Summary of We Were Never Here Alexander Cooper, 2021-09-18 Summary of We Were Never Here - A Comprehensive Summary Andrea Bartz is a Brooklyn-based journalist and author of the forthcoming thriller *We Were Never Here*. Her debut thriller, *The Lost Night* (Crown, 2019), was an LA Times bestseller, and her sophomore thriller, *The Herd* (Ballantine, 2020) was named a best book of the year by Marie Claire, Crime Reads, Good Housekeeping, and other outlets. Her work has appeared in *The Wall Street Journal*, *Vogue*, *Cosmopolitan*, *Women's Health*, *Martha Stewart Living*, *Elle*, and many other outlets, and she's held editorial positions at *Glamour*, *Psychology Today*, and *Self*, among other titles. The book opens with one of the characters, Kristen, killing a man while she's on vacation with her best friend, Emily. Kristen claims it was in self-defense, but the incident is oddly similar to something that happened the last time they were vacationing together just last year. As a result, Emily starts to question her friendship with Kristen and what exactly happened that night. When I started the book, I realized on some level that the premise of it didn't really grab me to begin with, but I gave it a shot anyway since I've been pleasantly surprised by some of Reese's book club picks in the past. By about halfway into the book, however, the plot still hadn't moved past the point described on the cover blurb (basically what I summarized above), and I was getting a little bored. There's also somewhat of an element of ridiculousness to the whole book, but to be honest that's not what really bothered me. Instead, a bigger issue is that fairly early on in the book, it's clear what's really going on and there aren't really many surprises from there. The plot ends up playing out in a fairly predictable way, and I struggled to stay interested in it. There's some attempt by the author to psycho-analyze these characters, but I didn't find it all that satisfying. Sarah's Story - They Cruelly Stole My Childhood. Here is My Story of Recovery and Triumph Sarah

Preston,2013-06-03 The words came from his mouth,'Don't say anything about this to your mum. She won't believe you.' At the age of 11, a beautiful happy girl found herself thrust into a nightmare of abuse and violation that ripped her world apart. At the mercy of three men, she endured a four-year ordeal of sexual exploitation and degradation before eventually finding the strength to say 'no more'. Confusion and shame made her keep her secret for 16 years. This is her remarkable story. Sarah has endured what no child should. Subjected to extreme abuse from a family 'friend', she turned to her father only to experience the same treatment from him. Utterly devastated, Sarah even stared to wonder if she was somehow to blame for this most unforgivable of betrayals and was driven to attempted suicide - a life was nearly destroyed by the selfishness of three deeply troubled and wicked men.

The Story that Brought Me Here Linda Goyette,2008 Thousands of newcomers are pouring into Alberta from around the globe, bringing unexpected gifts. Many are writers and storytellers. How do they describe their emerging sense of place and their creative aspirations in a new home? In this moving collection of stories and poems, writers from around the world share their thoughts on creating a life in Alberta. Expressed with beauty and clarity, and sometimes translated from the writer's native tongue, these very personal accounts of joy and sadness, regret and humour, homesickness and exuberance, describe the defining moments of a departure and an arrival. Frame Story Domenic Migliore, 2023-12-21 Praise for Frame Story Domenic Migliore has no interest in making you feel better. Entering his world comes with risks. But, then again, so does living in ours. His writing is a cracked rock bouncing down a grungy hill: the speed of the descent leads to blur; the accumulation of nasty debris is unavoidable. In one tale, a father tells his son, "You don't go fudging around with the factory presets." In Migliore's storyworlds, the presets are as unreliable as experimentation with them is. In either case, things fall apart. You're likely to laugh at some stories, cringe at others, and skip some passages that are too uncomfortable to imagine. But you're unlikely to forget the experience of meeting artist and filmmaker Migliore's cast of weary, ill-fated souls. They ought to be in movies. And probably will. - Bill Obesrt Jr. (from Rob Zombie's 3 FROM HELL, TV's THE ROOKIE: FEDS and Criminal Minds) "...a memorable batch of moving tales. Migliore's short story collection dishes out dread, violence, and gallows humor in equal measure... The author's tales navigate through such bleak territories as homicide, nuclear strikes, and other assorted crimes. It's hardly surprising that violence marks many of the stories, from bites and stabbings to meticulously detailed head shots. But Migliore deftly leavens the heaviness with satire... The author displays a knack for direct, concise sentences that stoke the narrative pace. While well-drawn characters pop up throughout this collection, the cast is largely aloof or hateful. They spew homophobic, xenophobic, and generally offensive slurs and sentiments that complement the savage acts they perpetrate. Readers won't sympathize with most of them, particularly the nasty American soldier stationed in Japan who seems to detest everything and everyone (The Tattoo). Stories such as these aren't prone to happy endings, but that doesn't make the book predictable." - Kirkus Reviews About the Author Domenic Migliore is a writer, filmmaker, photographer... A suburban robot that monitors reality.

