They reconnect when the handsome doctor attends a medical conference in Galveston where she owns a dinner club. Liz decides to grab love this time and agrees to marry Ari. She moves to Egypt to begin a new life with him. During their honeymoon at Luxor, she is pushed onto a newly discovered tomb and an ancient curse sends her soul hurtling back in time to restore Nefertiti to life so the queen can give birth to her son. Elizabeth tiptoes through a problematic pregnancy while Akhenaten falls further into madness. Isis promises to help Elizabeth return home once Nefertiti's baby is safely born. However, once the baby is born, Elizabeth finds it increasingly difficult to leave the child she now loves. Will she be able to return to the man she loves, or will she be trapped in the eighteenth dynasty by the love she has for an infant? What other struggles will Ari and Elizabeth face if her soul is able to return to her body? Whatever happens, Elizabeth knows she will love Ari forever.

God has used hospice babies—those left to live and die without family to care for them—to mend Cori's broken heart. Bringing these fragile hospice babies into their home, Cori and her family have promised to hold them briefly, until their last breath on this side of heaven, but to love them forever and always. The loving actions of Cori and her family show that we can do all things through Christ who gives us strength. Cori's poignant story will strengthen your faith. . . It will touch your heart. Bonus! I'll Love You Forever Giaae Kwon,2025-03-18 Jia Tolentino's Trick Mirror meets Cathy Park Hong's Minor Feelings in a meditation that blends memoir and cultural criticism to explore how the author's love affair with K-pop has shaped her sense of self, charting K-pop's complex coming-of-age through some of its biggest idols. I'll Love You Forever: Notes from a K-Pop Fan is a smart, poignant, constantly surprising essay collection that considers the collision between stratospherically popular music and our inescapably personal selves. Giaae Kwon delves into the global impact of K-pop artists, from H.O.T. to Taeyeon to IU to Suga of BTS, and reveals how each illuminated and shaped her own life. In using intimate experiences to examine larger cultural topics, this singular work breaks new ground in its consideration of K-pop. Written from the perspective of a bilingual and bicultural Korean American, I'll Love You Forever blends the critical with the personal. Kwon interweaves profiles of different K-pop idols with ruminations on various aspects of Korean culture, from the country's attitude toward plastic surgery and female sexuality to its obsession with academia. Combining insightful critique and adoring analysis, I'll Love You Forever provides readers with a fuller picture of a culturally and socially complex industry and the machine and heart behind its popularity. Above all, Kwon offers up the passion of a superfan, finding joy in K-pop along the way.

Marked by Love Tim Stevens,2018-10-01 What does it mean to be Marked by Love? The more I peel away the rules and expectations and exhausting obligations, the more I find the love of Jesus. These things don't peel away easily—more like a price tag that you pick off in a million tiny pieces. But with every scrap removed there is exposed a treasure of love that was there the whole time—disguised and hidden by religion. -- Tim Stevens ### Jesus said the one thing that would set his disciples apart from others...they would be known by their love for each other. No tattoo. No uniform. No team colors or logos or code words. The one thing that would mark the followers of Jesus—love. Consider. . . How would I treat someone who I disagree with in a political discussion if I ran everything I said through a filter of love? How would I treat the family member who drives me crazy if I were marked by love? What would be different about my social media posts or comments if I really loved the people I was responding to or writing about? How would I talk about or act toward the LGBTQ community if I was actually following in Jesus' steps? This is real life stuff. Join seasoned author Tim Stevens as he walks you through 31 story-driven chapters that will challenge and encourage you to filter every thought, behavior, word, and action through a lens of love. If you've ever been discouraged by Christianity—whether you're a lifelong churchgoer or you gave up on religion a long time ago—Marked by Love will be a game-changer in your faith journey.

