Suzanne Curtis Briggs

Madam C.J. Walker Cookie Lommel,1993 A biography of the Afro-American businesswoman whose invention of facial creams and other cosmetics led to great financial success and who, throughout her life, devoted herself to many social and political causes.

Greatest Blacks Ever Ambassador Elliston Rahming ,Briana Louise Cacuci,2017-06-16 From an article entitled “History’s Black Hole” from the January 10, 2016 global edition of the New York Daily News, Arthur Browne opines, “Across every field of endeavor, from the ministry to medicine and from education to entrepreneurship, book merchants balk at memorializing black experience and accomplishments.” Essentially, this book is a celebration of black accomplishments—over centuries and across continents—and seeks to fill a portion of that “black hole.” Of the roughly 7 billion people who inhabit this planet, some 1.5 billion are classified as white, and blacks account for 1.1 billion. The remaining over 4 billion are somewhere in the middle. Yet, throughout the years, a paucity of written materials have recorded the positive influences and myriad contributions that the great number of black citizens have made toward global peace, progress, prosperity, and pleasure.

Madam C. J. Walker Erica L. Ball,2021-01-29 [An] exhaustively detailed account of the life of Madam C.J. Walker. Booklist, Starred Review Madam C. J. Walker—reputed to be America’s first self-made woman millionaire—has long been celebrated for her rags-to-riches story. Born to former slaves in the Louisiana Delta in the aftermath of the Civil War, married at fourteen, and widowed at twenty, Walker spent the first decades of her life as a laundress, laboring in conditions that paralleled the lives of countless poor and working-class African American women. By the time of her death in 1919, however, Walker had refashioned herself into one of the most famous African American figures in the nation: the owner and president of a hair-care empire and a philanthropist wealthy enough to own a country estate near the Rockefellers in the prestigious New York town of Irvington-on-Hudson. In this biography, Erica Ball places this remarkable and largely forgotten life story in the context of Walker’s times. Ball analyzes Walker’s remarkable acts of self-fashioning, and explores the ways that Walker (and the Walker brand) enabled a new generation of African Americans to bridge the gap between a nineteenth-century agrarian past and a twentieth-century future as urban-dwelling consumers.

Madam C.J. Walker Sally Lee,2019-08 Why is Madam C. J. Walker important? She invented a brand of hair care products

just for African Americans! Follow her journey from the cotton fields to a seat at the millionaires' table. It's a story of big dreams, hard work, and life-changing inventions!--Page 4 of cover.

She Led the Way Suzanne Curtis Briggs, 2022-06-14 Born into slavery, Rebecca Crumpler became the first Black female physician in America. Stuntwoman Bessie Coleman was the first Black person in the world to obtain a pilot's license. The work of Harlem Renaissance sculptor Selma Burke can be found on the American dime. The calculations of NASA mathematician Katherine Goble Johnson were critical to the success of US manned spaceflight. These Black women and many more overcame tremendous obstacles and prejudices to make their mark on American history. In *She Led the Way*, you'll read their inspiring stories and the stories of ten more innovative, courageous, artistic, and driven women who broke through barriers of gender and color in order to reach their goals and fulfill their potential in a world that was too often indifferent and even hostile. Includes illustrations.

Madam C. J. Walker's Gospel of Giving Tyrone McKinley Freeman, 2020-10-12 Winner of the AFP/Skystone Partners Prize for Research on Fundraising and Philanthropy, Association of Fundraising Professionals, 2021 Terry McAdam Book Award, given by the Alliance for Nonprofit Management 2023 Peter Dobkin Hall History of Philanthropy Prize from the Association for Research on Nonprofit and Voluntary Action (ARNOVA). Founder of a beauty empire, Madam C. J. Walker was celebrated as America's first self-made female millionaire in the early 1900s. Known as a leading African American entrepreneur, Walker was also devoted to an activist philanthropy aimed at empowering African Americans and challenging the injustices inflicted by Jim Crow. Tyrone McKinley Freeman's biography highlights how giving shaped Walker's life before and after she became wealthy. Poor and widowed when she arrived in St. Louis in her twenties, Walker found mentorship among black churchgoers and working black women. Her adoption of faith, racial uplift, education, and self-help soon informed her dedication to assisting black women's entrepreneurship, financial independence, and activism. Walker embedded her philanthropy in how she grew her business, forged alliances with groups like the National Association of Colored Women, funded schools and social service agencies led by African American women, and enlisted her company's sales agents in local charity and advocacy work. Illuminating and dramatic, *Madam C. J. Walker's Gospel of Giving* broadens our understanding of black women's charitable giving and establishes Walker as a foremother of African American philanthropy.

