*In Memory of Memory* Maria Stepanova, 2021-02-09 An exploration of life at the margins of history from one of Russia's most exciting contemporary writers Shortlisted for the 2021 International Booker Prize Winner of the MLA Lois Roth Translation Award With the death of her aunt, the narrator is left to sift through an apartment full of faded photographs, old postcards, letters, diaries, and heaps of souvenirs: a withered repository of a century of life in Russia. Carefully reassembled with calm, steady hands, these shards tell the story of how a seemingly ordinary Jewish family somehow managed to survive the myriad persecutions and repressions of the last century. In dialogue with writers like Roland Barthes, W. G. Sebald, Susan Sontag, and Osip Mandelstam, *In Memory of Memory* is imbued with rare intellectual curiosity and a wonderfully soft-spoken, poetic voice. Dipping into various forms—essay, fiction, memoir, travelogue, and historical documents—Stepanova assembles a vast panorama of ideas and personalities and offers an entirely new and bold exploration of cultural and personal memory.

**The Lighthouse at the Edge of the World** J.R. Dawson, 2025-07-29 *The Lighthouse at the Edge of the World* is a powerful and poignant contemporary Queer fantasy perfect for fans of *Hadestown* and *Under the Whispering Door* At the edge of Chicago, nestled on the shores of Lake Michigan, there is a waystation for the dead. Every night, the newly-departed travel through the city to the Station, guided by its lighthouse. There, they reckon with their lives, before stepping aboard a boat to go beyond. Nera has spent decades watching her father—the ferryman of the dead—sail across the lake, each night just like the last. But tonight, something is wrong. The Station's lighthouse has started to flicker out. The terrifying, ghostly Haunts have multiplied in the city. And now a person—a living person—has found her way onto the boat. Her name is Charlie. She followed a song. And she is searching for someone she lost. Gorgeous, lyrical, heartfelt, and true in all the ways that matter! This is an achingly beautiful book that is as much about life as it is about death.—Sarah Beth Durst, *New York Times* bestselling author of *The Spellshop* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**Mr. Mouthful** Ian O. Lewis, 2019-04-02 Big Talent, Huge Ego, and an Enormous... Everything. Josh- After years of hard work I finally landed my dream job as a musician with a major orchestra. When our new conductor with a name too hard to pronounce strutted on to the stage for the first time, he oozed a confident and cocky sex appeal that captivated me and every other person present. I was used to being the wallflower, the boy always picked last for the team. So when he demanded I meet him after work for a private rehearsal, I was shocked. Of course I went, only to discover my new conductor was a bit handsy, if you know what I mean. At first I thought I was reading too much into it, but the chemistry sparking between us was real. Serge was more than just my boss, he was a force of nature determined to make me his. Serge- Don't fall in love. Ever. That's how I lived my life, until I met him. When I first laid eyes on Joshua, all I could think of was how much I wanted to hear his voice screaming my name while I... you get the picture. I was coming dangerously close to falling for him, which could destroy me and the paper-thin walls I'd built to keep the world at bay. On the outside, I appeared to have everything a man could want. A successful career that spanned the globe, and a face that appeared on the covers of magazines. On the inside, I had a secret that could destroy us both. Mr. Mouthful is a red-hot read about a mercurial man who appears to have it all, but realizes he has nothing without the only man he loves by his side. It's book three in The Boys of Oregon Hill Series and can be read as a stand-alone novel. Perfect read for fans of gay romance featuring musicians, scars, artists, first love, and the authors Elle Kennedy, Sabrina Bowen, Andrew Gray, AE Via, Parker Avrielle, Sean Michael, John Inman, Felice Stevens, Marie Sexton, Rick Reed, and Amy Aislin.

The Boys of Oregon Hill Ian O. Lewis, 2020-06-29 Welcome to Oregon Hill, a neighborhood filled with music, art and soulful men searching for their happily ever after. The Boys of Oregon Hill series are now available in one steamy volume. Lovefool- Kent King left home to attend medical school, and experience life on his own. He left behind his first love, and he's never forgotten the sizzling chemistry they shared. Offered the job of his dreams, he returns to his hometown excited to start his new career in public health. But his heart has never forgotten Erik, the soulful lover who claimed his heart over a decade ago. Will the tempestuous blue-eyed man he left behind forgive him for leaving in the first place? Recreational Love- Spencer Talbot returned home to Richmond to escape rumors and gossip after being abandoned at the altar. Secretly relieved the wedding didn't take place, all he wanted was a quiet place to lick his wounds and get on with his life. When his first love