My Story Starts Here Deborah Ellis, 2019-09-01 Deborah Ellis, activist and award-winning author of The Breadwinner interviews young people involved in the criminal justice system and lets them tell their own stories. Jamar found refuge in a gang after leaving an abusive home where his mother stole from him. Fred was arrested for assault with a weapon, public intoxication and attacking his mother while on drugs. Jeremy first went to court at age fourteen ("Court gives you the feeling that you can never make up for what you did, that you're just bad forever") but now wears a Native Rights hat to remind him of his strong Métis heritage. Kate, charged with petty theft and assault, finally found a counselor who treated her like a person for the first time. Many readers will recognize themselves, or someone they know, somewhere in these stories. Being lucky or unlucky after making a mistake. The encounter with a mean cop or a good one. Couch-surfing, or being shunted from one foster home to another. The kids in this book represent a range of socioeconomic backgrounds, genders, sexual

orientations and ethnicities. Every story is different, but there are common threads — loss of parenting, dislocation, poverty, truancy, addiction, discrimination. The book also includes the points of view of family members as well as “voices of experience” — adults looking back at their own experiences as young offenders. Most of all, this book leaves readers asking the most pressing questions of all. Does it make sense to put kids in jail? Can’t we do better? Have we forgotten that we were once teens ourselves, feeling powerless to change our lives, confused about who we were and what we wanted, and quick to make a move without a thought for the consequences? Likely Story (Book 1) David Van Etten, 2008-05-13 MALLORY IS A teenage girl living in L.A. and her mother is the oft-nominated, never-winning star of a daytime soap; she is, in fact, the ultimate drama queen. After yet another blow-out about her mother’s awful plotlines and overacting, Mallory starts blogging about how she wishes soap operas were more like real kids’ lives instead of the ridiculous storylines the shows usually feature. When her mother’s agent reads the blog, Mallory ends up in her own whirlwind drama, both at school and on the lot, as she works to protect the integrity of her original idea, cope with her mother’s jealousy, and get her best friend a lead role on the show. Factor in her boyfriend with the girlfriend, the cute but bad brother to said-best-friend, and the super-cute male lead on her show, and Mallory’s got

plenty of her own melodrama to cope with.

Make Me (with bonus short story Small Wars) Lee Child, 2015-09-08 #1 NEW YORK TIMES BESTSELLER • Don't miss the hit streaming series Reacher! ONE OF THE BEST BOOKS OF THE YEAR: Los Angeles Times, The Guardian, Suspense magazine • Stephen King calls Jack Reacher "the coolest continuing series character"—and now he's back in this masterly new thriller from Lee Child. "Why is this town called Mother's Rest?" That's all Reacher wants to know. But no one will tell him. It's a tiny place hidden in a thousand square miles of wheat fields, with a railroad stop, and sullen and watchful people, and a worried woman named Michelle Chang, who mistakes him for someone else: her missing partner in a private investigation she thinks must have started small and then turned lethal. Reacher has no particular place to go, and all the time in the world to get there, and there's something about Chang . . . so he teams up with her and starts to ask around. He thinks: How bad can this thing be? But before long he's plunged into a desperate race through LA, Chicago, Phoenix, and San Francisco, and through the hidden parts of the internet, up against thugs and assassins every step of the way—right back to where he started, in Mother's Rest, where he must confront the worst nightmare he could imagine. Walking away would have been easier. But as always, Reacher's rule is: If you want me to stop, you're going to have to make me.