DuBois, and Martin Luther King, Jr.

Creating the Path to Success in the Classroom Kathleen F. Gabriel, 2023-07-03 This is a book for all faculty who are

concerned with promoting the persistence of all students whom they teach. Most recognize that faculty play a major role in student retention and success because they typically have more direct contact with students than others on campus. However, little attention has been paid to role of the faculty in this specific mission or to the corresponding characteristics of teaching, teacher-student interactions, and connection to student affairs activities that lead to students' long-term engagement, to their academic success, and ultimately to graduation. At a time when the numbers of underrepresented students - working adults, minority, first-generation, low-income, and international students - is increasing, this book, a companion to her earlier *Teaching Underprepared Students*, addresses that lack of specific guidance by providing faculty with additional evidence-based instructional practices geared toward reaching all the students in their classrooms, including those from groups that traditionally have been the least successful, while maintaining high standards and expectations. Recognizing that there are no easy answers, Kathleen Gabriel offers faculty ideas that can be incorporated in, or modified to align with, faculty's existing teaching methods. She covers topics such as creating a positive and inclusive course climate, fostering a community of learners, increasing engagement and students' interactions, activating connections with culturally relevant material, reinforcing self-efficacy with growth mindset and mental toughness techniques, improving lectures by building in meaningful educational activities, designing reading and writing assignments for stimulating deep learning and critical thinking, and making grade and assessment choices that can promote learning.

Legacy of Grace Brenda Jean Hubbard, 2021-01-20 *Legacy of Grace, Musings on the Life and Times of Wheeling Gaunt*, by Brenda Jean Hubbard chronicles the true life and times of a formerly enslaved Black man named Wheeling Gaunt who purchased his own freedom and through hard work, diligence and disciplined real estate investment slowly built his fortune. Moving with his wife Amanda to the Village of Yellow Springs, Ohio in 1864, Mr. Gaunt became an important village leader and philanthropist as he continued his real estate investments. Upon his death in 1894 he gifted both family and community with impressive and substantial gifts including a sizable bequest to Wilberforce University. He is perhaps most famous for his creation of The Poor Widows Fund gifting flour and sugar to older women in the village each Christmas, a tradition the

village still observes. The land that he gave to the village is known today as Gaunt Park and houses Gaunt Park Pool and adjacent sports fields. Through an exploration of the times in which he lived, Mr. Gaunt's remarkable story of achievement is investigated. Author Brenda Jean Hubbard was born and raised in Yellow Springs where her family lived for over 50 years. She is donating all money raised in the sale of this book to The Yellow Springs 365 Project, a vital non-profit organization committed to racial justice and education. Hubbard says, "Growing up in Yellow Springs was a true blessing. I was privileged to experience the unique joys and many benefits of knowing diverse, amazing, accomplished and distinguished people from many walks of life. This gifted me with a lifelong passion to celebrate diversity and a heart for social justice. Writing this book is my small attempt to honor the impressive people, history and accomplishments of the Black community while also conveying important and timely history."

