**All for the Love of Cats** Harold Sims, 2023-02-14 All for the Love of Cats is a collection of stories, poems and interesting facts about America's most popular pet the house cat. It was written in the 87th year of my life. I am a retired person who never really retired. My life began in April of the year 1935. A time when America suffered from a great depression. I was born in Mount Vernon, New York into a family that was poor. My mother and father married very soon after graduating from high school with no skills to qualify them for good jobs. So, my father made a meager salary and my mother stayed home with me. His jobs came and went. Before I was five, we moved from Mount Vernon to Cos Cob Connecticut to Riverside, to Roatan, to Old Greenwich. I spent the war years there and at my age ten we moved to a small town in upstate New York named Sempronius where we ran a chicken farm. It was there that I met my first cat and I have loved cats ever since. I left there in 1953, tried a semester of college, flunked out and joined the Navy in Key West, Florida and I didn't have contact with another cat until I married my wife Kay in 1962 and we bought a copper-eyed Persian cat named Buzzy. Buzzy lived with us for nineteen years and after he died, we didn't have another cat until the nineteen eighties when a white short-hair cat named Marco Polo came to our summer home in Cashiers, North Carolina. Marco soon had a small Maine Coon female for a friend and soon the stray started coming to our door and by the time we retired in 1993 we had anywhere from six to ten cats sharing our home. But it wasn't until 1995 when we moved from Clearwater, Florida to Cashiers, North Carolina and found that that town and all the other towns around us had a serious problem with stray and abandoned cats and we began helping to save as many of them as we could and any other plans we had for our retirement were gone with the wind and we spent all of our years of retirement operating a no-kill shelter and adoption center and we worked harder than I did a college professor and Kay as a school social worker harder than we had ever worked before. When you operate a cat shelter you don't work

nine to five, you work seven-twenty-four- three sixty-five because cats work those same hours and they may need assistance at any time of the day or night. This book tells the story of our life since we though we retired in 1993. All the stories are true, I wrote the poems and put together the facts about cats and how they became pets and companions that enriched our lives. The idea for a cat museum had been in our minds since we learned that there were none in America and we began buying items for a museum. But it wasn't until 2017 that we were able to open a small cat museum in one room of a local antique mall and we learned that cat people did, indeed, want to visit a cat museum and people from all over the world have come to visit. I hope I live forever, but my wife died at age 87 so it is unlikely I will live forever and when I do I hope all the people who love cats will come together and help the museum live on after me with donations to the cause. Information of how you can help can be found on the last few pages on this book. Please buy a copy, learn more about your cats and help the museum to live on into the future to educate and entertain cat lovers in the near and far future.

**Ragtime** Dave Jasen, 2020-08-13 *Ragtime: An Encyclopedia, Discography, and Sheetography* is the definitive reference work for this important popular form of music that flourished from the 1890s through the 1920s, and was one of the key predecessors of jazz. It collects for the first time entries on all the important composers and performers, and descriptions of their works; a complete listing of all known published ragtime compositions, even those self-published and known only in single copies; and a complete discography from the cylinder era to today. It also represents the culmination of a lifetime's research for its author, considered to be the foremost scholar of ragtime and early twentieth-century popular music. Rare photographs accompany most entries, taken from the original sheets, newspapers, and other archival sources.

Journey to the Aisle Carmen Treviño Moreno, 2010-05-10 *Journey to the Aisle* shares a life experience growing up in the barrio in south Texas where Spanish and Mexican cultural influences and traditions, being the norm, presented obstacles and conflicts while experiencing immersion into educational environments. Practicing Catholicism was the core of daily existence in the lives of families. Growing up in a family with ten siblings, the author shares stories about learning how to survive daily in a male-dominant Spanish-speaking home environment where gender roles were defined through unwritten rules. Attending an Irish Catholic School in the barrio and ultimately a public school system led to a journey of reflective questioning of cultural expectations. She relates personal struggles and conflicts encountered as she journeys through the process of deciding to make a commitment to marrying.

*Black Like You* John Strausbaugh, 2007-08-16 A refreshingly clearheaded and taboo-breaking look at race relations reveals that American culture is neither Black nor White nor Other, but a mix-a mongrel. *Black Like You* is an erudite and entertaining exploration of race relations in American popular culture. Particularly compelling is Strausbaugh's eagerness to tackle blackface-a strange, often scandalous, and now taboo entertainment. Although blackface performance came to be denounced as purely racist mockery, and shamefacedly erased from most modern accounts of American cultural history, *Black Like You* shows that the impact of blackface on American culture was deep and long-lasting. Its influence can be seen in rock and hiphop; in vaudeville, Broadway, and gay drag performances; in Mark Twain and gangsta lit; in the earliest filmstrips and the 2004 movie *White Chicks*; on radio and television; in advertising and product marketing; and even in the way Americans speak. Strausbaugh enlivens themes that are rarely discussed in public, let alone with such candor and vision: - American culture neither conforms to knee-jerk racism nor to knee-jerk political correctness. It is neither Black nor White nor Other, but a mix-a mongrel. - No history is best forgotten, however uncomfortable it may be to remember. The power of blackface to engender mortification and rage in Americans to this day is reason enough to examine what it tells us about our culture and ourselves. - Blackface is still alive. Its impact and descendants-including Black performers in whiteface-can be seen all around us today.

**The Oxford Handbook of Western Music and Philosophy** Tomás McAuley, Nanette Nielsen, Jerrold Levinson, Ariana Phillips-Hutton, 2020-12-04 Whether regarded as a perplexing object, a morally captivating force, an ineffable entity beyond language, or an inescapably embodied human practice, music has captured philosophically inclined minds since time immemorial. In turn, musicians of all stripes have called on philosophy as a source of inspiration and encouragement, and scholars of music through the ages have turned to philosophy for insight into music and into the worlds that sustain it. In this Handbook, contributors build on this legacy to conceptualize the rich interactions of Western music and philosophy as a series of meeting points between two vital spheres of human activity. They draw together key debates at the intersection of music studies and philosophy, offering a field-defining overview while also forging new paths. Chapters cover a wide range of musics and philosophies, including concert, popular, jazz, and electronic musics, and both analytic and continental philosophy.

**The Complete Lyrics of Irving Berlin** Robert Kimball, Linda Emmet, 2005-12 (Applause Books). Gathered together in

one volume for the first time, here are all of the incomparable song lyrics of Irving Berlin the lyrics of more than 1,200 songs, 400 of which have never before appeared in print along with anecdotal, historical, and musicological commentary and dozens of photographs. Berlin came from a poor immigrant family and began his career as a singing waiter, but by the time he was nineteen he was publishing his songs and quickly found fame with Alexander's Ragtime Band in 1911. In the extraordinary six decades that followed, Berlin wrote one popular hit after another: Blue Skies \* Always \* Cheek to Cheek \* White Christmas \* God Bless America \* There's No Business Like Show Business \* and many more. He also wrote a number of the classics of musical theater's Golden Age, climaxing with Annie Get Your Gun . He penned three Astaire and Rogers films Top Hat, Carefree , and Follow the Fleet as well as the scores of Holiday Inn, Easter Parade , and other films. The breadth of his accomplishment is staggering.
