Hymns for Autoharp Meg Peterson, 2010-10-07 Gospel music is rooted in the folk tradition of America. It is music from the heart and soul and appears wherever people gather to express their spiritual joy. Folk instruments such as the guitar, banjo, mandolin, ukulele, and autoharp lend themselves to this kind of group singing. They can provide simple accompaniments or carry the melody in a small group of a full fledged revival. the autoharp blends in well with the spirit and harmonics of these hymns. the first section of this book is chorded for simple strumming. the second section is arranged for melody playing, with string numbers indicated. A popular collection which includes 69 songs!

Always the Almost Edward Underhill, 2023-02-14 A trans pianist makes a New Year's resolution on a frozen Wisconsin night to win regionals and win back his ex, but a new boy complicates things in Edward Underhill's heartfelt debut YA rom-dram, *Always the Almost*. Sixteen-year-old trans boy Miles Jacobson has two New Year's resolutions: 1) win back his ex-boyfriend (and star of the football team) Shane McIntyre, and 2) finally beat his slimy arch-nemesis at the Midwest's biggest classical piano competition. But that's not going to be so easy. For one thing, Shane broke up with Miles two weeks after Miles came out as trans, and now Shane's stubbornly ignoring him, even when they literally bump into each other. Plus, Miles' new, slightly terrifying piano teacher keeps telling him that he's playing like he "doesn't know who he is"—whatever that means. Then Miles meets the new boy in town, Eric Mendez, a proudly queer cartoonist from Seattle who asks his pronouns, cares about art as much as he does—and makes his stomach flutter. Not what he needs to be focusing on right now. But after Eric and Miles pretend to date so they can score an invite to a couples-only Valentine's party, the ruse turns real with a kiss, which is also definitely not in the plan. If only Miles could figure out why Eric likes him so much. After all, it's not like he's cool or confident or comfortable in his own skin. He's not even good enough at piano to get his fellow competitors to respect him, especially now, as Miles. Nothing's ever been as easy for him as for other people—other boys. He's only ever been almost enough. So why, when he's with Eric, does it feel like the only person he's ever really not been enough for...is himself?

Against Pure Reason Johann G. Herder, 2005-01-26 The figure of Johann Gottfried Herder looms increasingly important not only for his prescient contributions to many fields - biblical criticism, philosophy of language, literary criticism, philosophy of history - but also for his pivotal position between the impulses of the Enlightenment and Romanticism. Many of Herder's questions and concerns are more pressing at the end of the modern era than they were at its inception. Bunge's lucid and engaging translations of signal texts from Herder - most appearing here for the first time in English - are arranged thematically: human nature, language, and history; myth and religion; God and nature; literature and the Bible; and Christianity and theology. Along with her extensive Introduction and Bibliography, they constitute an essential resource for coming to terms with the checkered legacy of the Enlightenment.

From Death to Life Rufus Bradley Sr., 2013-03-19 *From Death to Life* is a story about a church that was once thriving, and because of making drastic changes too soon and a lack of vision, it figuratively died. God raised it back from the dead through the proper vision connection and equipped it to be community-driven, through a 501(C)3 organization called Mission in the City. MITC was given to do a specific work in the community by assisting and restoring the community back to good health one person, one block at a time, through programs and services that give life to people suffering from a plague of blight, violence, drug trafficking, unemployment, and gang activities in their communities. *From Death to Life* encourages

individuals who are seeking balance for their lives. It also encourages pastors with small churches, pastors looking for new ideas for ministry, leaders and organizations that are struggling to find ways to make a difference. It shows them how to move beyond their corporate and private walls, out into the community, making major investments through the implementation of programs and projects that will remove the negative reputation that afflicts their community. These investments will silence the cry of the world, which blatantly declares the church has nothing to offer the people who live in the communities it surrounds.
