The Anunnaki Bible Christine Djerf,2022-08-02 4 different plots are followed through 500 years. We get to meet the aliens written about The Anunnaki Bible, the bible covering both the past and future. Main plot character throughout the book is J'Ska, an old Alien general. Together they're all searching for the truth about life on earth and today's society with wars and conspiracy's. Liza The alien continues "As the worm replaces the DNA string which is your life recording with another, you will slowly die and this body of yours will start to decompose". As this extraterrestrial being was talking, Liza felt her body stop reacting bit by bit and she seemed to sink together into a pile. Her muscles had started to dissolve. -Why are you doing this? She whispered without any strength left, as she became sitting on the floor not able to move. Soon, all she had left were her eyesight. She saw the clone turn from the aquarium and soon her vision became more and more blurred, then black! The alien brought forth a robe and she started to dry the clone's hair and a soft humming filled the bridge again as she said "Welcome back Liza, how was your sleep"? The clone smiled and answered "Thank you J'Tika, it was to my satisfaction but, did we sense the clone becoming a being with its own feelings"? She led them to the enormous window facing the universe, here where a billion stars fill the void and galaxies were only as far away as our thoughts. -"I believe so, my dear, I believe so" J'Tika answered. She continued "are you sure my dear, that you want to visit earth yourself this time"? Liza smiled "oh, yes! I have had a wonderful virtual experience here on this blue planet. It is time to enter a new host soon too and what are our upcoming agenda"? J'Tika swept her hand in the air and a cube, big as a football, without walls but filled with signs, appeared. She talked to the cube and it sent small electrical lights from her orders to the commando bridge and it began to change its whole structure. Suddenly the entire ship looked like the main city on a busy planet. This was not only a hologram. This was advanced building techniques, rearranging tiles in structure by commanding atoms to move. J'Tika interpreted what she saw as "we have non humans, non guardians with high intelligence growing by

the number quickly and by the look of this, their older cities may already be as old as 4000 years or more. -Shall we interact? Liza held her hand up and shook it. -No, not now! We must find "3" first and the rest of that fleet. Before Liza went back to earth, she stared into a new glass tank where a baby human was growing. "When shall we leave dear", J'Tika asked. Liza said nothing at first but then she looked around the hundreds of glass tanks in the first chamber "let's ask the others when I come back, we can not leave any clones behind on earth anyway and I kind of like this place. It would be a shame killing every clone off...". The sunrise in Sunset Crater was magically beautiful. Mist covered the fields and it tried desperately to climb the hills but, as the sun rose, the mist sank further down along the ground until the only thing that was left were very small drops of water in the grass and on the leaves. On one of the logs by last night's campfire, Felicity and Philip sat holding each other tight with a blanket still wrapped around them... .. As the sun rose higher in the sky and hit their faces, a vague figure came walking from the Cinder trees. Felicity was the first one to see Liza and ran screaming of joy toward her "My God, where have you been". Liza felt a hug for the first time in real life, and she almost stumbled as she took her first breath with the taste of summer, moist and sweet flowers. Gazing towards the sun, she got struck with love for this short life but intense existence experience. "Amazing..." she whispers, knowing that all these people that came running toward her only are soul puppets, hidden in bodies as Armour for war, virtual pleasure or science. When... for a fact, the true beings were kept safe in DNA tanks, just to stay alive for millions of years... never seeing each other's faces for real. -This is life, she thought, even though they really don't know who they are, what they are or why!"

Anunnaki Religions, and Why You Believe What You Believe. Dr. James Krieger D.D., 2017-02-03 The word anunnaki means princely offspring (John 14:30) whom we call the devil or Satan, whose real name is Yaldabaoth. Dark or fallen angels or spirits really (Eph. 6:12) come to us in many ways, shapes, and forms (Hebrews 13:2). The book of the Babylonia, called Igigu, explains Rev. 13:1. The three ungodly spirits are Yaldabaoth, Sakla, Sammu-el, and their seven authorities created this lower world and all of humanity out of his kingdom of the second heaven called outer darkness. Truth can only come from God. The fullness is called Jesus, the Word of God, the Comforter (John 14, 15, 16, 17). When you are born again in Gods way, this is Gods anointing (1 John 2:27). Let no man teach you because (all) every man is a liar, ignorant of Gods Word (Romans 3:4), as Jesus said in John 10:1. These books of all religions are called heresy because your religions and denominations want to keep you in darkness, bonds, and slavery by servitude through tithes. This is what Jesus said in Matt 11:25-30. He, Jesus, will break these bonds and make you free of man. Religion theology and church doctrine (John 10:1, John 14:6, John 17:17, and Eph. 5:26) will make you (John 8:28-36). This book and the six other teaching guide books that I have written are only knowledge (data) call statements of men's truth. My seven books are taken from the same books that the bishops of Rome used to put the Bible together. Daniel 12:4 means the latter rain or the age of information. Question is, what do Acts 17:11 and 2 Timothy 2:15, written in AD 60, mean to you? It does not mean the Bible.

