The Collector John Fowles, 2004 Withdrawn, uneducated and unloved, Frederick collects butterflies and takes photographs. He is obsessed with a beautiful stranger, the art student Miranda. When he wins the pools he buys a remote Sussex house and calmly abducts Miranda, believing she will

The Fictions of John Fowles Pamela Cooper, 1991 This incisive and skillfully articulated study explores the complex power relationships in John Fowles's fictions, particularly his handling of the pivotal subjects of art and sex. Chapters on *The Collector*, *The Magus*, *The French Lieutenant's Woman*, and *The Ebony Tower* are included, and a final chapter discusses Daniel Martin, Mantissa, and A Maggot.

The Collector Mark Healy, 2006-01-01

John Fowles Brooke Lenz, 2008 Best known as the author of *The French Lieutenant's Woman* and *The Magus*, John Fowles achieved both critical and popular success as a writer of profound and provocative fiction. In this innovative new study, Brooke Lenz reconsiders Fowles' controversial contributions to feminist thought. Combining literary criticism and feminist standpoint theory, *John Fowles: Visionary and Voyeur* examines the problems that women readers and feminist critics encounter in Fowles' frequently voyeuristic fiction. Over the course of his career, this book argues, Fowles progressively created women characters who subvert voyeuristic exploitation and who author alternative narratives through which they can understand their experiences, cope with oppressive dominant systems, and envision more authentic and just communities. Especially in the later novels, Fowles' women characters offer progressive alternative approaches to self-awareness, interpersonal relationships, and social reform - despite Fowles' problematic idealization of women and even his self-professed cruelty to the women in his own life. This volume will be of interest to critics and readers of contemporary fiction, but most of all, to men and women who seek a progressive, inclusive feminism.

The Collector John Fowles, 1998-01 Withdrawn, uneducated and unloved, Frederick collects butterflies and takes photographs. A chance pools win enables him to capture the art student Miranda and keep her in the cellar of the Sussex house he has bought with the windfall. The situation is seen first from the collectors point of view: he thinks the chloroform pad no more vicious than his butterfly net, and patiently waits for the barriers of class and taste that inhibit their love to

break down in the limbo of their isolation. She, the creator, desperate for her freedom, tries to be understanding but cannot banish her contempt for everything anti-life that the collector stands for.

Conversations with John Fowles Dianne L. Vipond, 1999 Although best known for his novels *The Collector*, *The Magus*, and *The French Lieutenant's Woman*, John Fowles is also a short story writer, a poet, a respected translator, and a prolific essayist. In his long literary career, he has managed the feats of welding stunning innovation to tradition, pushing the formal boundaries of literary fiction, and still capturing critical acclaim, popular success, and a worldwide readership. In *Conversations with John Fowles*, the first book of interviews devoted to the English writer, Dianne L. Vipond gathers over twenty of the most revealing interviews Fowles has granted in the last forty years. With critics, scholars, and journalists, he discusses his life, his art, his distinctive world view, and his special relationship with nature. Throughout his interviews, Fowles's remarkable consistency of thought is illuminated as he covers the meaning and genesis of his work. His uncompromising honesty and refreshing lack of guardedness are evident when he compares the naturalness of writing with eating or making love. From the 1960s through the 1990s, this master chronicler of the late half of the twentieth century reveals his serious engagement with social, political, and philosophical issues. He identifies himself with feminism, socialism, humanism, and the environmental movement, and he explores his recurring theme of personal, artistic, and socio-political freedom. His books, he says, are about the difficulty of attaining personal freedom, especially in terms of discovering what one is. Any reader who has been intrigued, challenged, and entertained by his work in the past is sure to find these conversations spanning the writer's career to be stimulating and revealing. Dianne L. Vipond is a professor of English at California State University, Long Beach. A co-editor of the book *Literacy, Language, and Power*, she has published articles in *English Journal*, *Short Story*, *Twentieth Century Literature*, and the *Los Angeles Times*.

The Collector - based on the novel by John Fowles, 1989

The Timescapes of John Fowles Harald William Fawcner, 1984 This critical study explicates the complex and elusive fiction of John Fowles in terms of the tensions between time and timelessness. The author introduces insights gained from recent scientific and interdisciplinary studies of the apprehension of temporality and constructs a model for the hierarchy of levels of time in fiction.

