You will be surprised and enlightened to learn the real truth about the men and women that navigate their 18 wheelers 24/7 throughout the United States. The author, a truck driver herself, shares her personal firsthand experience. The hard life she endured, and the unexpected events that took place while driving the interstate will amaze you! She leaves no stone unturned painting a clear picture of what thousands of truckers have to deal with on a daily basis. It's not just the traffic or the load they're hauling, such things like stress: family problems, prostitutes, chiselers, and personal health are all part of the trucking world.
