

The Mark Of The Beast Summary

John Milner

Revelation and the Mark of the Beast Z. Richard Sawan M.D.,2011-08-17 No longer do I want you to be afraid of Revelation as I was but rather embrace the inevitable future that God has planned for us. This book is a passport to the future of humanity and will explain the end-times in simple ways, for the most part, based on Biblical interpretation and not on widely accepted views or mine. Most of the prevalent views on Revelation that you have learnt or learning are incorrect. Not knowing the future with respect to God's plan could jeopardize the timing of your salvation which could put one in the receiving end of God's plagues. Revelation was written for us today in the end-times and not for the Jews and ancient Romans 2000 years ago. This book will prove this to be true beyond a shadow of a doubt. Revelation cannot be interpreted without key scriptures in books in the Old Testament thus proving that there is divine intervention in the Bible as a whole. It is impossible for different human authors to write so many different books with hundreds to thousands of years in between and have the same conclusions and interpretations. IMPOSSIBLE. We are presently near the end of the Great Tribulation with the Day of our Lord fast approaching. Already five of the seven seals have been opened with the sixth approaching rapidly. The beast of Revelation chapter 13 is alive and well and the mark of the beast is already in use. A limited nuclear war is on the horizon and world domination by the Son of Satan by means of a 200 million-man army would follow. There is good news though. Read this book.

The End of Money Mark Hitchcock, 2013-08-01 Are we headed toward a global economic collapse? Financial markets are violently unstable worldwide, and the key benchmarks of financial health are rapidly getting worse. Christians know the Bible predicts a coming day when one person will take control of the entire global economy. But how will that happen? We may now have the answers. In fact, the biblical and technological evidence tells us that a cashless society and one-world economy are not only possible, but inevitable. Bestselling author Mark Hitchcock skillfully brings together current research and Bible prophecy to address these important questions: How is the stage being set for economic collapse and a cashless society? What technology will make this cashless world possible? How will the Antichrist control the world economy? What will happen to the people who face all this tumult and chaos? An eye-opening survey of the ways that future events can impact our lives even today.

Rhetoric of Digressions Peter S. Perry, 2014-09-25 Revelation 7:1-17 occurs between the opening of the sixth and seventh seal and Rev 10:1-11:13 between the sixth and seventh trumpet blasts. Interpreters often explain these passages as interludes, parentheses, or expansions, but not in terms of ancient communication. Peter S. Perry analyzes these interruptions in the seals and trumpets in light of digressions in ancient rhetorical theory and practice. Digressions are described by Hermagoras, Cicero, and Quintilian and widely used, including in Josephus' works, Jubilees, Sibylline Oracles I/II, Zechariah, and Exodus. As with other ancient digressions, Rev 7:1-17 and 10:1-11:13 are unessential to the logical flow but essential to the book's impact. These passages excite the emotions, shape character, and give insight into John's rhetorical strategy and goals.

The Mark of the Beast Mark S. Roberts, 2008 The Mark of the Beast historically and critically examines the dire effects of the process of animalization on both humans and animals. Roberts provides a general account of the theoretical division between humans and animals begun largely in the work of Aristotle and continued in that of Descartes and Kant. Following the philosophical provenance of the idea of animality, Roberts explores the practical and scientific uses of this idea, focusing largely on what Stephen J. Gould terms the bieterministic tradition by evaluating the primarily nineteenth century theories of atavism, craniology, recapitulation, and so on, while also exploring the use of medical and psychological techniques of animalization.

A Testimony of Jesus Christ - Volume 1 Anthony Charles Garland, 2007 A Commentary on the Book of Revelation - Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation. To understand this controversial book, the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel, Ezekiel, and others. It is the author's conviction that an understanding of related passages elsewhere in the Bible is

the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible. The commentary is linked to a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1,000 slides.

