Your Mom is So... Destry Blamer,2011-10-27 Inspired by childhood battles with long time friend Mike Schaal. All of these Jokes are my own original material.

Yo Mama! Onwuchekwa Jemie,2003 Collected primarily in metropolitan New York and Philadelphia during the classic era

of black street poetry (i.e., during the late 1960s and early 1970s) these raps, signifyings, toasts, boasts, jokes and children's rhymes will delight general readers as well as scholars. Ranging from the simple rhymes that accompany children's games to verbally inventive insults and the epic exploits of traditional characters like Shine and Stagger Lee, these texts sound the deep rivers of culture, echoing two continents. Onwuchekwa Jemie's introductory essay situates them in a globally pan-African context and relates them to more recent forms of oral culture such as rap and spoken word.

My Journal for Jeremy Valerie Bower, 2014-06-13 I am Val Bower's daughter, wife, mother, sister, grandmother, and friend. I gave birth to three beautiful children and later adopted two more; I also have four stepchildren. I have spent the majority of my adult life working with people who need some kind of help. Usually a little bit of stress is a good motivator for me. But when you hear the word cancer and the doctor is talking about your child, your mind does not know what to do. When the next doctor tells you he has two weeks or maybe a month to live, you pray. Someone once told me that I didn't have enough faith. I was taught to pray, God's will be done. I said that prayer for months and then added, God give me strength to face the future. I kept a journal of the days and weeks of struggles and hardships, based on this mom's feelings. I have no intention of causing pain or anger to anyone; it is all based on my opinion. My wish is that after reading this, parents will hold their babies more often. Sisters and brothers will say I love you and mean it. I wish for families to realize that tomorrow may not come. Every day should have a memory to hang on to.

Planet Funny Ken Jennings, 2019-07-09 A Kirkus Reviews Best Book of the Year The witty and exuberant New York Times bestselling author and record-setting Jeopardy! champion Ken Jennings relays the history of humor in “lively, insightful, and crawling with goofy factlings,” (Maria Semple, author of *Where’d You Go Bernadette*)—from fart jokes on clay Sumerian tablets to the latest Twitter gags and Facebook memes. Where once society’s most coveted trait might have been strength or intelligence or honor, today, in a clear sign of evolution sliding off the trails, it is being funny. Yes, funniness. Consider: Super Bowl commercials don’t try to sell you anymore; they try to make you laugh. Airline safety tutorials—those terrifying laminated cards about the possibilities of fire, explosion, depressurization, and drowning—have been replaced by joke-filled videos with multimillion-dollar budgets and dance routines. Thanks to social media, we now have a whole Twittersverse of amateur comedians riffing around the world at all hours of the day—and many of them even get popular enough online to go pro and take over TV. In his “smartly structured, soundly argued, and yes—pretty darn funny” (Booklist, starred review) *Planet Funny*, Ken Jennings explores this brave new comedic world and what it means—or doesn’t—to be funny in it now. Tracing the evolution of humor from the caveman days to the bawdy middle-class antics of Chaucer to Monty Python’s game-changing silliness to the fast-paced meta-humor of *The Simpsons*, Jennings explains how we built our humor-saturated modern age, where lots of us get our news from comedy shows and a comic figure can even be elected President of the United States purely on showmanship. “Fascinating, entertaining and—I’m being dead serious here—important” (A.J. Jacobs, author of *The Year of Living Biblically*), *Planet Funny* is a full taxonomy of what spawned and defines the modern sense of humor.