Kati's Story Catherine Veres, 2009 Based on a decade of taped conversations between Kati (Catherine) Veres, and her son Peter Veres, KATI'S STORY: RECOLLECTIONS OF TWO WORLDS is the multigenerational story of a Jewish family. It takes us from mid-nineteenth century villages in Hungary during the Austro-Hungarian Empire to cosmopolitan Budapest before, during, and after World War II, and finally to post-war New York City. It is also the story of a culture that transformed from tolerant to virulently intolerant in a single generation: Kati's father served as an officer in the Hungarian army during WWI but was deported and killed during WWII. Sensing the coming disaster, Kati went to England to give birth to her first child, hoping that a British birth certificate would protect him against anti-Semitism. She returned to Budapest to be with her ailing parents, survived the war and its aftermath with her husband and two sons, and found a way to immigrate to New York to be near her brother, Gabor Carelli, who became a principal soloist at the Metropolitan Opera Company. In her new world she built on her sewing skills to become an assistant dress designer of high-end bridal gowns in the then vigorous New York garment industry and later a pattern maker at Simplicity Patterns. Augmenting Kati's story is a large selection of family photographs and official documents, many in color, dating back to the mid-nineteenth century, which remarkably survived the war and emigration in excellent condition. Also included are several color maps indicating places mentioned in the text, family trees, and footnotes about historical and geographical details.

The Greatest Love Story Never Told Richard Orion,2015-10-30 This story is based on a true love story that spanned almost two decades. The names and places have been changed to protect the privacy of the individuals involved in this affair. The chronological sequence of events has been maintained for continuity. All the stories and experiences are based on facts. This book is about a love story that was kept secret for 18 years and perhaps shouldve remained a secret. The first book related to this love story was a book of poems entitled Somewhere, Sometime, Somehow: Love Poems and Short Stories published in 2008 by this author and Xlibris. For the perceptive reader of this book one can trace the ups and downs of our love relationship. These 18 years were filled with robust love and passion for each other. Perhaps it was fantasy; perhaps it was the most real thing we will ever experience. The heartbreaking part of this love affair is that I am not really sure my lover ever really understood or appreciated my profound and unconditional love for her. I opened my heart to her through poetry and thoughtful letters, but she rarely showed me what was in her heart. Perhaps it was a one-sided love affair, but I surely think and hope not. I was convinced that she truly loved me through her words and actions. At least I experienced a pure love that I had only dreamed was possible. The story is told mainly through the exchange of letters and emails to each other. Perhaps readers can experience and hopefully feel the deep love we felt for each other.

The Story of My Campaign Francis T. Moore,2011-09-01 In 1861, Francis Moore appeared to be a perfectly ordinary, twenty-three year old man: a carriage maker in the bustling Mississippi River town of Quincy, Illinois. And there he might well have lived out his life in unadventurous comfort. But then the Civil War burst out, and Moore, along with most of his friends, like young men North and South, rushed to enlist in the army. His cavalry regiment soon set off for what proved to be four years of warfare, plunging him into harrowing experiences of battle that would have been unimaginable back in his small hometown and that uprooted him, body and soul, for the remainder of his life. Enter *The Story of My Campaign*, the remarkable Civil War memoir of Captain Francis T. Moore, which historian Thomas Bahde here offers in an original edition to contemporary readers for the first time. Moore began the war as a private in Company L of the Second Illinois Volunteer Cavalry, and was soon promoted to lieutenant and then captain of his company. He spent most of the war fighting guerillas in Missouri, Kentucky, Tennessee, Mississippi, and Louisiana. He fought at the battle of Belmont, Kentucky, in 1861 and raided Mississippi with General Benjamin Grierson in 1864. He also battled Confederate leaders, such as Nathan Bedford Forrest and Leonidas Polk. His unflinching chronicle of small-scale and irregular warfare, combined with his intimate account of military life, make his memoir as absorbing as it is historically valuable. Moore was also an unusually articulate young man with strong opinions about the war, the preservation of the Union, the institution of slavery, African Americans, the people of the South, and the Confederacy: his wartime observations and his postwar reflections on these themes provide not only a

captivating narrative, they also provide readers with an opportunity to examine how the conflict endured in the memory of its veterans and the nation they served. The enormous social upheaval and staggering loss of human life during the Civil War cannot be overstated: the estimated 2 percent of Americans—or 620,000 people—who died in the conflict would be the equivalent of 6,000,000 people today. The Story of My Campaign offers an indelible account of this conflagration from the perspective of one of its survivors. It is evidence of a hard war fought—and the long hard life that followed.
