You Mishri Parekh,2022-01-18 YOU is a definite marker for who you are and what you can be. As humans, we have built this tendency to blame our failures on destiny or the people around us. This surely stops us from unleashing our immense capabilities. YOU is a guide that helps you take your own responsibility, no matter what. It places an unimaginable emphasis on how to remove your self-limitations to be a better version of yourself. Ignorance, dependency or the attitude of blaming might save you momentarily, but it will not serve your purpose. Confronting yourself with factual truths each day is the only key to success. Everything else is utterly a lifelong embarrassment. YOU helps you make the paradigm shift from a 'self-limiting' You to a 'mentally, emotionally and physically advanced' You.

Hello, My Name Is Resilient Jessica Sage,2018-09-24 In this world, all human beings face troubles. That is a guarantee from Jesus. Author Jessica Sage is no exception. But fortunately, Jesus does not leave us alone to deal with life's challenges. God walks with us, delivers us, and brings us through the other side of our struggles, stronger than before. In Hello, My Name Is Resilient, Sage shares her story. It speaks of a young woman coping with her parents' divorce as she begins a new life by seeking Jesus Christ first. Sometimes caught between the world around her and her church and family, she shares a chronicle of her journey through the good times and the bad. A memoir and spiritual guidebook, Hello My Name Is Resilient, addresses a host a topics through the lens of the Bible, including divorce, suicide, prayer, media, travel, the future, and one's calling. Sage's stories show how heeding the call of Christ led her to a sense of purpose she could not have found elsewhere.
