*In the Shade of a Shadow of Reason* Verna Lee Hutton-Ely, 2011-10-06 Lucy Cavanagh has experienced periods of missing time since her childhood. They have estranged her from her friends and family, who are unable to cope with things out of the ordinary and who refuse to believe her explanations that she does not know what is happening to her. Once she shares her secret, even the people in the Christian churches she has attended end up judging her as insane, or worse, demon-possessed. It is not until she finds herself in a meadow totally unaware of how she has gotten there and comes face to face with a handsome stranger who claims to believe her that she finds the love and acceptance she has been longing for. But this man has secrets of his own, secrets that she is unwilling to believe. Can love conquer disbelief? A mixture of fate and fantasy pushes the boundaries of Lucy's faith until she questions her own sanity.

**Find Your Fit** Sue Kaiden, 2016-10-20 Master the new world of work. You want—no, you need—a new job. But not just any job. The job. So you polish your resume till it shines. You apply for countless openings, tailoring your message to each. You search for the hidden job market, although it remains very well hidden. And the response? Well, it's underwhelming. To top things off, maze-like online application systems appear designed to keep you and the perfect job apart. What's going on? How people successfully land jobs has changed. You need help from a pro, someone who navigates career data, the labor market, and hot jobs with ease. You want a coach who will tell you what to pursue and what to avoid, and an expert who has mastered job-hunting and career change to offer wisdom gained from experience. What you need is a career coach. Better yet, several. Expert career coaches contributing to this volume include Lakeisha Mathews, Dan Schwartz, Sheila Margolis, Alisa Cohn, Michelle Riklan, Marie Zimenoff, Laura Labovich, Lynne Williams, Thea Kelley, Jean Juchnowicz, Alan DeBack, Marilyn Feldstein, Vivian Blade, David Hosmer, Barbara Seifert, and Nicole Miller. Find Your Fit guides you through answering foundational questions like: What do I want to do with my career? Where should I do it? And how do I get there? As you develop a strong sense of self-awareness, you'll be able to identify the work environment best for you, shape your

online identity, and network more effectively by focusing on people instead of openings. You'll learn about coveted employee referrals, and how to get one at your target company. With the help of experienced career coaches, you'll be able to handle any kind of interview. And, you'll become familiar with the pre-employment testing and assessments increasingly common today. What are you waiting for? Your personal coaching session awaits.

The 7 Questions to Find Your Purpose Richard Jacobs,2017-10-17 Offers a simple and effective step-by-step process to help you discover and live your life purpose now. In this groundbreaking book, Richard Jacobs explains that we each have our own individual purpose in life, but until we name it we can never really know what potential it can unleash in us. Finding our purpose is about finding a way of living that truly expresses our core values about life. Living to our purpose and sharing the best of ourselves is what brings us our greatest peace, happiness and fulfilment, but to find your purpose you have to ask yourself the right questions. Answering is easy... finding out what the right questions are is the tricky bit. 7 Questions to Find Your Purpose offers an effective means of discovering and defining your own life purpose. Through answering a series of seven unique and deeply revealing questions, you can distil a statement that encapsulates who you really are and what is most important to you. Once you've found it, this book will show you how to formulate ways to put your newfound purpose into action, as well as to develop motivational techniques to keep you on track for living a life that is entirely true to yourself. What's more, the questions themselves - short, simple, easy and to the point - can be answered in one sitting.

*Night Terror* Chandler McGrew,2015-07-01 Two boys vanish and the mother of one is convinced her son is still alive and that somewhere in her own past lies the key to his disappearance. She must confront the tortuous maze of her memory. As she and the local Sherriff both move closer to the truth in their own ways, they are aware someone knows exactly what happened-and who must die next.