QUOTES PLUS: A Book of Quotes & Thoughts of a Deep Thinker Plus True Short Stories Dr. Neenah Boyd, PhD-HNsD, 2021-11-08 QUOTES PLUS: A Book of Quotes & Thoughts of a Deep Thinker Plus True Short Stories By: Dr. Neenah Boyd QUOTES ARE a dime a dozen. They uplift, inspire, and encourage. They change a person's perspectives and enlighten. Reading a quote can affirm previous thoughts or offer a new look at a situation. Some quotes can have an opposite effect that disproves a previous thought, which can be healthy. EACH QUOTE or thought in QUOTES PLUS: A Book of Quotes & Thoughts of a Deep Thinker Plus True Short Stories has a companion quote or thought on the next line. Some are brief, memorable, and easily quotable. Two true short stories follow the quotes and thoughts. One is about a thank-you letter sent to the author by His Royal Highness, Prince Charles of Wales. The other is about the replica of Noah's Ark in Kentucky, USA. The entire book of quotes, thoughts, and short stories are originals and come from the author's depth of education, professional life of thirty years as a Speech/Language Pathologist with a niche working with gifted junior high students, extensive Jewish and Christian theology, practice of the 613 commandments, and leadership thereof; as well as business world experience as the Founder, CEO/CFO of a humanitarian nonprofit, and roles in Toastmasters International, which is the organization that helps adults improve their public speaking and leadership skills. THE AUTHOR believes everyone can be more successful than they are with the right tools and inspiration. The short stories are loaded with inspiration that will leave the reader highly encouraged. This book was written so that the contents would be widely quoted, shared, given as gifts, used to bolster articles, research papers, etc. Cover design and photos were done by the author's fantastic husband and greatest supporter, William Boyd.

Fanpire Tanya Erzen, 2012-10-30 An author immerses herself in the frenzied fandom of Twilight, the young-adult vampire romance series that has captivated women of all ages. Twilight, Stephenie Meyer's young-adult vampire romance series, has captivated women of all ages, from teenagers who swoon over the film adaptations to college-educated women who devour the novels as a guilty pleasure. All told, over 110 million copies of the books have been sold worldwide, with translations into 37 languages, and the movies are some of the highest-grossing of all time. Twilight is a bona fide cultural phenomenon that has inspired a vast and unimaginably fertile fan subculture—the "fanpire," as the members describe it. Just what is it about Twilight that has enchanted so many women? Tanya Erzen—herself no stranger to the allure of the series—sets out to explore the irresistible pull of Twilight by immersing herself in the vibrant and diverse world of "Twi-hards," from Edward-addiction groups and "Twi-rock" music to Cullenism, a religion based on the values of Edward's family of vegetarian vampires. Erzen interviews hundreds of fans online and in person, attends thousand-strong conventions, and watches the film premiere of New Moon with Twilight moms in Utah. Along the way, she joins a tour bus on a pilgrimage to Twilight-inspired sites, struggles through a Bella self-defense class, and surveys the sub-universe of Twilight fan-fiction (including E. L. James's enormously popular "Master of the Universe" story, the basis for her erotic novel Fifty Shades of Grey). Erzen also takes a deeper look at the appeal of traditional gender roles in a postfeminist era saturated with narratives of girl power. If Twilight's fantasies of romance and power reflect the fears, insecurities, and longings of the women who love it, the fanpire itself, Erzen shows, offers a space for meaningful bonding, mutual understanding, and friendship. Part journalistic investigation and part cultural analysis, Fanpire will appeal to obsessed fans, Twilight haters, and bemused onlookers alike.

Poetry & Quotes: Reflecting Clearly Anthony Rosario Wagner, 2016-08-29 This is the four installment in the Poetry & quotes series Poetry & Quotes: Reflecting Clearly Through every moment and every aspect of our lives we have moments that we may regret or that we may embrace. But when we reflect on the moments of our past they either bring smiles to our faces or tears running down them. To reflect means to think deeply and carefully about. Clearly means to in such a way as to allow easy and accurate perception or interpretation. Use the source to gather what you have reflecting clearly. When you're clearly reflecting you're thinking about moments in time that meant something to you and without a doubt you remember them to the very moment that it happened. Sometimes that's all life is a series of moments though it is true to cherish every single moment whether it's good bad or indifferent they belong to and at the end of the day I don't want to rip that from you.

