermeneutic of love—a litmus test for the validity of a scriptural interpretation measured in charity. Ideal for any devoted reader of the Bible, *Even the Devil Quotes Scripture* opens our eyes to the Bible as a living, loving gift of God's unfolding revelation.

God's Love Deal With Us Dr. Meyer J van Rensburg, 2024-10-15 Our history, mythologies, and even popular entertainment are filled with stories upholding the concept of sacred vows and covenants-between warriors, rulers and subjects, friends, and allies. Take, for example, King Arthur's Knights of the Round Table or the Three Musketeers. However, the concept of blood brothers and sworn oaths is not a product of Western Civilization as we might suspect; the history of covenants goes back to the days before Christ. So where did it originate? And how did it develop? Here Dr. Meyer van Rensburg seeks to answer these questions while also addressing the significance of covenant in the Christian's life today. *Covenant: God's Love-deal with us* provides a vast survey of the meaning behind such vows and the far-reaching history of these bonds. Largely setting his foundation in Scriptural references to what makes a covenant and the many examples of Biblical covenants, Dr. van Rensburg emphasizes the ritual of the nine required steps to a covenant and their meanings then

and now (consider the elements of a typical wedding ceremony) to see how adherence to these covenant steps continues today. Furthermore, the many covenants God made with man throughout early history (with Adam, Noah, Abraham, David, Moses, and especially Jesus) continue to touch Christians' lives: these are dealt with in detail by the author. However, he also goes beyond these Scriptural models and the covenants between God and man to explore the history of covenants between men throughout the world, and particularly the existence of covenants in Africa and their role in the history of the continent, past and present. Through this wealth of examples and attention to ritual, Dr. van Rensburg reveals a path to agape love and peace if only one adopts the principles of the covenant. Dr. Meyer's books can be seen on Amazon and his oil paintings on UK craft fairs.

Love Letters to God Devon Spencer, Katherine Willis Pershey, 2025-07-29 Love Letters to God is an intensely personal and deeply theological book of epistles between two dear friends. The authors hail from different backgrounds in faith, family, and life circumstances but find common ground in their devotion to Christ, Christianity, and each other. The letters chronicle a year in the life of this friendship, marked by fervent faith and bouts of unbelief; suffering and rejoicing; death, loss, and baptism; and the sanctification of a friendship. The tone is at once literary and personal, peppered as much with theological references as unrefined vulnerability, and speaks to all who cherish their faith and their friends.

Love Walked among Us Paul E. Miller, 2014-02-12 Who Is Jesus? His name is recognized the world over. But how many of us fully understand what He was like as a person? Honest, powerful, humble, full of mercy and light—Jesus was love personified, the full potential of what we were intended to be. Get to know Jesus and witness His love unfold in the Gospels in a new and insightful way. In this encouraging and convicting look at Jesus' life on earth, Paul Miller investigates the answers to questions such as: How do you love someone when you get no love in return? How do you love without being trapped or used? How do you love when you have your own baggage? When do you take care of yourself? How do you love with both compassion and honesty? The Gospel accounts, combined with Miller's own life stories, will uplift your spirit, give you a new perspective, and encourage you to love like Jesus. "For a glimpse of our great Savior, open this book! You'll be glad you did. I was!" —Max Lucado, bestselling author "To see Jesus is to see what love looks like. Paul Miller gives us a fresh look in this wonderful book." —Joni Eareckson Tada "If Jesus or Jesus' saving grace is just an abstraction to you, Paul Miller will be a

great help in making His love a living reality to your heart.” —Timothy Keller, pastor “Love Walked among Us is authentic ‘shoe leather’ Christianity. Anyone who wants to grow in his or her relationship with God and other people will profit from this book.” —Jerry Bridges, author and speaker

THE CHRISTIAN DOCTRINE OF SALVATION GEORGE BARKER STEVENS,1917

A Commentary on the Holy Scriptures Johann Peter Lange,1870

Friendship: Interpreting Christian Love Liz Carmichael,2004-10-01 The love of friendship has, at the least, established its place as a necessary model of love in Christian tradition. This study shows the deep roots it has in Christian thought, among both ancient and modern writers, and is intended to facilitate further reflection on and exploration of its creative potential now and for the future.

Logical Quotes and Spiritual Sayings Dr. James J. Krieger D.D.,2015-04-27 To gain knowledge and reference you must study. The first guidebook provides logical quotes and spiritual sayings. The second guidebook covers angelology and Christology, while the third book addresses the age-old question: who is this Jesus?

Faith in God Through Jesus Christ John Farrelly,1997 In short, readable essays, this book looks at what ecumenical dialogue can teach us about the papacy, teaching authority, feminism, dissent, infallibility, grace, ordination, the nature of unity, and the future of the Church. But mutual criticism also follows from an exchange of gifts, and this book includes reflection on where reform of the Church is needed.

A Commentary on the Holy Scriptures: Critical, Doctrinal, and Homiletical Johann Peter Lange,1869

By Gospel Alone David Menendez,2018-09-18 The present work pursues an apologetic plea on behalf of the gospel. It would seem to many that the gospel is doing just fine, and we need to concentrate on other very pressing and important issues such as missions, evangelism, social justice, moral transformation, and change, just to name a few. But it will be our argument that no matter how good it may be with the gospel, and how many other pressing issues may exist, the church must continually articulate the gospel as the ever-pressing need of the day. And, by gospel we mean the doctrine of Christ's perfect God-pleasing life as empowered by the Spirit under the law, in order to be the Father's incarnate Lamb of God who takes away sin by his atoning reconciling death, for the justification of sinners by faith alone without their works, merits, or obedience before God. It is the doctrine of faith, grace, and Christ alone in order to be thus received and embraced by the lavish, abundant, and unconditional loving mercy of the triune God. Furthermore, we want to show that the Gospel provides a very practical framework to live in communion with God and with one another. It is indispensable for living, and for living such a life as it is daily delivered by God unto us sinners in the communication and apprehension of the Gospel as undeserved and unconditional, yet efficacious and transforming gift.

Embracing the Love God Wants You to Have Taffi Dollar,2014-06-24 In this loving, insightful guide that captures the

spirit of T. D. Jakes, Taffi Dollar, renowned pastor of the World Changers Church International, speaker, and author, teaches every woman how to bolster her most pivotal relationship: The one she has with herself. Pastor Taffi Dollar invites us into an intimate conversation as a pastor, wife, mother, sister, and friend, exploring the topic that's closest to the hearts of every woman: relationships. So much of a woman's happiness hinges upon the quality of her bonds with others. But many women struggle in striking that all-important balance between giving and receiving love. In their determination to give to others, women often ignore their own need for self-sustenance. Neglecting their own foundation leaves them ill prepared to be in healthy, loving relationships with spouses, children, families, communities, and even God, Taffi reveals. With wry humor and clear-eyed insights, Taffi introduces women to timeless values and applies them in ways that are real and relevant. She offers words to live and love by, and a path towards healthy relationships that enhance rather than deplete us. Interweaving anecdotes and the personal stories and experiences of people she meets each day, she shows women how to reconnect with themselves and find the fulfillment they seek.
