**Amazing grace!** ,2011-01-13 for SATB and organ or orchestra Featured in My Song in the Night (2009), Amazing grace! is a majestic arrangement of the well-known melody. Beginning with male voices in unison, Wilberg gradually introduces more vocal parts, building ultimately to a grand climax in eight parts. A subtle Scottish influence is evident through the use of drones and a Scotch snap motif in the organ. Orchestral material is available on hire/rental.

Excerpt: Amazing Grace is a Christian hymn with words written by the English poet and clergyman John Newton (1725-1807), published in 1779. Containing a message that forgiveness and redemption are possible regardless of sins committed and that the soul can be delivered from despair through the mercy of God, Amazing Grace is one of the most recognizable songs in the English-speaking world. Newton wrote the words from personal experience. He grew up without any particular religious conviction, but his life's path was formed by a variety of twists and coincidences that were often put into motion by his recalcitrant insubordination. He was pressed into the Royal Navy, and after leaving the service became involved in the Atlantic slave trade. In 1748, a violent storm battered his vessel so severely that he called out to God for mercy, a moment that marked his spiritual conversion. However, he...

**Backbone** Karen Duffy, 2017-11-07 An inspirational, powerful, and funny manual for coping and living with devastating pain. For two decades, Karen Duffy —New York Times bestselling author, former MTV VJ, Revlon model, and actress— has managed to live an enriching life despite living in a state of constant pain. Duffy has sarcoidosis, a disorder that causes the growth of inflammatory cells on different organs of the body. In her case, her sarcoidosis is located in her brain, causing her unimaginable pain. In this powerful, inspirational, funny, and important manual for surviving pain, Duffy draws on her experience as a patient advocate, certified recreational therapist, and hospital chaplain to illuminate gratifying methods people can use to cope with chronic pain and reinforces the sentiment that circumstances determine our lives, but we shape our lives by what we make of circumstances (Sir John Wheeler Bennet). More than one-third of the US population—nearly 113 million Americans—is currently living with chronic pain, while another 133 million Americans live with some form of chronic illness. Half of the US population lives with the challenges of these invisible illnesses where their symptoms are not always obvious to the casual observer. Addressing a country ravaged by both chronic pain and opioid addiction, Backbone offers a salve of self-sufficiency, spunk, and perseverance. With a light tone, deft wordplay, and interactive gems such as the Bill Murray Pain Scale, Mastectomy Paper Dolls, and a crown to wear just for getting out of bed, Duffy's serious—and seriously funny—book is for the massive population living with chronic pain who are eager to be understood and helped, and sends the message that despite the pain, there is a way to a good life.

Splinters Leslie Jamison, 2024-02-20 From the New York Times bestselling author of *The Recovering* and *The Empathy Exams* comes “a blazing, unputdownable memoir” (Mary Karr, author of *Lit*), the “piercing, intimate” story (TIME Magazine) of rebuilding a life after the end of a marriage—an exploration of motherhood, art, and new love. Leslie Jamison has become one of our most beloved contemporary voices, a scribe of the real, the true, the complex. She has been compared to Joan Didion and Susan Sontag, acclaimed for her powerful thinking, deep feeling, and electric prose. But while Jamison has never shied away from challenging material—scouring her own psyche and digging into our most unanswerable questions across four books—*Splinters* enters a new realm. In her first memoir, Jamison turns her unrivaled powers of perception on some of the most intimate relationships of her life: her consuming love for her young daughter, a ruptured marriage once swollen with hope, and the shaping legacy of her own parents’ complicated bond. In examining what it means for a woman to be many things at once—a mother, an artist, a teacher, a lover—Jamison places the magical and the mundane side by side in surprising ways. The result is a work of nonfiction like no other, an almost impossibly deep reckoning with the muchness of life and art, and a book that grieves the departure of one love even as it celebrates the arrival of another. How do we move forward into joy when we are haunted by loss? How do we claim hope alongside the harm we’ve caused? A memoir for which the very term *tour de force* seems to have been coined, *Splinters* plumbs these and other pressing questions with writing that is revelatory to the last page, full of linguistic daring and emotional acuity. Jamison, a master of nonfiction, evinces once

again her ability to “stitch together the intellectual and the emotional with the finesse of a crackerjack surgeon” (NPR).

