**A Wolf Called Fire** Rosanne Parry, 2025-02-04 The stand-alone companion to Rosanne Parry's New York Times bestseller *A Wolf Called Wander* tells the wilderness survival story of the wolf pup known as Warm and is illustrated in black and white throughout. This *Voice of the Wilderness* Novel features extensive back matter, including a map. Warm is the smallest pup, the one his father calls the heart of the pack. But all Warm sees is his bigger brothers Sharp and Swift, even his sisters Pounce and Wag, winning all the wrestling matches. Just as Warm is finding his place, enemy wolves destroy and scatter the pack. Warm helps lead the pups away from the fight, only to find himself alone with four pups to defend and feed. Can he be both the heart and the head of a new pack? Does he have to choose the aggressive leadership style of his father and brothers? Or is there another way? *A Wolf Called Fire* is a stand-alone companion novel to *A Wolf Called Wander*. It's inspired by Wolf 8, a real Yellowstone wolf who was the smallest of his pack and constantly bullied by his bigger brothers. Wolf 8 survived a tumultuous first year and grew up to be a different sort of leader—one who fought many rival wolves to submission but never killed any. He had a rare talent for mentoring young wolves and became the patriarch of the largest and most successful pack in Yellowstone by choosing a more collaborative and generous leadership style. Features black-and-

white illustrations throughout and extensive back matter, including a map.

*Written in Stone* Rosanne Parry, 2014-06-10 Rosanne Parry, acclaimed author of *A Wolf Called Wander* and *Heart of a Shepherd*, shines a light on Native American tribes of the Pacific Northwest in the 1920s, a time of critical cultural upheaval. Pearl has always dreamed of hunting whales, just like her father. Of taking to the sea in their eight-man canoe, standing at the prow with a harpoon, and waiting for a whale to lift its barnacle-speckled head as it offers its life for the life of the tribe. But now that can never be. Pearl's father was lost on the last hunt, and the whales hide from the great steam-powered ships carrying harpoon cannons, which harvest not one but dozens of whales from the ocean. With the whales gone, Pearl's people, the Makah, struggle to survive as Pearl searches for ways to preserve their stories and skills.

subjects, this preteen and teen reading guide is a “go-to resource for parents, students of young adult literature, teachers, and librarians” (School Library Journal). Needed now more than ever: a guide that includes 500 reading recommendations for preteens and teens with the goal of inspiring greater empathy for themselves, their peers, and the world around them. As young people are diagnosed with anxiety and depression in increasing numbers, or dealing with other issues that can isolate them from family and friends—such as bullying, learning disabilities, racism, or homophobia—characters in books can help them feel less alone. And just as important, reading books that feature a diverse range of real-life topics helps generate openness, empathy, and compassion in all kids. Reading lists are organized around topics, including: • Adoption and foster care • Body image • Immigration • Learning challenges • LGBTQIA+ youth • Mental health • Nature and environmentalism • Physical disability • Poverty and homelessness • Race and ethnicity • Religion and spirituality Each chapter explores a particular issue affecting preteens and teens today and includes a list of recommended related books—all published within the last decade. Recommendations are grouped by age: those appropriate for middle-grade readers and those for teens. Better with Books is a valuable resource for parents, teachers, librarians, therapists, and all caregivers who recognize the power of literature to improve young readers’ lives.

*Portrait of the Artist as a Young Adult* Lois Thomas Stover, Connie S. Zitlow, 2013-10-30 Young adults often struggle with confusion or guilt because they perceive themselves as different from others, especially their peers. For some of these individuals, the arts can help them cope with adolescent turmoil, allowing them to express their emotions in poems, stories, painting, songs, and other creative outlets. Sensitive teachers and parents know how important it is for young people to realize that they are not alone in their quest for self-knowledge and finding their way in the world. It can make a difference when readers find something in a book that helps them understand more about who they are and helps them understand others. In *Portrait of the Artist as a Young Adult: The Arts in Young Adult Literature*, Lois Thomas Stover and Connie S. Zitlow examine books in which the coming-of-age for young adults is influenced by the arts. Stover and Zitlow consider the connection between the arts and a young person’s developing sense of self, the use of art to cope with loss and grief, and how young adults can use art to foster catharsis and healing. The young people in these books either identify as artists or use the arts in intentional ways to explore their identities. They often have artistic gifts that make them stand outside the norms of teenage life, yet those gifts also help them find a sense of community. Artists considered in this book include painters, photographers, sculptors, actors, directors, choreographers, dancers, composers, musicians, graffiti artists, and others. The books discussed also explore the ways adults can nurture the artist’s development and understand the way young people sometimes use the arts to form their unique identity. Included is an annotated bibliography organized by art discipline, as well as an appendix about using the arts pedagogically, making *Portrait of the Artist as a Young Adult* a valuable resource for educators, parents, librarians, and young adults.

*The Turn of the Tide* Rosanne Parry, 2017-02-21 From acclaimed author of *A Wolf Called Wander*, Rosanne Parry comes an exciting and tender friendship story about two cousins looking for their destiny. But he does the exact opposite of what you're supposed to do: He runs. And then the tsunami hits. Meanwhile, on the other side of the Pacific, Kai's cousin Jet sets sail off the coast of Astoria, Oregon. She knows she should have checked the tide—she always checks the tide. Except this time she didn't. When the biggest mistakes of their lives bring them together, Jet and Kai spend the summer regretting that one moment when they made the wrong decision.
