Word Mingas Miguel Rocha Vivas, 2021-08-15 *Word Mingas* is an English-language translation by Paul M. Worley and Melissa Birkhofer of the award-winning book *Mingas de la palabra* written by Miguel Rocha Vivas (Casa de las Américas, 2016). It is an encompassing study of oralities — multilayered cultural knowledge shared through the power of orality — and written literatures by authors from Colombia and other regions in the hemisphere who self-identify as Indigenous. In consequential dialogue with the most recent theories of decoloniality and interculturality, the book weaves and compares two threads of literary critique Rocha Vivas names as oralitegraphies and mirrored visions. The study focuses on texts produced from the early 1990s to the present, and offers productive avenues to discuss, understand, and foster dialogue with the wide array of symbolic-literary systems of the original peoples. Rocha Vivas offers a valuable contribution to the much-needed dialogue on the basic rights of self-representation, self-determination, and the coexistence of multiple systems of representation and identity.

Mingas de la palabra. Segunda edición Miguel Rocha Vivas, 2018-03-01 *Mingas de la palabra* presenta un panorama amplio de la producción literaria de las últimas décadas de autores que se denominan a sí mismos indígenas, en Colombia y en otras regiones del continente, y propone un análisis por medio de dos nociones de lectura: textualidades oralitegráficas y visiones de cabeza. Mediante el estudio comparado y en diálogo permanente con las más recientes teorías de la decolonialidad y la interculturalidad, Rocha Vivas nos ofrece claves reveladoras para comprender los diferentes sistemas simbólico-literarios de los pueblos originarios de nuestra América.

Manual de Actividades Cathryn Collopy O'Donnell, Kathryn E. Kelly, 2003-03 Paralleling the organization of the main text, the *Manual de Actividades* provides meaningful practice and review for students outside of class. This manual offers additional practice of each chapter's vocabulary and grammatical structures through form-based exercises including sentence-building activities, completion exercises, fill-ins, and realia-based activities. Reading and writing skills are developed in a series of interesting and personalized activities. Additional cultural activities encourage students to make connections and comparisons with the Hispanic world.