Tyndale Bible Dictionary Walter A. Elwell, Philip W. Comfort, 2024-10-08 The Tyndale Bible Dictionary features the work of 139 Bible scholars in more than 1,000 informative, in-depth articles. The Antecedents of Antichrist L.J. Lietaert Peerbolte, 2021-12-06 The present volume discusses the earliest Christian views on eschatological opponents and their backgrounds in contemporary Judaism. It treats the rich variety of early Christian speculations on the subject and shows that, within this variety, a continuity with Jewish speculations is to be discerned. Part One of this book treats the early Christian passages of the period up to Irenaeus that contain speculations on the coming of an eschatological opponent. Part Two offers a survey of Jewish expectations that formed the basis for the Christian speculations discussed. After the General Conclusion the book finishes with an extensive Bibliography and an

Index. The book is of interest to any student of early Christian eschatology and the continuity between early Christianity and contemporary Judaism.

From Spectator to True Worshipper Mike Johnson, 2024-05-20 God created all things, He sustains all things, but He lacks one thing - He's seeking "True Worshipers" who will worship Him in Spirit and Truth. This is an urgent search because John 4:23 says "the hour has come, and now is the time" for these true worshippers to come forward and make themselves known. This battle with sin all started over worship and we are urged to make the right choice in terms of who we worship. There's a loud and urgent message emphasised in Revelation 14:6 letting us know that the "hour has come" for us to worship the Creator. The book, "From Spectator to True Worshipper" addresses one of the key issues in our relationship with Christ and explores Biblical concepts and principles around worship that can be incorporated into personal and congregational worship settings. God has given us a glimpse of eternity through the act of worship, and there is an acceptable form that is pleasing to Him.

Thy Kingdom Come Volume One Mark Atkinson, 2013-05-22 Every prophecy in the Bible about Jesus Christ's first coming was fulfilled in minute detail. The Bible also tells us that He will come a second time and establish the Kingdom of God in the whole earth. Christians in the first century had a detailed knowledge of what will take place in future. They understood how God's plan would unfold. They also understood what God said about preparing for that time ahead. Indeed, they set the example for the generation that will see the Lord return. How can Christians today learn these truths? What does the Lord want us to do? How should we prepare for the time ahead? It is clear from the Scriptures that no Christian today should be ignorant of these matters. This book has the answers. It shows from the Scriptures what God wants us to understand. It choreographs future events. It exposes the Lie which Satan uses to deceive mankind. But most importantly, this book will equip you to stand strong. It is the Lord's will that you are prepared to meet Him at His glorious coming.

Rapture David Currie, 2003-07-31 The end-times error that leaves the Bible behind! Author David Currie grew up convinced that one day all true Christians will suddenly be snatched up to heaven. The unfortunate souls left behind by this rapture will endure seven horrible years of tribulation, at the end of which Christ will return to earth for a glorious thousand-year reign. Today, millions of Christians accept this end-times theology, assuming - as Currie did -- that the Bible clearly teaches it. Many plan their whole lives around it. But, after studying Scripture for decades, Currie has come to see that if you accept the Bible, you have to reject the rapture. In these remarkable pages - which constitute the world's most careful and thorough scriptural study of the rapture - Currie demonstrates why. He considers all the relevant verses (and there are hundreds!) and examines them in the light of ancient history, the writings of the earliest Christians, and the claims of rapturist theologians. With painstaking thoroughness, he unlocks the meanings of the key biblical prophecies that culminate in Christ's Messianic Kingdom - including those verses in Daniel, Matthew, and Revelation that rapturists turn to most.

