- The Return on Ambition Toolbox: 4 tools that will help you articulate and pursue your ambition, expand your self-awareness, and help you learn consciously

Busby's Last Crusade Jeff Connor,2020-12-01 A pictorial history of Manchester United's rise from the 1958 Munich air disaster to a European Cup win ten years later, and the manager who led them there. With words from best-selling author Jeff Connor and over 200 images, many of them new to the public, this is one man's search for his personal Holy Grail, and his determination to get there. This is not a eulogy for Sir Matt Busby. As Connor points out, his roles as a club director after 1968 will always be questioned and that King Arthur would never have succeeded without his knights: Duncan Edwards, Roger Byrne, Bobby Charlton, George Best, Denis Law and, above all, Jimmy Murphy. All of these, and others, lighten the pages of a book certain to be seen by fans everywhere as a permanent memoir of an unforgettable era.

Bob Hope once said, I grew up with six brothers. That's how I learned to dance--waiting for the bathroom. No doubt, lots of people will be learning to tango and foxtrot while they wait for the rabid readers of Uncle John's Colossal Collection of Quotable Quotes to emerge from the privy. The Bathroom Readers' Institute searched high and low for the wittiest, wisest and stupidest things ever said, and collected these remarks in one remarkable volume. With more than 4,000 quotations from 1,600 speakers and writers--from bona fide wits like Oscar Wilde and David Letterman, to bona fide dimwits like Britney Spears (who infamously quipped, I go to lots of overseas places, like Canada.)--there's no other book of quotations quite like this one.

African Fans of European Football Manase Kudzai Chiweshe,Solomon Waliaula,2025-03-26 This book examines the increasing influence of European football in African societies, considering the processes and significance of being a fan and what this means for the wider globalisation of popular culture. Focussing on fan cultures in Kenya and Zimbabwe, the book argues that instead of manifestations of neo-colonialism, African fandoms of European football are practised in ways that resonate with and help reconstruct and perform the socio-cultural substance of the African communities in question.

European football is therefore instrumentalised to help define the identities of the members of the fandom communities and articulate their experience of their reality in their immediate circumstances. This book reflects how the global and local can coalesce in cultural trends such as football fandom. It will interest sports, leisure, popular culture, and social anthropology researchers in Africa and beyond.
