Silver Sparrow Tayari Jones, 2012-05-08 From the New York Times Bestselling Author of *An American Marriage* "A love story . . . Full of perverse wisdom and proud joy . . . Jones's skill for wry understatement never wavers." —O: The Oprah Magazine "Silver Sparrow will break your heart before you even know it. Tayari Jones has written a novel filled with characters I'll never forget. This is a book I'll read more than once." —Judy Blume With the opening line of *Silver Sparrow*, My father, James Witherspoon, is a bigamist, author Tayari Jones unveils a breathtaking story about a man's deception, a family's complicity, and the two teenage girls caught in the middle. Set in a middle-class neighborhood in Atlanta in the 1980s, the novel revolves around James Witherspoon's two families—the public one and the secret one. When the daughters from each family meet and form a friendship, only one of them knows they are sisters. It is a relationship destined to explode. This is the third stunning novel from an author deemed one of the most important writers of her generation (the Atlanta Journal Constitution).

The Untelling Tayari Jones, 2007-10-15 From the author of the Oprah Book Club Selection *An American Marriage*, here is an emotionally powerful novel that succeeds mightily...truly a wonderful story (Boston Globe). Aria is no stranger to tragedy - as a young girl, she and her older sister and mother survived a car crash that took the lives of their father and beloved baby sister. And although relations with her remaining family are strained, she's done her best to establish a solid, normal life for herself, living in Atlanta and teaching literacy to girls who have fallen on hard times. But now she has a secret that she's not yet ready to share with Dwayne, her devoted boyfriend, or Rochelle, her roommate and best friend: Aria is pregnant. Or so she thinks. The truth is about to make her question her every assumption and reevaluate the life she has worked so hard to build for herself...as it sends her reeling in a direction she had no idea she was destined to go. Praise for Tayari Jones Tayari Jones is blessed with vision to see through to the surprising and devastating truths at the heart of ordinary lives, strength to wrest those truths free, and a gift of language to lay it all out, compelling and clear. -- Michael Chabon Tayari Jones has emerged as one of the most important voices of her generation. -- Essence One of America's finest writers. -- Nylon.com

Leaving Atlanta Tayari Jones, 2009-05-30 From the author of the Oprah's Book Club Selection *An American Marriage*, here is a beautifully evocative novel that proves why Tayari Jones is one of the most important voices of her generation (Essence). It was the end of summer, a summer during the two-year nightmare in which Atlanta's African-American children were vanishing and twenty-nine would be found murdered by 1982. Here fifth-grade classmates Tasha Baxter, Rodney Green, and Octavia Harrison will discover back-to-school means facing everyday challenges in a new world of safety lessons, terrified parents, and constant fear. The moving story of their struggle to grow up-and survive- shimmers with the piercing, ineffable quality of childhood, as it captures all the hurts and little wins, the all-too-sudden changes, and the merciless, outside forces that can sweep the young into adulthood and forever shape their lives. A Kind of Freedom Margaret Wilkerson Sexton, 2018-08-14 Longlisted for the National Book Award A New York Times Notable Book The moving, multi-generational debut novel from the author of *On the Rooftop*, a Reese Witherspoon Book Club Pick “Brilliantly juxtaposing World War II, the '80s and post-Katrina present, Sexton follows three generations of a Black New Orleans family as they struggle to bloom amid the poison of racism.” —People Evelyn is a Creole woman who comes of age in New Orleans at the height of World War II. In 1982, Evelyn’s daughter, Jackie, is a frazzled single mother grappling with her absent husband’s drug addiction. Jackie’s son, T.C., loves the creative process of growing marijuana more than the weed itself. He was a square before Hurricane Katrina, but the New Orleans he knew didn’t survive the storm. The Scary Mason-Dixon Line Trudier Harris, 2009-06-01 New Yorker James Baldwin once declared that a black man can look at a map of the United States, contemplate the area south of the Mason-Dixon Line, and thus scare himself to death. In