John Fowles's Fiction and the Poetics of Postmodernism Mahmoud Salami, 1992 Salami presents, for instance, a critique of the self-conscious narrative of the diary form in *The Collector*, the intertextual relations of the multiplicity of voices, the problems of subjectivity, the reader's position, the politics of seduction, ideology, and history in *The Magus* and *The French Lieutenant's Woman*. The book also analyzes the ways in which Fowles uses and abuses the short-story genre, in which enigmas remain enigmatic and the author disappears to leave the characters free to construct their own texts. Salami centers, for example, on *A Maggot*, which embodies the postmodernist technique of dialogical narrative, the problem of

narrativization of history, and the explicitly political critique of both past and present in terms of social and religious dissent. These political questions are also echoed in Fowles's nonfictional book *The Aristos*, in which he strongly rejects the totalization of narratives and the materialization of society.

The Collector John Fowles, 2010-12-09 Drama / Characters: 1 male, 1 female Scenery: Interior John Fowles's classic story of possession, obsession and love is considered one of the great works in modern literature. Frederick Clegg appears to be an ordinary, slightly shabby clerk. Winning a fortune in the lottery he buys a remote country house, and goes about furnishing it with everything he thinks a beautiful woman could desire. He then abducts a girl he has worshiped from afar, imprisoning her in the cellar amid his butterfly collection with tragic, electrifying results.

The Journals John Fowles, 2009-01-12 John Fowles gained international recognition in 1963 with his first published novel, *The Collector*, but his labor on what may be his greatest literary undertaking, his journals, commenced over a decade earlier. Fowles, whose works include *The Maggot*, *The French Lieutenant's Woman*, and *The Ebony Tower*, is among the most inventive and influential English novelists of the twentieth century. The first volume begins in 1949 with Fowles' final year at Oxford. It reveals his intellectual maturation, chronicling his experiences as a university lecturer in France and as a schoolteacher on the Greek island of Spetsai. Simultaneously candid and eloquent, Fowles' journals also expose the deep connection between his personal and scholarly lives as Fowles struggled to win literary acclaim. From his affair with Elizabeth, the married woman who would become his first wife, to his passion for film, ornithology, travel, and book collecting, the journals present a portrait of a man eager to experience life. The second and final volume opens in 1966, as Fowles, already an international success, navigates his newfound fame and wealth. With absolute honesty, his journals map his inner turmoil over his growing celebrity and his hesitance to take on the role of a public figure. Fowles recounts his move from London to a secluded house on England's Dorset coast, where discontented with society's voracious materialism he led an increasingly isolated life. Great works in their own right, Fowles' journals elucidate the private thoughts that gave rise to some of the greatest writing of our time.

Kidnapping the Real David Leon Higdon, 2014 John Fowles' 1963 novel, *The Collector*, evolve from three sources, two of which are well known: his attendance at a performance of Béla Bartók's opera, *Duke Bluebeard's Castle* and his own teenage captivity fantasies. The mystery of the third source can now be resolved, and its identity is detailed in this essay.

Reader's Guide to Literature in English Mark Hawkins-Dady, 2012-12-06 *Reader's Guide Literature in English* provides expert guidance to, and critical analysis of, the vast number of books available within the subject of English literature, from Anglo-Saxon times to the current American, British and Commonwealth scene. It is designed to help students, teachers and librarians choose the most appropriate books for research and study.

Fatal Fictions Alison L. LaCroix, Richard H. McAdams, Martha Craven Nussbaum, 2017 Writers of fiction have always confronted topics of crime and punishment. This age-old fascination with crime on the part of both authors and readers is not surprising, given that criminal justice touches on so many political and psychological themes essential to literature, and comes equipped with a trial process that contains its own dramatic structure. This volume explores this profound and enduring literary engagement with crime, investigation, and criminal justice. The collected essays explore three themes that connect the world of law with that of fiction. First, defining and punishing crime is one of the fundamental purposes of government, along with the protection of victims by the prevention of crime. And yet criminal punishment remains one of the

most abused and terrifying forms of political power. Second, crime is intensely psychological and therefore an important subject by which a writer can develop and explore character. A third connection between criminal justice and fiction involves the inherently dramatic nature of the legal system itself, particularly the trial. Moreover, the ongoing public conversation about crime and punishment suggests that the time is ripe for collaboration between law and literature in this troubled domain. The essays in this collection span a wide array of genres, including tragic drama, science fiction, lyric poetry, autobiography, and mystery novels. The works discussed include works as old as fifth-century BCE Greek tragedy and as recent as contemporary novels, memoirs, and mystery novels. The cumulative result is arresting: there are killer wives and crimes against trees; a government bureaucrat who sends political adversaries to their death for treason before falling to the same fate himself; a convicted murderer who doesn't die when hanged; a psychopathological collector whose quite sane kidnapping victim nevertheless also collects; Justice Thomas' reading and misreading of Bigger Thomas; a man who forgives his son's murderer and one who cannot forgive his wife's non-existent adultery; fictional detectives who draw on historical analysis to solve murders. These essays begin a conversation, and they illustrate the great depth and power of crime in literature.
