The Moth James M. Cain, 2024-05-21 A novel of a privileged young man's twisting, troubled journey through Depression-era America: "A great book by a great author." —Los Angeles Daily News Jack Dillon has been a golden child since birth. Blessed with blond locks, glittering eyes, and a perfect voice, he is the most popular child singer in Baltimore. But when puberty robs him of his voice and the stock market wipes out his family fortune, Jack is forced to rebuild. Over the next fifteen years, Jack will see it all. From Maryland to California and back again, he will become a football star, a soldier, and a tramp. Despite all that life throws at him, he never loses his eye for beauty, or his hunger for a woman he has known since childhood. But to find happiness in the face of the Depression, Jack must learn that no matter how the world has changed him, part of his soul remains as pure as the first note he sang. "James M. Cain is one novelist who has something to teach just about any writer, and delight just about any reader." —Anne Rice, #1 New York Times bestselling author of *Interview with a Vampire*

Choral Scores Dennis Shrock,2015-03-03 Choral Scores is an anthology of music exemplifying distinctive choral repertoire by the most noteworthy composers throughout the history of Western music. A companion volume to Denis Shrock's Choral Repertoire (Oxford 2009), it presents works of salient importance to the development of choral music in Western culture, representing the music of the composers, eras, and movements discussed most prominently in that volume. Including 132 compositions by 124 different composers, each presented unabridged and in full score, and spanning the entirety of Western music history, from the medieval era through the twentieth century, and into the twenty-first, Choral Scores is the most thorough, and up-to-date collection of choral music available. Complete with an appendix offering literal translations of texts, as well as composer and genre indices, Choral Scores is an essential reference for choral scholars, teachers, and students alike.

Corey asks him to stay, but Gage has obligations in Kansas and decides to return home, leaving Corey and the city behind. Once back home, Gage struggles without Corey at his side. Then a rodeo accident sends Gage to the hospital and Corey shows up to visit. Corey becomes medicine for Gage. During his visit, the two become intimate again.
