God's Blueprint of the Holy Bible Vol. 2 Felix Wantang, 2023-03-08 Life is about the choices we make; it explains why God made salvation a choice. "For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life." John 3:16. The choices we make in life, define who we are, shapes our path, and leads to our ultimate destination in life. Have you ever looked in the mirror and asked yourself these three simple questions: 1. What are the choices that govern my life? 2. Am I on the right path? 3. What is my final destination in my life? If you can successfully answer these questions with absolute trust in Jesus Christ, then you know you have made the right choices in your life. On the other hand, if you can't answer these questions with Jesus Christ in the equation, then you know your life is on the wrong path. The truth is, part of what makes life very challenging and unpredictable, is the fact that you cannot

change the past, but you can change the path to your future. God gives us only one day at a time; today is a gift and that's all you have. Tomorrow is not guaranteed and today may be your last day on earth. This book will help you understand God through Jesus Christ like never before and also help you make the right choices for a better future. The kingdom of God should be your number priority and ultimate destination in life. Jesus is coming soon!

Big Bosoms and Square Jaws Jimmy McDonough,2006-06-27 Russ Meyer, cult hero, creator of the sexploitation film, and the man the Wall Street Journal called the King Leer of Hollywood, made movies that filled the big screen with "big bosoms and square jaws." In the first candid and fiendishly researched account of the late cinematic instigator's life, Jimmy McDonough shows us how Russ Meyer used that formula to turn his own crazed fantasies into movies that made him a millionaire and changed the face of American film forever. This former WWII combat photographer immortalized his personal sexual obsession upon the silver screen, creating box-office gold with *The Immoral Mr. Teas* in 1959. The modest little film pushed all preexisting limits of on-screen nudity, and with its success, the floodgates of what was permitted to be shown on film were thrust open, never to be closed again. Russ Meyer ignited a true revolution in filmmaking, breaking all sex, nudity, and violence taboos. In a career that spanned more than forty years, Meyer created a body of work that has influenced a legion of filmmakers, fashionistas, comic book artists, rock bands, and even the occasional feminist. Bringing his anecdote- and action-packed biographical style to another renegade of popular culture, New York Times bestselling author of *Shakey* Jimmy McDonough offers a wild, warts-and-all portrait of Russ Meyer, the director, writer, producer, and commando moviemaking force behind the sexploitation classics *Vixen*, *Beyond the Valley of the Dolls*, *Faster, Pussycat! Kill! Kill!* and many others. *Big Bosoms and Square Jaws* blows the lid off the story of Russ Meyer, from the beginning to his recent tragic demise, creating in the process a vivid portrait of a past America.

Street Fighting Man Dennis Jones,2002-12-27 *Street Fighting Man* chronicles the experiences of a group of young Brooklyn toughs who, coming of age in the emerging Sixties counterculture, turn to playing rock and roll music to escape the streets. Kevin O'Briens street fighting consumes an inordinate amount of time. Hes not as adept as others with his fists and so he takes to carrying deadly weapons. Following a brush with the law, Kevin immerses himself in the drums in an attempt to straighten himself out. The transition is less than seamless, however, and trouble continues to stalk him into the Sixties renaissance.
