Forbidden Tia Louise, 2023-01-09 I have one job: Get close and take him out. The only problem is, I want him more. I was barely five when I lost my brother; seven when my father was murdered. Overnight, I was taken by my mysterious uncle, grafted into a world of crime I didn't understand and couldn't escape. The first ten years, I did my best to blend in. The next four, I reinvented myself, growing stronger, searching for answers. Now I have one assignment-take down the man who knows our secrets. Professor Dirk Winston is my target, and I'm expected to be a good soldier, disguised as a good student. Only he's not the passive bookworm I expect. He's ripped muscles, bedroom eyes, dirty mouth, and ready for a fight. But I've got plans of my own, and this hot teacher is going to do more than give me grades and take my panties. He's going to help me get revenge. (FORBIDDEN is a five-alarm-spicy age-gap, student-professor romance with secrets, lies, and answers to all your questions. No cheating. No cliffhanger.)

Professor Perfect Alana Jade, 2020-10-12

The Hookup Equation Roxie Noir, Teach me everything. My whole life, I've been a good girl. I follow rules like nobody's business. I obey guidelines like I was born to it. Show me a line, and I'll toe it. I'm even a twenty-two-year-old virgin. Good is my middle name. And then, I break one tiny little rule. Miniscule. Inconsequential. Next thing I know, I'm trapped with an incredibly handsome stranger. He's got eyes like cut emeralds, biceps that makes my head spin, and a smile that has me rethinking all my life choices. We escape a bar bathroom together. We go on an impromptu date. We share the hottest kiss I've ever had, one that leaves me panting for more. We promise to see each other again. Turns out, we see each other the next morning. In my calculus class. Which he's teaching. My handsome, sexy date is Professor Loveless, and we'll be seeing each other plenty. Every Monday, Wednesday, and Friday all semester. There's no choice but to call it off. We both have too much at stake: I could lose my scholarship, and he could lose his entire career. But I can't call off the way I feel. I can't call off the way he looks when he rolls up his sleeves and explains imaginary numbers. I can't call off the heated glances, or the way our hands touch when I hand in my homework, or the memory of his body pressing against mine that night. I'm a virgin. He's my professor. And if we give in, it could cost us both everything. But I'm so tired of being a good girl. *The Hookup Equation* is the fourth book in the Loveless Brothers series, and can be read as a total standalone. It's for fans of high-heat, low-angst romantic comedies and anyone who's ever been hot for teacher. This one's got tons of forbidden steam, a high-

stakes secret relationship, sibling banter, a heroine who really enjoys her first time, and a college setting that will make you feel like you're back on campus. There's an HEA, of course. (And yes, it bangs.) This series is for fans of Fiona Cole, R.S. Grey, Meghan Quinn, Adriana Locke, and Kathryn Nolan.

GRADE A A\$\$HOLE: A Professor Student Romance Vanessa Booke, 2021-01-02 I eat professors like him for breakfast. The moment Professor Grant shows up at my English 401 class is the day that I decide I'm not going to let some a\$\$hole ruin my last year as an undergrad. I've worked way too hard, avoiding classes taught by pompous literary professors who have nothing better to do than assign busywork. It turns out Professor Grant is the worst offender of them all, and he isn't letting me off easy. Well, he's in for a surprise. Sure, the silver fox look he's rocking turns me on, and yes, unfortunately, he's built as he can f*ck you into next week, but I don't care. I want him gone. Fired. Disintegrated from existence. That is until he

touches me, teases me, and challenges me as no professor has before. Now, I'm not so sure I want him out of my life. I'm starting to get used to the way he shows up at my apartment unannounced. The way he calls me spoiled whenever I complain about my assignments and damn it all to hell, even that annoying, haughty look he gives me before burying his c*ck inside me. I never thought this would happen, but Professor Grant might be one assignment I'm willing to do the extra work for this year.

Change of Course Sierra Hill, 2021-01-13 From the moment the man walked into the bar, I knew he was still in the closet. But that didn't stop us from sharing an incredible night together. Our easy, one-night hookup went from no-strings-attached to a tangled mess on the first day of the semester, when I locked eyes with the mystery man from the bar... who also happens to be my new Art History professor. Lucas Mathiasson is everywhere I turn and the harder we try to resist, the closer we're pulled together. Until our weekend in Vegas. Then all bets - and rules - are off. But lessons in love can't be taught from a syllabus. They have to be experienced. And not all love is easy. Not all rules are meant to be broken. And not all men are created to live life in the open. Falling for my professor wasn't part of the plan... but how do you let go of the man who taught you how to love?

The Professor's Bought Bride Penelope Wylde, 2019-12-24 I'm torn between what I want and what I need. What I need is money. I'll do anything to stay in school, so when hard times hit a friend offers a few questionable options that can put fast cash in my hands. I can either shimmy my sweet curves on stage or take it high-class and auction myself off to the highest bidder. What I want is him. Dominant, powerful and utterly off-limits Professor Blackthorne. Losing my V card to my irresistible, dark-eyed professor checks all the boxes for me because when I look into his troubled, haunted eyes I forget every reason why I shouldn't want him. But when my wishes land me in the private suite of a mysterious masked, dark-eyed stranger, I get more than I bargain for and can only hold on for the ride when my desires become everything I ever wanted.