Her Dream of Dreams Beverly Lowry, 2011-07-20 "I am a woman that came from the cotton fields of the South; I was promoted from there to the wash-tub; then I was promoted to the cook kitchen, and from there I promoted myself into the business of manufacturing hair goods and preparations." --Madam C. J. Walker, National Negro Business League Convention, 1912 Now, from a writer acclaimed for her novels and the memoir *Crossed Over*, a remarkable biography of a truly heroic figure. Madam C. J. Walker created a cosmetics empire and became known as the first female self-made millionaire in this nation's history, a noted philanthropist and champion of women's rights and economic freedom. These achievements seem nothing less than miraculous given that she was born, in 1867, to former slaves in a hamlet on the Mississippi River. How she came to live on another river, the Hudson, in a Westchester County mansion, and in a New York City town house, is at once inspirational and mysterious, because for all that is known about the famous entrepreneur, much that occurred before her magnificent transformation—years that trace a circuitous route across the country—remains obscure. By breathing life into scattered clues and dry facts, and with a deep understanding of the times and places through which Madam Walker moved, Beverly Lowry tells a story that stretches from the antebellum South to the Harlem Renaissance and bridges nearly a century of our history in her search for the distant truths of a woman who defied all odds and redefined conventional expectations. "Wherever there was one colored person, whether it was a city, a town, or a puddle by the railroad tracks, everybody knew her name." --Violet Davis Reynolds, Stenographer, Madam C. J. Walker Co

The Wallflower that Bloomed Cally Logan, 2024-05-01 Introducing *The Wallflower that Bloomed* by Cally Logan, an empowering and thought-provoking exploration of the hidden potential within each of us. In this profound and introspective book, author Cally Logan, renowned for her impactful works *Hang In There, Girl!* and *Dear Future Husband*, unveils the untapped brilliance often overlooked in those who adorn the walls of life like forgotten decorations. As children, many of us are burdened with labels such as shy, quiet, awkward, or simply different. These descriptors, casually assigned by others or even self-imposed, confine us to the sidelines, rendering our voices faint and our presence unnoticed. But within the depths

of our being lies a multitude of stories to be shared, perspectives to be offered, and reflections to be pondered. The Wallflower that Bloomed challenges societal norms that pigeonhole individuals into these predetermined roles of invisibility. With heartfelt sincerity, Cally Logan urges us to strip away the stigma associated with being an outsider, to cease judging those who prefer solitude, and, most importantly, to learn to truly see others for who they authentically are. Moreover, this captivating exploration compels us to reflect upon our own journey towards self-acceptance and self-love. Instead of resigning ourselves to a life of isolation and judgment, we are invited to embrace the notion that we can stand proudly in our uniqueness, fully blooming into the remarkable beings we were always meant to be. What if we shattered the preconceived notions and misconceptions that surround individuals labeled as wallflowers? What if we focused on truly knowing, accepting, and appreciating one another for the awe-inspiring qualities that set us apart? And what if, in the process, we also learned to extend this grace and understanding to ourselves? The Wallflower that Bloomed sparks an introspective journey, inviting readers to break free from the confines of societal expectations and embrace their inherent worth. With Cally Logan as our compassionate guide, we are encouraged to unleash the dormant potential within us, stepping into the fullness of our being and embracing the brilliance that lies within. Prepare to be inspired, challenged, and transformed as you immerse yourself in *The Wallflower that Bloomed*. Cally Logan's powerful words will remind you that, just like a wallflower that blossoms, you too can break free from the shadows and bloom beautifully, embracing your truest self. We are also delighted to announce that the foreword for this edition is written by Carol McLeod. Carol is a best-selling author and has written more than 18 books. Poems Pave Our Lives Miranda P. Yeoh, 2022-09-20 Why do poems automatically arise in your head or mine? Are they the products of conscious thought or ideas lurking in our subconscious? Or due to our habit of seeking answers? Or a response to the information we received? I have been jotting down poems on various occasions in my life. And so, I decided on the title: "Poems Pave Our Lives." And my Subtitle explains what you will get from reading this book. I realize that by expressing my thoughts in poetry, I made sense of life. I could appreciate the challenges in life as opportunities and lessons! I believe that since we're all on the same journey in life, the same applies to us. I feel it's a blessing to express the emotions that you may share in this book of poems. I hope you enjoy the dialogue poems, the narrative poems, the ones a concerned citizen and a science educator would write as I reflect on the personal, national, and global issues and relate to them. With my background in research writing, I gratefully acknowledge the authors who contributed to my thoughts. And I hope learners of English may find the poems helpful and inspiring!
