Obras V José de la Luz y Caballero,2010-08-31 Las cartas que se presentan en este volumen de la nueva edición de las Obras de José de la Luz y Caballero datan de sus inicios en la Cátedra de Filosofía del Seminario San Carlos, hasta apenas dos meses antes de su muerte. Su obra epistolar va dirigida a Félix Varela, José Antonio Saco, José Luis Alfonso, José Antonio Echeverría, Benigno Gener, Domingo del Monte, José Podbielski, Jesús Benigno, Manuel Montejo, José de Jesús Romy, Fernando de Peralta, José Giraud y Domingo Arozarena, entre otros, y muestra sus preocupaciones académicas, científicas y sociales, particularmente, en todo lo referido a la educación en Cuba. Cabe destacar también las cartas dirigidas a su madre, Manuela Teresa de Jesús Caballero, de índole más personal. Al final de esta edición, aparece la etapa de sus viajes a Europa y Estados Unidos —de 1828 a 1831— recogidos en su diario (1830-1831), cuyos apuntes describen analogías y diferencias entre pueblos, ciudades y naciones; sus naturalezas físicas y sociales, sus culturas, sus actualidades políticas, sus adelantos científicos, y además, aquellas cotidianidades que en otro viajero hubiesen resultado inadvertidas, pero que en Luz y Caballero hablan de su interés insaciable por percibir y aprehender. La presente edición de las Obras de José de la Luz y Caballero contiene notas provenientes de las ediciones de Alfredo Zayas, Roberto Agramonte y Alicia Conde.

Socorro para vivos y para muertos y felices memorias que despiertan a los fieles à que piadosos ofrezcan a Dios sufragios... Lorenzo de Santa Coloma,1677

Insolación Emilia Pardo Bazán (condesa de),2001 Insolación, de Emilia Pardo Bazán (1851-1921), fue en su época una novela escandalosa. El tema se consideraba escabroso y, por añadidura, en ella se ventilaban asuntos como el de la distinta moral sexual para hombres y mujeres. Clarín había sentenciado la novela en sus Paliques: Antipático, poema de una jamona atrasada de caricias, y Pereda había dicho a los lectores de El Imparcial que los protagonistas de Insolación vivían amancebados a la vista del lector, con minuciosos pormenores sobre su manera de pecar. La crítica ha destacado lo que ya en su tiempo algunos entrevieron: el magnífico estudio psicológico del personaje femenino y la calidad literaria de la obra. El estudio introductorio de Marina Mayoral desentraña las circunstancias que rodearon la aparición de la novela y ahonda en los mecanismos de la creación novelesca, permitiendo así al lector actual una mayor comprensión y un disfrute más pleno de la obra.