*Beyond Time* Stephen St. John, 2021-09-29 Mankind has ventured to every corner of the galaxy. No one expects another inch until Andre Martin, lab-rat genius social nerd, shows up with a plan to build a ship powerful enough to separate time and space. His goal: to explore and explain the Big Bang. No one likes Andre. No one trusts Andre. Permission denied, mission canceled; until impending planetary disaster reinstates priority under new leadership, prominent psychologist Karen Wellchild, entitled, independent, and hiding a desire to meet Jesus on the way home. The journey does not go well. The clock refuses to spin backward and a computer meltdown informs the crew that Karen secretly used dating software to match each of the 240 twenty-six-year-olds onboard with one perfect mate. Karen's closest friend comes up with a new plan. And who doesn't love a scary dinosaur tale, or ghost ship mystery to solve? The starship Explorer Seven rides imagination from one end of the universe to another, from the beginning of time to the next beginning of time. Hop on board, Andre and Karen are waiting.

**A Glass Half Full** Morris Watford, 2003-06 A GLASS HALF FULL is a compelling and inspiring story of one man's struggle to overcome many of life's adversities and negatives with a positive attitude. The book delves into many of the social and moral questions asked by many since the post World War II period. Subjects such as; segregation and racism, war, child and spousal abuse, the abundance of failed marriages and health care are written with a superb and balanced commentary. It lets the reader see, many of god's miracles are still taking place and there are compassionate, sensitive, caring Alpha males with A types of personalities.

**When Demons Float** Susan Thistlethwaite, 2019-09-27 Kristin Ginelli, Chicago-cop-turned-religion-professor, is horrified when her new Muslim faculty colleague is targeted with a hate crime by self-styled white supremacists. She investigates, wading into the disgusting waters of white supremacist hate online. She is stunned to learn how young people and adults are being tempted into hate and violence on the Internet. As she teaches her religion classes, she comes to realize this is what philosophers and theologians have meant by the demonic. In this kind of extremism, hate rises to the surface and it is hard to keep it down. When a student is killed, and Kristin is threatened, she has to cut through the university's stalling and what looks increasingly like corruption in the Chicago police and Immigration and Customs Enforcement (ICE) to find the killers and try to stem the tide of hate.

*Military Man* Marie Ferrarella, 2010-08-01 A dangerous predator escapes from prison near Red Rock, Texas—and Collin Jamison, CIA Special Operations, is the only person who can get inside the murderer's mind. There's just one thing clouding his concentration—Lucy Gatling. Beautiful, petite and a med student observer for the coroner's office, Lucy is all business. And she thinks she's got a lead. The police aren't biting, but Collin is—even if it's only to get close to Lucy. Work turns into something special between Lucy and Collin, and she's convinced Collin is the real deal. But is it right to secretly give him

information about the case? Or is it too late?

**Dreaming Southern** Linda Bruckheimer, 1999-01-01 A #1 Los Angeles Times bestseller in hardcover! Lila Mae Wooten is leaving her home in Kentucky and, with her four children, is driving to meet her husband in California, where they aim to pursue the American Dream and escape a few bill collectors on the way. But since Lila never fails to find treasure on the road less traveled, what should be a four-day trip turns into an adventure of grand proportions. Each encounter, be it with a gas station attendant or a distant relative, draws Lila and her troupe into a new escapade—each one a wildly comedic diversion from their path. *Dreaming Southern* has been called zany (Los Angeles Times), a sheer delight (Rita Mae Brown), and a remarkable first novel (Joan Didion). It will no doubt delight paperback readers with its fresh, humorous taste of 1950s Americana. A comic odyssey guaranteed to induce grins of recognition from anyone who's ever experienced the joys of intergenerational travel. -Marie Claire

