Travel Guides, 2018-04-20 For many of us, we might dream of going to a faraway place, different from what we might be used to. However, what about Thailand? It's a country in Asia that many people travel to in Southeast Asia. Many do come in from the capital in Bangkok, but they do go around and check out the other islands. This is a place with some gorgeous jungles, beaches, diving, some food that you'll definitely want to try, and most of all, it's super cheap, so it'll not break the bank when you go. There are many that end up staying there for weeks at a time, paying as much as you might on a normal vacation because of how cheap it is there. It definitely is a great place for you to check out, and not only is it easy, but everything is so convenient, but you can go off the beaten path as well if you'd like. This book will be your travel guide to Thailand. You'll learn about the best sights for you to check out, and by the end of this, know exactly where you're going to go for this amazing experience of a lifetime
