Otherland, surrounded by secrecy, is home to the wildest dreams and darkest nightmares. Incredible amounts of money have been lavished on it. The best minds of two generations have laboured to build it. And somehow, bit by bit, it is claiming the Earth's most valuable resource - its children. Only a few have become aware of the danger. Otherland: Mountain of Black Glass Tad Williams,2000-09-01 The third book in New York Times-bestselling author Tad Williams's cyberpunk fantasy series • "Tad Williams is the brightest and best of the fantasists." —Neil Gaiman, author of *American Gods* The Grail Brotherhood has built the most powerful, sophisticated simulation network imaginable. At the same time, they have manipulated and injured the minds of thousands of children. This proclamation from the mysterious Mr. Sellars confirmed what Renie Sulaweyo had feared to be true when she first broke into the Otherland network in a desperate search for the cause of her brother Stephen's deathlike coma. Now Renie, the Bushman !Xabbu, and their companions find themselves navigating a treacherous and ever-changing course—from a strangely unfinished land, to a seemingly endless labyrinthine House—pursuing a sociopathic killer who has stolen one of their group. To Renie's despair she is no closer to uncovering the secrets which could help save Stephen's life, and now it appears that something may be very wrong with the Otherland network itself. As Paul Jonas, Orlando, Renie and the rest strive to reach Priam's Walls, in the heart of Troy, they know that their quest is running perilously short of time. For the Grail Brotherhood has finally set the date for the Ceremony when they will make their bid for the immortality, and thereby seal the fate of Earth's children forever. But before Renie and her allies can hope to stop the Brotherhood, they must first solve the mysteries of Otherland itself, and confront its darkest secret—an entity known only as the Other.

Otherland: Sea of Silver Light Tad Williams,2002-04-01 The fourth and final book in the classic, genre-bending cyberpunk Otherland quartet from a master fantasist. A group of adventurers searching for a cure for comatose children find themselves trapped in a sequence of virtual worlds, the only opponents of a conspiracy of the rich to live forever in a dream. Now, they are forced to make an uneasy alliance with their only surviving former enemy against his treacherous sidekick Johnny Wulgaru, a serial killer with a chance to play God forever. Few science fiction sagas have achieved the level of critical acclaim and best-selling popularity as Tad Williams's Otherland novels. A brilliant blend of science fiction, fantasy, and technothriller, it is a rich, multilayered epic of future possibilities.

Otherland: River of Blue Fire Tad Williams,2020-12-15 A small band of adventurers penetrates the veil of secrecy that prevents the uninitiated from entering Otherland. And somehow, bit by bit, it is claiming the Earth's most valuable resource—its children. Only a few have become aware of the danger. Fewer still are willing or able to take up the challenge of this perilous and seductive realm. But every age has its heroes, and unusual times call for unusual champions: Renie Sulaweyo, a teacher and the backbone of her family, proud of her African heritage, has fought all her life simply to get by. She has never wanted to be a hero. But when her young brother is struck down by a bizarre and mysterious illness, Renie swears to save him. When people around her begin to die, she realizes she has stumbled onto something she is not meant to know, a terrifying secret from which there is no turning back. Xabbu is a Bushman, come to the city to learn skills which may save the spirit of his tribe. With the heart of a poet and the soul of a shaman, he will journey with Renie on this quest into the very heart of darkness. Paul Jonas is lost, seemingly adrift in space and time. As he flees from the bloody battlefields of World War I to a castle in the sky, and onward to lands beyond imagining, he must not only evade his terrifying pursuers, but solve the terrible riddle of his own identity. Fourteen-year-old Orlando is also the invincible barbarian Thargorm, but only in his imagination. However, youth and frailty are not enough to get you excused from saving the world. And Mister Sellars, a strange old man on a military base, a prisoner of both the government and his own body, may be the greatest mystery of all. Is he part of The Grail Brotherhood? Does he oppose them? Or, as he sits like a spider at the center of a vast web, does he have ambitions of his own? The answers will only be found in *Otherland*.

today's leading authors of epic fantasy, including George R. R. Martin (A Song of Ice and Fire), Ursula K.
