Ritratto di signora in viaggio Gottardo Pallastrelli, 2018-06-14T00:00:00+02:00 Seguire la vita di Caroline Fitzgerald e della sua famiglia significa non solo fare luce su esistenze affascinanti di cui si erano perse le tracce, ma anche godere di quell'intimità emotiva che legò così profondamente Henry James a una donna dalla personalità complessa e originale. Tra le tante eroine dei romanzi e dei racconti di Henry James, la più nota è senz'altro la protagonista di Ritratto di signora, Isabel Archer. Diversi, però, sono i personaggi femminili che dalle sponde americane dell'oceano giungono in Europa, più spesso a Londra, in cerca di un matrimonio aristocratico e poi, da lì, in Italia inseguendo il sogno della bellezza e il fascino di antiche culture e civiltà. Ma c'è un'altra signora, realmente vissuta e rimasta finora ignota, legata a James dalla scrittura - quella di un carteggio con lui, venuto solo ora alla luce. È a lei che è dedicata questa biografia che, attraverso lettere, diari e documenti d'epoca, ricostruisce un reale ritratto di signora nel quale è inevitabile scorgere in filigrana le fattezze di un'ideale eroina jamesiana: Caroline Fitzgerald. Molto nota nell'alta società newyorchese, Caroline ben presto si trasferì a Londra. Fu in un brillante salotto di Kensington che avvenne il primo incontro con lo scrittore americano, il quale, in una lettera a Edith Wharton, ne descrive «la bellezza trascurata». James frequentava le donne dall'eleganza sofisticata della migliore società internazionale, e Caroline non ricalcava lo stereotipo della giovane ereditiera americana in Europa tanto in voga in quegli anni. Lei che era colta, ricca, innamorata della poesia e talmente affascinata dall'Oriente da aver studiato il sanscrito e da vestire lunghe tuniche esotiche, era infatti decisamente lontana da quel cliché. Dopo il divorzio da un Lord inglese, si innamorò di un medico ed esploratore italiano, Filippo De Filippi. Sia pur tra le righe delle sue lettere - uscite oggi dagli archivi degli eredi della famiglia De Filippi - James sembrò incoraggiare quella scelta e, negli anni che seguirono, spesso

incontrò Caroline costatandone la nuova felicità. Imperdibili sono alcuni resoconti che James scrive delle sue gite in Italia a bordo di una delle primissime automobili del secolo di proprietà della coppia. Il viaggio fu, del resto, la cifra dell'esistenza di una donna intraprendente che andò fino in Caucaso e poi in India al seguito delle esplorazioni del marito - e di ogni dove, Caroline riportava bellezze ed emozioni nel carteggio con James e gli altri amici della vecchia Europa. Una vita inconsueta vissuta appieno in poco più di quarant'anni e finita a Roma il giorno di Natale del 1911. Leggere oggi la sua biografia, attraverso le tante pagine di suo pugno, è come leggere in controluce un romanzo jamesiano mai scritto, o meglio ancora sbirciare nel vissuto di James fatto di incontri con donne e uomini reali da cui lo scrittore attingeva spunti per i suoi capolavori. E d'altra parte fu la stessa Caroline a supporre in lui una curiosità «professionale» a proposito di un suo fratello, esploratore di fama internazionale: «Henry James è venuto da noi per il tè questo pomeriggio - annotava in una lettera del 22 maggio 1896 - e ha continuato a farmi domande su Edward il quale, ne sono certa, finirà in uno dei suoi prossimi romanzi». Il forte sospetto, scoprendo oggi la vita di Caroline, è che sia stata invece lei a fornire a James più di una suggestione per le sue indimenticabili protagoniste femminili...