What would someone say to their childhood sweetheart, their life partner, their latest crush or their cherished soul mate? 'Thanks for everything?' Contains the plays *Schmucks*, *Baghdad Boogie*, *Bombing People*, *Reno*, *The Lad Himself*, *Working for Mammon*, *Waugh in Winter*, *Reading Gaol*, *The VIP*, and *The Weight of Days*.

The Prayer of My Life: How God Changed Me in Seven Months Tony Portugal, 2010-03-24 What makes this book extremely unique is that the story portion, minus the editing process, was actually written in less than one week. The principles, which are at the end of the story, were written during Tony's journey in his initial seven months with God. In Tony's own words he says: I was not raised in church. I have never known God. Truthfully, I have never actually known myself. My family's love and their concerns for my well-being had always fallen on deaf ears. Simply by establishing my life around counterfeit friends, it forced me to live in the darkest reality of my time. What changed? I went to kill a man and instead Jesus interfered. It is quite unbelievable how believable God really is. The Bible would become the first Book I ever read. Did I understand it at first? No. But the Bible is not based on logical thinking, but illogical people. Lord, I refuse to leave Your presence until You bring out of me what You promised was in me. With that same perspective, the Bible contains a power that enables us to go beyond ourselves. Its mind-blowing how within seven months God can flip your world inside out!

They Called You Dambudzo Flora Veit-Wild, 2022 Compelling memoir of Flora Veit-Wild and her relationship with the

Zimbabwean novelist, poet, playwright, and essayist Dambudzo Marechera, one of Africa's most innovative and subversive writers and a significant voice in contemporary world literature. How shall I tell our story? I hear your voice ringing in mine. I struggle to disentangle a dense tapestry of memories. One thread will be caught up in another. Early images will embrace later ones. My gaze will often be filtered through your eyes, your poems. In the end I will not always be able to tell the original from the reflection. Just as you wrote, Time's fingers on the piano / play emotion into motion / the dancers in the looking glass never recognise us as their originals. This book is a memoir with a 'double heartbeat'. At its centre is the author's relationship with the late Zimbabwean writer, Dambudzo Marechera, whose award-winning book *The House of Hunger* marked him as a powerful, disruptive, perhaps prophetic voice in African literature. Flora Veit-Wild is internationally recognised for her significant contribution to preserving Marechera's legacy. What is less known about Marechera and Veit-Wild is that they had an intense, personal and sexual relationship. This memoir explores this: the couple's first encounter in 1983, amidst the euphoria of the newly independent Zimbabwe; the tumultuous months when the homeless writer moved in with his lover and her family; the bouts of creativity once he had his own flat followed by feelings of abandonment; the increasing despair about a love affair that could not stand up against reality; and the illness of the writer and his death of HIV related pneumonia in August 1987. What follows are the struggles Flora went through once Dambudzo had died. On the one hand she became the custodian of his life and work, on the other she had to live with her own HIV infection and the ensuing threats to her health. Jacana: Southern Africa

State Of Being (Poetry & Quotes) Anthony Rosario Wagner, 2015-10-26 This 3rd and latest installment of poetry and quotes is what I believe to be poetry in motion. As we live our lives day to day we see and experience events that shape us and maybe define us as individuals. In the instance we experience traumatic events or witness outstanding miracles of God or breakthroughs in technology we find ourselves in a State Of Being to write our own story in our words to let the world know I was there. People are going to come into your life that need you, and being there for them makes the day worth living. Inside every human being there are treasures to be unlocked. This book is dedicated to you Ryan. You are the son of my body I will cherish you now and always. I can't wait to see the wonderful man you will become actually I can wait take your time growing up because I'm cherishing every moment.