Melding the Pieces Henrietta Glaus, 2020-05-26 From growing up in a home without indoor plumbing or electricity, running barefoot on the farm, to traveling and bicycling throughout the world, Henri Glaus has experienced a life filled with joy, sorrow, high adventure, and the pleasure of accomplishments large and small. Expressed honestly with an element of humility, she recounts her story up to the cusp of her nonagenarian years. Understanding that life is a series of abstruse valleys and radiant peaks, Henri has embraced all the vicissitudes that a long life brings. Throughout everything, she has had the undying support of an extended family so large that, as her sister said, a bramble bush rather than a family tree would be required to record it. Throughout her life Henri was blessed with role models, beginning with her parents, her brother, and later four husbands—one, a professor, encouraged and supported her in attaining a Ph.D. This set Henri on a path that provided undreamed-of opportunities in her chosen field of education. There is an adage that states a life well-lived is a life worth living. This is the story of that barefoot girl's journey—the life of Henri Glaus.

Songs I Love to Sing Edith L. Blumhofer, 2023-08-01 Learn the surprising history shared by some of today's most popular hymns. How did "How Great Thou Art," an obscure Swedish hymn, get covered by Elvis? How did "Just as I Am" save Johnny Cash? How did dc Talk sanctify '90s pop rock? In short: the Billy Graham crusades. Music animated these evangelistic extravaganzas, all of it carefully orchestrated by the "chord of three": celebrated preacher Billy Graham, Gospel Music Hall of Fame baritone George Beverly Shea, and choral conductor and emcee Clifford Barrows. And the crusades went on to change the larger face of American music, influencing iconic popular artists in the second half of the twentieth century. The crusade songbook also took root in churches, its use spreading beyond evangelical soil into mainline Protestant and Catholic congregations. In *Songs I Love to Sing*, Edith L. Blumhofer narrates the "biographies" of some of the most beloved songs in modern hymnody with verve and affection. Move beyond mere nostalgia. Discover the fascinating stories behind the soundtrack of American Christianity.

Indiana High School Basketball's 20 Most Dominant Players relives the passionate memories, thrilling victories, and the sheer dominance of these Hoosier hardcourt idols. With these twenty players combining to win 14 coveted Mr. Basketball awards and 28 state championships, Hall of Fame sportswriter Dave Krider truly profiles the best of the best.

**Devil's Night** Ze'ev Chafets,2013-09-03 A New York Times Notable Book On Devil's Night, the night before Halloween, some citizens of Detroit try to burn down their neighborhoods for an international audience of fire buffs. This gripping and often heartbreaking tour of the "Murder Capital of America" often seems lit by those same fires. But as a native Detroiter, Ze'ev Chafets also shows us the city beneath the crime statistics—its ecstatic storefront churches; its fearful and embittered white suburbs; its cops and criminals; and the new breed of black officials who are determined to keep Detroit running in the midst of appalling dangers and indifference.

**Sermons on the First Readings: Cycle B** Mary S. Lautensleger,Schuyler Rhodes,Ron Lavin,Stan Purdum,2005 The Old Testament details the epic faith story of ancient people who, just like us today, seek God's answers to complex problems. Yet because pastors sometimes overlook this rich source of preaching texts, many people in the pews are not fully aware of the Hebrew Scriptures and their profound lessons for modern living. In this inspiring collection of spiritually enlightening

messages based on the First Readings from Cycle B of the Revised Common Lectionary, four master preachers insightfully demonstrate the continuing relevance of passages from the Old Testament and the book of Acts. Building on stories in which God moves ordinary people to extraordinary heights, these sermons powerfully proclaim timeless themes of justice and righteousness while reminding us that God's grace is the model for the Christian community's core values of self-giving love and forgiveness. Each thought-provoking message is filled with compelling stories and illustrations from everyday life, and challenges readers to love and serve the Lord, trusting in divine providence even in the midst of a world that sometimes seems cruel and senseless. This essential resource is useful for: - Fresh homiletical approaches to the lectionary texts - Preaching illustrations - Understanding scripture passages - Bible study and discussion groups - Personal devotions and inspirational reading