7th Edition. Secret Transcripts of what the Extraterrestrials and Intraterrestrials Told our Governments. Volume 1 Maximillien De Lafayette, 2019-12-23 Published by times square press new York. The objectives of this book is to shed light on the information obtained from extraterrestrials, intraterrestrials and aliens, and how to benefit from such extraordinary discoveries, information and revelations...and not to fuel controversy and create gossip about this of that official, and what he/she has done and/or what he/she is hiding from the general public. Information obtained via Privileged access: Meaning access to governments' Above Top Secret files not shared with other intelligence agencies. In many instances and cases, United States Congressmen, The White House, and even the President himself were denied access to these files. This is an absolute fact. A combination of undisputed reports and findings: This, includes official reports, always Top or Above Top Secret level (Sections III, IV) by governments' specialized agencies and units, and knowledge/information gained from the Anunnaki Ulema;

Anunnaki Theory Authenticated with a New Twist Shafak GokTurk, 2018-06-16 What do all books about the Anunnakis have in common? The answer doesn't really matter because in this book Shafak GokTurk brings a different perspective on the subject, one that will take you to another dimension of reality in our world. Ever wonder how humankind was able to make such tremendous progress over the last 2,000 years? Why is leadership of the world shifting from East to West in politics, economics, and technology? GokTurk makes significant claims that will answer some of these questions and may radically change your viewpoint on the world. Unlike some authors who claim the Anunnakis left our world, GokTurk historically and methodically proves that they remain and have had a significant impact on our lives. The two main groups of Anunnaki—Enlil and Enki—are still active and have always been. A shift of power from one to the other that will reshape our world in the near future is imminent. Will this shift of power bring peace and prosperity, or are we destined to take a turn for the worse? Reading this book will enlighten you about various topics: who Admiral Byrd had a conversation with; Who is Shem to the great Rumi? What are the messages that these people were trying to give us? Do Anunnakis take humans into their society by allowing them to live forever? Purchase the book now to see the world order from a new perspective, as we come closer to meeting our true ancestors in 2060 (?).

Slave Species of the Gods Michael Tellinger, 2012-09-10 Our origins as a slave species and the Anunnaki legacy in our DNA • Reveals compelling new archaeological and genetic evidence for the engineered origins of the human species, first proposed by Zecharia Sitchin in *The 12th Planet* • Shows how the Anunnaki created us using pieces of their own DNA, controlling our physical and mental capabilities by inactivating their more advanced DNA • Identifies a recently discovered complex of sophisticated ruins in South Africa as the city of the Anunnaki leader Enki Scholars have long believed that the first civilization on Earth emerged in Sumer some 6,000 years ago. However, as Michael Tellinger reveals, the Sumerians and Egyptians inherited their knowledge from an earlier civilization that lived at the southern tip of Africa and began with the arrival of the Anunnaki more than 200,000 years ago. Sent to Earth in search of life-saving gold, these ancient Anunnaki astronauts from the planet Nibiru created the first humans as a slave race to mine gold--thus beginning our global traditions of gold obsession, slavery, and god as dominating master. Revealing new archaeological and genetic evidence in support of Zecharia Sitchin's revolutionary work with pre-biblical clay tablets, Tellinger shows how the Anunnaki created us using pieces of their own DNA, controlling our physical and mental capabilities by inactivating their more advanced DNA--which explains why less than 3 percent of our DNA is active. He identifies a recently discovered complex of sophisticated ruins in South Africa, complete with thousands of mines, as the city of Anunnaki leader Enki and explains their lost technologies that used the power of sound as a source of energy. Matching key mythologies of the world's religions to the Sumerian clay tablet stories on which they are based, he details the actual events behind these tales of direct physical interactions with "god," concluding with the epic flood--a perennial theme of ancient myth--that wiped out the Anunnaki mining operations. Tellinger shows that, as humanity awakens to the truth about our origins, we can overcome our programmed animalistic and slave-like nature, tap in to our dormant Anunnaki DNA, and realize the longevity and intelligence of our creators as well as learn the difference between the gods of myth and the true loving God of our universe.

One Deception to Rule Them All Gregory Lessing Garrett,2019-01-23 In the world today, there is a Luciferian Occult Epistemological Autocracy where ÒTruthÓ is allocated to a few Luciferian Elite Scientism Priests. There is a self-professed superiority amongst these hypnotized pseudo-academics, drunk on blind ambition, and hell-bent on creating a worldwide Techno Mystical Technocracy. In their eyes, they should be the supreme rulers over all others in a sterile, Brave New World, digitally manipulated and controlled tyranny. Where any sane and seasoned thinker would see inherent limitations to what Mankind can know and perceive, there are no such intrinsic limitations of empirical or epistemic reasoning within this Cult of The Luciferian Elite. This riveting book explains how this all happened, why, and what the chilling conclusion will be for Mankind as it endures the One Deception to Rule Them All.

The Anunnaki Book 1 - Awakening Paige Beecham, Tony Palmer, 2018-10-19 In the distant past, a group of advanced beings arrived on Earth through a rift in space-time. They were known as the Anunnaki, or Shining Ones. Establishing a home on Earth, they ruled over humanity for many thousands of years, as Gods. A genetically engineered army was created by fusing human and Anunnaki DNA. Known as 'The Protectors', they guarded the Earth against the many threats from beyond the rift. One such threat are the Dalkhu, creatures that feed on the life force of their victims and who return every few years

to harvest human souls. Paige lives in the sleepy Scottish border town of Loch Avar. She suffers from cerebral palsy and has been confined to a wheelchair since birth. Her life is about to be turned upside down as a series of bizarre events, and a number of mysterious apparitions, cause local residents to question the very nature of reality itself. Paige and her friends begin to investigate these events. A Journalist, a psychic investigator, a geneticist driven insane by years of experimenting on himself and two school janitors help the teens in their investigation. Something evil is stirring in Loch Avar. The unlikely team will ultimately have to look far into the past for answers, as dark secrets about Paige's own past are revealed, hidden powers are unlocked and an ancient evil is unleashed. Can they save the Earth in time?
