*The Silva Mind Control Method* Jose Silva, Philip Miele, 2022-04-26

*The Silva Method* Robert B Stone, Ph.D., 1991-01-01

*Expand Your Magnificent Mind* José Silva, 2023-09-12 These brief articles are easy to read whenever you have a few minutes for some inspiration and motivation. To help you take full advantage of José Silva's wisdom and advice, the book includes instructions on how to enter the alpha brainwave level, and also includes many of the Silva problem-solving techniques to help you change your life for the better. José Silva Jr. provides commentary throughout the book to help put the work into perspective. He made sure the course material is exactly the way his father wanted it. Not many people throughout history can claim to have started with so little, come so far, and achieved so much. José Silva had lost his parents by the time he was 6 and went to work instead of going to school. He began to study psychology – the study of human behavior – when he was 30 years old, and soon expanded his research to include the brain and mind. The mind did not reveal its secrets to him easily. He persisted, investing his own time and money, continuing even though critics scorned him. Today he is recognized as the leading researcher in the world in the field of the mind and human potential. And José Silva's UltraMind ESP System is leading humanity into the beginning of the second phase of human evolution on the planet. His ultimate achievement was developing a reliable technique to use your ESP to obtain guidance and support from higher intelligence to develop creative solutions for vexing problems.

José Silva's Ultramind ESP System Ed Bernd, 2000 Shows how to unlock the incredible powers of your own mind and use them to connect to a higher power to obtain the guidance you need to be successful, happy, and fulfilled.