The Scary Mason-Dixon Line, renowned literary scholar Trudier Harris explores why black writers, whether born in Mississippi, New York, or elsewhere, have consistently both loved and hated the South. Harris explains that for these authors the South represents not so much a place or even a culture as a rite of passage. Not one of them can consider himself or herself a true African American writer without confronting the idea of the South in a decisive way. Harris considers native-born black southerners Raymond Andrews, Ernest J. Gaines, Edward P. Jones, Tayari Jones, Yusef Komunyakaa, Randall Kenan, and Phyllis Alesia Perry, and nonsouthern writers James Baldwin, Sherley Anne Williams, and Octavia E. Butler. The works Harris examines date from Baldwin's *Blues for Mr. Charlie* (1964) to Edward P. Jones's *The Known World* (2003). By including Komunyakaa's poems and Baldwin's play, as well as male and female authors, Harris demonstrates that the writers' preoccupation with the South cuts across lines of genre and gender. Whether their writings focus on slavery, migration from the South to the North, or violence on southern soil, and whether they celebrate the triumph of black southern heritage over repression or castigate the South for its treatment of blacks, these authors cannot escape the call of the South. Indeed, Harris asserts that creative engagement with the South represents a defining characteristic of African American writing. A singular work by one of the foremost literary scholars writing today, *The Scary Mason-Dixon Line* superbly demonstrates how history and memory continue to figure powerfully in African American literary creativity.

Curtis, 2015-03-04 Examining novelists, bloggers, and other creators of new media, this study focuses on autobiography by American black women since 1980, including Audre Lorde, Jill Nelson, and Janet Jackson. As Curtis argues, these women used embodiment as a strategy of drawing the audience into visceral identification with them and thus forestalling stereotypes.

Last Seen Jacqueline Jones LaMon, 2011-03-10 Inspired by actual case histories of long-term missing African American children, this provocative and heartrending collection of poems evokes the experience of what it means to be among the missing in contemporary America. This thought-provoking collection of persona poems looks at absence from the standpoint of the witnesses surrounding the void and offers an intimate depiction of those impossible moments of aftermath lived by those who remain accounted for and present. While enabling us to question our own sense of identity, this unique collection of poems reveals the blurred edges of separation between them and us and the impact that the missing have upon our present and future. Breathe Imani Perry, 2019-09-17 2020 Chautauqua Prize Finalist 2020 NAACP Image Award Nominee - Outstanding Literary Work (Nonfiction) Best-of Lists: Best Nonfiction Books of 2019 (Kirkus Reviews) · 25 Can't-Miss Books of 2019 (The Undeclared) Explores the terror, grace, and beauty of coming of age as a Black person in contemporary America and what it means to parent our children in a persistently unjust world. Emotionally raw and deeply reflective, Imani Perry issues an unflinching challenge to society to see Black children as deserving of humanity. She admits fear and frustration for her African American sons in a society that is increasingly racist and at times seems irredeemable. However, as a mother, feminist, writer, and intellectual, Perry offers an unfettered expression of love—finding beauty and possibility in life—and she exhorts her children and their peers to find the courage to chart their own paths and find steady footing and inspiration in Black tradition. Perry draws upon the ideas of figures such as James Baldwin, W. E. B. DuBois, Emily Dickinson, Toni Morrison, Ralph Waldo Emerson, and Ida B. Wells. She shares vulnerabilities and insight from her own life and from encounters in places as varied as the West Side of Chicago; Birmingham, Alabama; and New England prep schools. With original art for the cover by Ekua Holmes, *Breathe* offers a broader meditation on race, gender, and the meaning of a life well lived and is also an unforgettable lesson in Black resistance and resilience.

The Writings of Jesmyn Ward Martyn Bone, 2025 Description: Since the publication of her first novel in 2008, Jesmyn Ward has established herself as arguably the most important U.S. author of the twenty-first century. *The Writings of Jesmyn Ward* is the first monograph focused on Ward's writing, and considers the full range of her career so far. Bone devotes a chapter each to Ward's first three novels—two of which, *Salvage the Bones* and *Sing, Unburied, Sing*, won the National Book Award for Fiction—and a further chapter to Ward's widely acclaimed memoir, *Men We Reaped*. The introduction and epilogue provide an overview of Ward's oeuvre that encompasses her essays (which explore key social issues from the Obama and Trump presidencies) as well as her most recent novel, *Let Us Descend*. *The Writings of Jesmyn Ward* also focuses on five key themes running throughout Ward's writing: black life in the U.S. South; the legacies of slavery and segregation, and racism's endurance in the twenty-first century; neoliberalism as the contemporary form of capitalism; environmental crisis in the Anthropocene; and human-animal relations. Bone also connects Ward's work to major figures in the U.S. literary canon,

especially William Faulkner, Zora Neale Hurston, and Toni Morrison. The Writings of Jesmyn Ward will be of particular interest to readers of American literature (especially African American literature and U.S. southern literature), environmental literature, and life writing. The book will also appeal to readers interested in the U.S. South, African American studies, race relations, the environmental humanities, and animal studies--