Il test del marshmallow Walter Mischel,2019-02-28T00:00:00+01:00 Il "test del marshmallow" è un curioso esperimento, tra i più celebri della psicologia contemporanea, realizzato per la prima volta negli anni Sessanta all'Università di Stanford. Un bambino viene lasciato da solo in una stanza davanti a un marshmallow: può scegliere se mangiarlo subito oppure attendere 15 minuti e averne in premio ben due. Alcuni bambini sapranno aspettare; altri, incapaci di resistere, si lanceranno su quell'invitante dolcetto di zucchero. Il professor Walter Mischel, noto psicologo e ideatore del test, ha poi comparato le capacità di autocontrollo dimostrate dai bambini con i successi ottenuti da adulti e ha dimostrato che chi ha saputo aspettare ha raggiunto molti più traguardi. L'autocontrollo è dunque il segreto del successo? Chi sa tenere a bada gli istinti e rinviare le gratificazioni ha più probabilità di realizzarsi nella vita? E queste capacità sono innate o si possono acquisire e affinare con l'esercizio? Mischel ci spiega come l'autocontrollo sia fondamentale nello studio, nello sport, nel lavoro e in tante altre circostanze della vita quotidiana, senza dimenticare però che anche un eccesso di forza di volontà può avere le sue controindicazioni.

My...Columbus! Lanfranco Fiorentino,2023-04-21 Uno scorcio di vita, un tributo all'amicizia. Una raccolta di sensazioni, emozioni, storie personali, che hanno segnato uno dei periodi più significativi della mia vita e, forse, anche il resto di essa.

Studio Tennis Stefano Meloccaro, 2016-12-19 Da più di vent'anni Stefano Meloccaro fa il giornalista. Ha girato il mondo per raccontare il tennis, ed è il conduttore del programma di approfondimenti che fa da trait d'union alle cronache Sky sui Masters 1000 (i tornei più importanti del circuito ATP Tour), sulle ATP Finals (un tempo lo chiamavamo Master) e sui Championships di Wimbledon. Lì Meloccaro ha intervistato tutti i più importanti personaggi del tennis moderno. Ma da qualche tempo, se chiedi in giro chi è Stefano Meloccaro ti senti rispondere: "È il giornalista che lavora con Fiorello a Edicola Fiore". Ovvero, il co-protagonista in una trasmissione di grande successo. Così, chi ancora non lo conosceva, ha finalmente scoperto questo simpatico ragazzo di 52 anni che canta, suona e porge la battuta al grande showman con la stessa precisione con cui il suo amico Paolo Bertolucci preparava la strada alle incursioni a rete di Adriano Panatta. In questo libro, Stefano Meloccaro mette assieme ricordi come quello di una strana partita di doppio con Adriano Panatta, interviste a numeri 1 che si chiamano Federer o McEnroe, curiosi retroscena di un mondo che conosce dall'interno. E tanto altro ancora, narrando ogni storia con la stessa ironia con cui ha saputo entrare da subito nel cuore degli italiani. «Credo che questo libro vada letto sul serio, e con attenzione», scrive nella prefazione Ivan Ljubicic, partner di Meloccaro in tante trasmissioni Sky, oggi coach di Roger Federer, «perché è scritto con la giusta leggerezza, ma pieno di amore per il nostro sport».

Migrazioni AA. VV., 2020-12-03T00:00:00+01:00 Il volume nasce dall'esigenza di un confronto a più voci sul tema delle migrazioni. Al fine di dare conto della complessità della questione, il volume si articola in tre sezioni tematiche, che rispondono ad altrettanti itinerari interdisciplinari: Corpi/Spazi/Identità; Sguardi/Rappresentazioni/Discorsi; Frontiere/Erranze/Attraversamenti. L'obiettivo è riflettere a più voci sulle migrazioni e offrire strumenti adeguati e completi che tengano conto della multidimensionalità del fenomeno. L'interdisciplinarietà - frutto dell'incontro tra le diverse discipline e prospettive scientifiche - è l'approccio scelto per fornire un punto di vista accurato e consapevole sui temi trattati. In questa prospettiva, il testo raccoglie saggi inediti di studiose e studiosi afferenti a diverse aree disciplinari: sociologia, linguistica, letteratura, demografia, storia, psicologia, islamologia, e spazia dalle determinanti e dalle dinamiche dei flussi migratori all'impatto delle migrazioni sui contesti di partenza e di arrivo, alle strategie di integrazione, alle resistenze istituzionali e alle soggettività migranti.