reappeared after decades apart, his world was turned upside down. The attraction between Spencer and Michael was overwhelming, but the timing couldn't be worse. Giving in to his feelings would make him vulnerable, and he'd had enough rejection to last a lifetime. Could Spencer open himself to Michael and finally be with the only man he'd ever loved? Mr. Mouthful- After years of hard work Josh landed his dream job as a musician with a major orchestra. When his new conductor with a name too hard to pronounce strutted on to the stage for the first time, he oozed a confident and cocky sex appeal that captivated everyone present. Josh was used to being the wallflower, the boy always picked last for the team. So when Serge demanded Josh meet him after work for a private rehearsal, he was shocked. Of course Josh went, only to discover his new conductor was very touchy feely. At first Josh thought he was reading too much into it, but the chemistry sparking between them was real. Serge was more than just his boss, he was a force of nature determined to conquer Josh's heart. Handsy- Cast out of his home at a tender age, Joseph Carter McElroy relied on the world's oldest profession to make ends meet. After leaving the world of hustling behind, he struggled to find a path forward, until one day the family that originally betrayed him showed up with the fortune he'd long been denied. There were strings attached to the offer, and despite the financial freedoms he'd gain, Joe didn't think he could marry just anyone for the millions. When Luke showed up on his doorstep, it was like *deja vu*. As teens, Luke had unknowingly triggered events that would change Joe's life forever. Sixteen years later, the handsome artist was about to turn Joe's world upside down again. The Boundary- One fateful night on the stage of the Royal Opera House, my life was irrevocably changed. Midway through a performance, and in front of thousands of fans, my voice failed me. Instead of giving up, I swore I'd forge a new path. Two years later, my voice was better than ever, and I signed a lucrative contract with the Virginia Opera that came with many perks. This included an alluring personal assistant, Gray Wyatt. I'd kissed Gray, a mistake a boss should never make with an employee. The feeling of his body trembling in my arms, and the moans that came deep from within his chest, played on repeat in my heated imagination. It didn't matter where I was, or what I was doing, the memory of that forbidden kiss haunted me. The Boys of Oregon Hill features a cast of characters readers love, and now they are all in one smoking hot volume. Grab a cocktail or a cup of joe and binge read all five full-length novels. **Lives of the Laureates, seventh edition** Roger W. Spencer, David A. Macpherson, 2024-04-30 Autobiographical accounts by Nobel laureates reflect the richness and diversity of contemporary economic thought and offer insights into the creative process; with six new laureates. Lives of the Laureates offers readers an informal history of modern economic thought as told through autobiographical essays by thirty-two Nobel Prize laureates in economics. The essays not only provide unique insights into major economic ideas of our time but also shed light on the processes of intellectual discovery and creativity. The accounts are accessible and engaging, achieving clarity without sacrificing inherently difficult content. This seventh edition adds six Nobelists to its pages: Roger B. Myerson (co-recipient in 2007) describes his evolution as a game theorist and his application of game theory to issues that ranged from electoral systems to perverse incentives; Thomas J. Sargent (co-recipient in 2011), recounts the development of the rational expectations model, which fundamentally changed the policy implications for macroeconomic models; Amartya Sen (recipient in 1998) reflects on his use of a bicycle (later donated to the Nobel Museum) to collect data early in his career; A. Michael Spence (co-recipient in 2001) describes, among other things, his whiplash-inducing first foray into teaching an undergraduate class; Christopher A. Sims (co-recipient in 2011) discusses his "non-Nobel" research; and Alvin E. Roth (co-recipient in 2012) chronicles the "three insurrections" he has witnessed in mainstream economics. Lives of the Laureates grows out of a continuing lecture series at Trinity University in San Antonio, which invites Nobelists from American universities to describe their evolution as economists in personal as well as technical terms. The Laureates W. Arthur Lewis, Lawrence R. Klein, Kenneth J. Arrow, Paul A. Samuelson, Milton Friedman, George J. Stigler, James Tobin, Franco Modigliani, James M. Buchanan, Robert M. *The Essential David Everett Reader* David Everett, 2012-10-01 David Everett wrote the way he played the piano for the sheer joy of entertaining. His stories are unfailingly funny. Everett's memoirs tell of growing up in east Texas during WWII, the military after Korea but before Viet Nam, gays at UT in the 50s, Winedale and Johnson City in the 60s, playing the piano behind the iron curtain in Europe, and much, much more. Diagnosed with Parkinson's at 45, Everett continued to enjoy life for another 28 years, first working on campus and then retiring to Mexico. This book tells in droll detail the story of the coming of age of a gay Texan, the pleasures and traumas of the 60s, the heroic struggles of an unrepentant iconoclast, beset with a degenerative disease, who faced the world with intelligence, sensitivity, and humor. This book is a song with many verses and a single underlying theme: art as a form of salvation, writing as a pure act of love.

Captivity, Slavery and Survival as a Far East POW Peter Fyans, 2012-04-19 Captivity, Slavery and Survival as a Far East POW is the incredibly moving story of Gus Anckorn, a British soldier who was captured by the Japanese and held for over three and a half years. Before the war, Gus was a magician and throughout the war, entertained both fellow soldiers and Japanese guards with his tricks. Gus has a brilliant sense of humor and a 'tell it as it is' attitude which got him into a number of scrapes with both the Japanese and his own side. He has a remarkable humility to his character and is extremely endearing, both in the book and face to face guaranteeing massive media attention. Gus experienced terrible ordeals that no

one should have to face. He should have been killed on four or five occasions, but remarkably survived due to quick thinking and good luck. Gus also reveals the heartache of leaving his fiancée behind and not knowing if he would ever see her again. This is an incredibly moving book and will surely be considered as one of the classic Far East POW stories. Gus is still alive and active today, very publicity focused and well connected. He still holds the unique claim of being the youngest ever member of the Magic Circle and is now currently their oldest ever member. He is also a member of the Masons. Gus has appeared on BBC TV when they arranged for him to meet a Japanese POW camp guard on the bridge at Kwai.

Yet she soon senses something dark and sinister lurks beneath the ship's decadent halls, ornate ballrooms, and opulent jazz clubs. When people close to her begin disappearing, she is left with no other choice than to set out and uncover the vessel's secrets along with fellow passenger Kye-Shin Hura.
