Prequels, Coquels and Sequels in Contemporary Anglophone Fiction Armelle Parey, 2018-09-03 This book offers to delineate a key phenomenon in contemporary Anglophone fiction: novel expansion, when the plot and characters from a finished novel are retrieved to be developed in new adventures set before, after or during the narrative time of the source-text. If autographic and allographic sequels are almost as old as literature, prequels – that imagine the anteriority of a narrative – and coquels – that develop secondary characters in the same story time as the source-text – are more recent. The overall trend for novel expansion spread in the mid-1980s and 1990s and has since shown no sign of abating. This volume is organised following three types of relationships to the source-texts even if these occasionally combine to produce a more complex structure. This book comprises 11 essays, preceded by an introduction, that examine narrative strategies, aesthetic, ethical and political tendencies underlying these novel expansions. Following the overview provided in the introduction, the reader will find case studies of prequels, coquels and sequels before a final chapter that encompasses them all and more.

Hannah Wells might be confident, but she's carting around a full set of baggage when it comes to sex and seduction. If she wants to get her crush's attention, she'll have to step out of her comfort zone...even if it means tutoring the annoying, childish, cocky captain of the hockey team, Garrett Graham, in exchange for a public pretend date. But when one unexpected kiss leads to the wildest sex of their lives, it doesn't take long for Garrett to realize that pretend isn't going to cut it. The Mistake For college hockey star John Logan, life is a parade of parties and hook-ups, but behind his killer grins hides growing despair about the dead-end road he'll be forced to walk after graduation. Four couples. Three years of real life after graduation... A wedding. A proposal. An elopement. And a surprise pregnancy. Can you guess which Off Campus couple is which?
