Daddy Look! Todd Battle, Darrel Sanders, Reggie Watts, 2012-04 Fathers, how many times on a weekly basis do you hear the expression from your children: Daddy Look? Have you ever wondered why they want you to look so badly? Do you know how much power exists in Daddy's Look? If you haven't been looking at them, what have you been looking at? What happens when Daddies don't look? Are there dangers in not looking? Is it too late to look? Authors Battle, Sanders and Watts tackle these questions and more in this tremendous book destined to change the lives of all who read it and truly want to make a difference in their children's lives. This is a great book. Daddy Look offers a focused approach to becoming a godly father. Using the story of Daddy Look, it summarizes these lessons in five key principles: -Being a Godly Man -Being a Man of Character -Being a Teacher -Being a Provider -Being a Protector This book is clearly written with Christian fathers as a target audience; however, men without a Christian background would still glean much from the principles in the book. I whole-heartedly recommend this book. It's a great read, and I'm very proud that my Pastor is one of its authors. -Grover Johnson, Single Dad This book will both challenge and provoke change in any father who takes the time to read it and then makes a commitment to apply it. I truly wish this book was around when I was raising my two children as a sole provider and self-sufficient single Mom -Dr. Anita Latin-Byrdsong - Founder, OVL Foundation A father with the responsibility of raising up a child and being a role model to look up to... I felt like I failed recently while my 11 year old daughter asked me if I love her. It was a gut shot that caused me to stop everything and have a heart felt talk with her. I realize now that she has been saying DaddyLook! but in many different ways. My daughter and I have a new found relationship that feels much different than before. But had I listened to her cries sooner this could have been avoided and she could have detoured from the feelings of being lonely and unloved. The book Daddy Look gives a great understanding on the complications of parenting and how to avoid or deal with these situations in life. -Michael Pine www.daddylookbook.com

Sports Hypnosis in Practice Joseph Tramontana, 2011-06-10 This book offers new strategies and scripts for hypnotherapists, sports counsellors and sports psychologists working with athletes to help them achieve their peak performance. A major focus of the book is that the therapist does not necessarily need to be familiar with the sport or activity to serve as a mental coach to the athlete. The athlete is instructed that the goal is not to improve the mechanics of their performance (that is left up to their coaches) but, rather, to help them to relax, concentrate and focus so that they fulfill their maximum potential. They learn not to let the mental side of their game trip up the physical side, but rather to enhance it.