The Privatized State Chiara Cordelli,2022-05-03 Why government outsourcing of public powers is making us less free Many governmental functions today—from the management of prisons and welfare offices to warfare and financial regulation—are outsourced to private entities. Education and health care are funded in part through private philanthropy rather than taxation. Can a privatized government rule legitimately? The Privatized State argues that it cannot. In this boldly provocative book, Chiara Cordelli argues that privatization constitutes a regression to a precivil condition—what philosophers centuries ago called a state of nature. Developing a compelling case for the democratic state and its administrative apparatus, she shows how privatization reproduces the very same defects that Enlightenment thinkers attributed to the precivil condition, and which only properly constituted political institutions can overcome—defects such as provisional justice, undue dependence, and unfreedom. Cordelli advocates for constitutional limits on privatization and a

more democratic system of public administration, and lays out the central responsibilities of private actors in contexts where governance is already extensively privatized. Charting a way forward, she presents a new conceptual account of political representation and novel philosophical theories of democratic authority and legitimate lawmaking. The Privatized State shows how privatization undermines the very reason political institutions exist in the first place, and advocates for a new way of administering public affairs that is more democratic and just.

*The Practice of Dream Healing* Edward Tick, 2001-08-01 Asklepios was the gentle Greek god of healing. Like Christ, he was said to have walked the earth performing miracle cures. His medicine was practiced by priests who interpreted patients' dreams in which the god gave advice. Dr. Tick's classic work explores dream-healing techniques from this ancient tradition.

**American Dramatists in the 21st Century** Christopher Bigsby, 2023-02-23 In *American Dramatists in the 21st Century: Opening Doors*, Christopher Bigsby examines the careers of seven award-winning playwrights: David Adjmi, Julia Cho, Jackie Sibblies Drury, Will Eno, Martyna Majok, Dominique Morisseau and Anna Ziegler. In addition to covering all their plays, including several as yet unpublished, he notes their critical reception while drawing on their own commentary on their approach to writing and the business of developing a career. The writers studied come from a diverse range of racial, religious and immigrant backgrounds. Five of the seven are women. Together, they open doors on a changing theatre and a changing America, as ever concerned with identity, both personal and national. This is the third in a series of books which, together, have explored the work of twenty-four American playwrights who have emerged in the current century.

Islam and Higher Education in Transitional Societies , 2019-02-11 *Islam and Higher Education in Transitional Societies* explores and illuminates the intersection of Islam and higher education in changing societies. The critical question explored in this book is, what role does Islam play in higher education in transitional societies? This book presents research conducted in geographic regions that are generally under-researched including Iran, Turkey, Pakistan and where the place of Islam in higher education is often not well-explored. Because higher education is embedded in the cultural, social, economic and political contexts of particular countries, it is important to examine the role of Islam in higher education systems in different countries to better grasp how next generation of leaders in these countries will be shaped. *Islam and Higher Education in Transitional Societies* serves as an important benchmark for understanding Islam and potentially inform policies to transform higher education institutional processes and structures to be responsive to the Muslim world.

*The Political* David Ingram, 2002-01-21 *The Political* is a collection of readings by the most important political philosophers representing the six major schools of Continental philosophy: Phenomenology, Existentialism, Critical Theory, Poststructuralism, Postmodernism, and Postcolonialism.

*Mom Energy* Ashley Koff, R.D.,Kathy Kaehler,2011-09-01 From celebrated dietitian Ashley Koff and fitness trainer to the stars Kathy Kaehler comes Mom Energy, an exciting new way for moms to tap into their own natural and renewable sources of energy to overcome fatigue and achieve their personal health goals. Koff and Kaehler have put together a safe, sensible, flexible, and, most importantly, effective program for moms of any age-whether their kids are in diapers or heading off to college. While being a mom is undeniably rewarding, it's also one of the most physically demanding and stressful activities in modern society. In fact, one of the most common complaints from mothers is that they simply don't have the energy to do everything they want, which means they end up sacrificing one thing (usually their own health) to accomplish another. But these sacrifices aren't necessary if you follow some simple guidelines and avoid secret energy saboteurs. With discussions that cover everything from nutrition to fitness to time management, Koff and Kaehler lay out a three-part program (reorganize, rehab, and recharge) that can be molded to any lifestyle to help moms naturally up their energy levels. And with this enhanced energy, they will get all sorts of other unexpected benefits, including a stronger immune system, easier weight loss, and even better relationships. Mom Energy will teach readers what will help and what will hurt in their quest for optimum energy.
