Promising health, wealth, and happiness, feng shui offers endless appeal—at least in concept. Unfortunately, feng shui's seemingly complicated methods are often difficult to learn and apply in a meaningful way. Fortunately, *Move Your Stuff, Change Your Life* is written in plain and simple English for the modern Western reader. Revealing the ancient Chinese secrets that are as useful and necessary today as they have been for centuries, *Move Your Stuff, Change Your Life* communicates how to: • MEET “THE ONE” • FIND A DREAM JOB • EARN BETTER GRADES IN SCHOOL • ENJOY A BETTER SEX LIFE

SHED Your Stuff, Change Your Life Julie Morgenstern, 2011-01-11 Expert organizer and New York Times bestselling author Julie Morgenstern teaches you how to get rid of the physical, mental, and time clutter that's keeping you from the life you want. Julie Morgenstern has made a career out of helping her clients get organized. But in the process, she discovered something surprising: for many of her clients, organizing isn't enough. For those who are eager to make a change in their lives—a new job, a new relationship, a new stage in life—they need to get rid of the old before they can organize the new. They need to SHED their stuff before they can change their lives! So Julie created the SHED process—a four-step plan to get rid of the physical, mental, and schedule clutter that holds back so many of us. But SHEDding isn't just about throwing things away! Julie teaches that it's just as important to focus on what comes before and after you heave the clutter, so that the changes you make really stick in the long term. Learn about: • Separating the treasures (figuring out what really matters) • Heaving the rest (undertaking the tough work of eliminating excess) • Embracing your true identity (figuring out who you really want to be) • Driving yourself forward (achieving real change now that the past isn't holding you back any longer) Whether you're facing a move, a promotion, an empty nest, a marriage, divorce, or retirement, *SHED Your Stuff, Change Your Life* provides a practical, transformative plan for positively managing change in every aspect of your life.