Marshalling evidence that's as startling as it is compelling, Currie argues that these prophecies of war and tribulation don't point to some still-unrealized apocalyptic future. Rather, most of them were fulfilled long ago: the spiritual, priestly Kingdom prefigured in the Old Testament was inaugurated on Calvary, consummated in 70 A.D. with the destruction of the Temple, and continues to exist today . . . in the Catholic Church! That may surprise you. Yet, shows Currie, it's the only conclusion that fits all the scriptural and historical evidence. Rapture: The End-Times Error That Leaves the Bible Behind makes Scripture, prophecy, and history come alive; and it demonstrates that if you open your Bible, you'll find that God's plan for the future of the world is not filled with darkness and disaster, but with light, mercy, and hope. We can all learn much from David Currie, not only from what he says, which is wise, but from how he says it, which is Catholic and Christian. From the Foreword by Scott Hahn. Special features: Over 1,300 references to Scripture, the early Church Fathers, authors and events in ancient history, and contemporary rapturist theologians Ten detailed timelines relating biblical prophecy to key historical events The biblical case for the rapture (showing why so many accept it) A survey of the thoughts of the early Church Fathers about the end-times A history of the development of rapturist theories, showing how this heresy has been refuted time and again by the Church A short course in the proper methods of reading Scripture A survey of end-times hypotheses from the first century through 9/11/2001 Nine ground rules you must follow if you are to make sense of biblical prophecy and relate it to salvation history A 10-page annotated bibliography of rapturist sources ancient and new Plus, much more to help you understand and evaluate the claims of rapturists Among the sources cited: Julius Africanus • St. Athanasius • St. Augustine • Pope Benedict XV • Andreas of Cappadocia • St. Clement of Alexandria • G. K. Chesterton • St. John Chrysostom • St. Clement of Rome • St. Cyril of Jerusalem • St. Epiphanius of Salamis • Josémaria Escriva • Catechism of the Catholic Church • Dei Verbum • Enchiridion Symbolorum • Eusebius • St. Hippolytus of Rome • St. Ignatius of Antioch • St. Irenaeus • St. Jerome • Flavius Josephus • St. Justin Martyr • Tim LaHaye • Pope Leo XIII • C. The Book of Revelation Decoded Mary Lewis, 2011-05 The Book of Revelation DECODED will challenge the most popular end-time prophecy doctrines of the day with a fresh look at what the Bible and Spirit of YHWH teaches. What makes The Book of Revelation DECODED uniquely different from all other commentaries and studies of the Revelation of Jesus Christ are three of the most important interpretive points of the Revelation: five distinctive subject divisions in its outline, five views of the resurrection focusing on the five aspects of resurrection (rapture), and four subject divisions of the scroll with seven seals clearly eliminating five of the seals as the Tribulation period of Daniel's seventy-sevens of years. Paying close attention to context and Biblical purpose, author, Mary Lewis, integrates over 450 Scripture quotes from 47 books of the Bible into her insightful narration providing definitive Bible answers. For added visual understanding, Ms. Lewis uses twenty-

three tables and images graphically depicting many prophetic symbols and word imagery, such as God's Hebrew personal name, YHVH, and the entirety of Daniel's prophecy of seventy-sevens of weeks. The Book of Revelation DECODED reveals fresh and understandable Biblical answers to the most difficult prophecy questions: Who are the 144,000? Will the church go through the tribulation period? What nation will produce the antichrist of the tribulation period? What do the seven seals of Revelation's seven sealed scroll mean? Do the seven seals represent the last seven years of Daniel's prophecy of seventy-sevens of weeks? Is the rapture teaching true or false? What are the seven heads and ten horns on the dragon? Is there a literal 1000 years between Armageddon and Judgment? When is the war of Gog/Magog?

The Wedding Scott Burgess, 2020-10-11 Scott Burgess's entirely new commentary on the book of Revelation inspires courage and faithfulness in the reader as it reveals, page after page, how the end-time judgment is the most joyous event in history: Jesus' marriage to His bride. Readers will treasure *The Wedding: Jesus Stands for His Bride in the Book of Revelation* for both its educational and devotional value. The author upholds the traditional Adventist methodology of allowing Scripture to interpret itself, and looking to history to confirm fulfilled prophecy. With that said, he also introduces a number of fresh insights. He highlights fascinating linguistic and conceptual connections with other portions of Scripture that many of us have not identified before. Those who pore over this tome will find a number of areas they readily agree with, and other areas that will require prayer and reflection before forming a decision, but nearly all will acknowledge Burgess' skillful manner of provoking prayerful thought and contemplation. What makes this book truly worthwhile is the presence of Christ. Burgess stresses the ubiquity of His manifestation throughout the book—as the One who stands seven times on behalf of His bride, empowering her to withstand the fiercest opposition for the sake of faithfulness to Him and His commandments. For those of us who are living in the judgment hour, Jesus offers us the enormous privilege of issuing the final wedding invitation to the world, sitting with Him upon His throne, and living with Him for eternity.
