Chasing Shadows Sue Parker, 2015-01-08 It is often said life is at its cruelest when a parent outlives his or her child. As unnatural as that may seem, many parents find themselves in that position. Whether caused by disease, illness, accident, crime, or suicide, parents can find themselves making funeral arrangements rather than planning a child's birthday party, graduation, or wedding. Author Sue Parker knows firsthand what that is like. In *Chasing Shadows: A Mother's Attempt to Process Her Grief*, Parker shares her experiences after the death of her youngest child. For much of 2012, Rowan said he wouldn't live to see 2013. After all, the Mayan calendar ended on December 22, 2012, so he reckoned everyone was going to die. Rather than dwell on the negativity, he grabbed every opportunity with enormous enthusiasm, including a quad bike ride that cost him his life on Boxing Day. Bereft, heartbroken, in a state of total shock, and struggling to survive, Parker felt she had two choices. She could follow him over a cliff or try to make some sense of the tragic turn her family's lives had taken. Everyone's experiences are different, but in *Chasing Shadows: A Mother's Attempt to Process Her Grief*, those going through similar circumstances may find help in knowing what to do next how to go forward. You'll discover the path forward is not always easy, and there will likely be times when you find yourself wondering, Why bother? Through her experience, Parker shows you can go on, and you should.

My inner journey Pia Lebsund, 2015-07-07 I enjoyed Christie-Marie Sheldon's unlimited abundance group for a year. I started this webinar and Facebook group in August 2014 and found really good friends that healed me from my blocks. I worked with spiritual healing for over thirty years active in many ways. Different meditation. Tao, qi-gong, dancing different dances, ritual theatre, painting, symbols, chanting, writing, singing, ceramics, making photos and active helping near friends and kids with special needs. This is a bridge to heal me in all aspects in my life and I have also academic tools that I use in my profession. But it is important for me to clear my blocks from this and past lives even negative energies that were sent in different way that I didn't want to have. Thank you Christie-Marie Sheldon for being my teacher in this and all my friends in this tribe. You helped more than others did for sure in an inner emotional, spiritual way. I am thankful for learning to know you on a soul level.

The Code of the Extraordinary Mind Vishen Lakhiani, 2019-12-31 NEW YORK TIMES BESTSELLER • What if everything we think we know about how the world works—our ideas of love, education, spirituality, work, happiness, and love—are based on Brules (bullsh*t rules) that get passed from generation to generation and are long past their expiration date? This book teaches you to think like some of the greatest non-conformist minds of our era, to question, challenge, hack, and create new rules for YOUR life so you can define success on your own terms. The Code of the Extraordinary Mind is a blueprint of laws to break us free from the shackles of an ordinary life. It makes a case that everything we know about the world is shaped by conditioning and habit. And thus, most people live their lives based on limiting rules and outdated beliefs about pretty much everything—love, work, money, parenting, sex, health, and more—which they inherit and pass on from generation to generation. But what if you could remove these outdated ideas and start anew? What would your life look like if you could forget the rules of the past, and redefine what happiness, purpose, and success mean for you? Not Just a Book, but a Movement Blending computational thinking, integral theory, modern spirituality, evolutionary biology, and humor, personal growth entrepreneur Vishen Lakhiani provides a revolutionary 10-point framework for understanding and enhancing the human self. You will learn about bending reality. You will learn how to apply unique models like consciousness engineering to help you learn and grow at speeds like never before. You will learn to make a dent in the universe and discover your quest. This framework is based on Lakhiani's personal experiences, the 5 million people he's reached through Mindvalley, and 200 hours of interviews and questions posed to incredible minds, including Elon Musk, Richard Branson, Peter Diamandis, Ken Wilber, Dean Kamen, Arianna Huffington, Michael Beckwith, and other legendary leaders. In a unique fusion of cutting-edge ideas, personal stories, irreverence, and a brilliant teaching style, Lakhiani reveals the 10 powerful laws that form a step-by-step process that you can apply to life to shed years of struggle and elevate yourself to exceptional new heights. The 10 Laws to an Extraordinary Life This book challenges conventional ideas of relationships, goal-setting, mindfulness, happiness, and meaning. In a unique fusion of cutting-edge ideas, personal stories, and humorous irreverence, and not to mention, humor and napkin diagrams, this framework combines computational thinking with personal growth to provide a powerful framework for re-coding yourself—and replacing old, limiting models that hold you back with new, empowering beliefs and behaviors that set you on the path toward an extraordinary life. A life of more happiness and achievement than you might have dared to dream possible. Once you discover the code, you will question your limits and realize that there are none. Step into a new understanding of the world around you and your place in it, and find yourself operating at a new, extraordinary

level in every way...happiness, purpose, fulfilment, and love. This Book Is a Living, Breathing Manifesto That Goes Beyond a Traditional Publication For those who want more, The Code of the Extraordinary Mind connects to a full on immersive experience including ways for you to dive into particular chapters to unlock additional videos or training and connect with each other and the author to learn via peer-to-peer learning networks.

The Chakra Journey John Graybill II,Douglas Economy,Matt Ford,Elizabeth Jarvis,Shabad Simran,Kristina Ayars,Kerry Holzschuh,Apollo King,Donna Lish,Nathan Star,Mary Reh fuss,Joanie Eisinger,Laurén Laurino,Casey McDermott,Maria Kramer,2013-05-25 In our book, The Chakra Journey, we journey through the seven chakras -- the energy centers associated with our physical, mental, emotional and spiritual well-being. Each chapter includes a description of the chakra, along with moving personal accounts. As the authors, we celebrate the pain and joy of our journeys. By extending these emotions to paper, we hope you will connect with us and say, I can see myself. The Chakra Journey is a non-fictional collection of fifteen author's stories. Some of the personal experiences include overcoming eating disorders, molestation, abortion, abuse, infidelity, degenerative disease, anxiety. The driving force behind this book is to forgive and heal the things we've condemned about ourselves and others by sharing our journeys of transformation. In our sharing, we find more love and acceptance for ourselves and the world around us. We hope to offer others a safe place to bare their souls and in turn, help contribute to a more loving, accepting, and tolerant world.

MEDITATION MOMENTS TO MELT THE HEART Joyce Canary Rose,2015-07-09 Can God's faithfulness be seen on the frosting covered face of a baby celebrating his first birthday? Can harvesting blueberries teach me how to overcome fear? Can patience be heard in the laughter of a toddler? Yes! Yes! Yes! Lessons retrieved from God's Word can be melted into the heart through absorbing ordinary moments! In *Meditation Moments To Melt The Heart*, three points are used as a triad to lead the reader to apply God's Truth. At one point of this triangle is a touching and true story. At the second point is a candid and timeless photo, which illustrates the story and adds a visual experience to the emotional one. At the top point is the trusted Word of God. An honest and life-altering application of a Bible passage is given in each of the fifty-two meditations. As a graduate of Cairn University (Philadelphia College of Bible), the author places utmost value on interpreting the Word of God rightly and truthfully. *Meditation Moments To Melt The Heart* is a devotional book to be assimilated into the spiritual core of the reader. It will melt away discouragement and doubt, and fill the reader with confidence and contentment. Praise for *Meditation Moments to Melt the Heart*: "Joyce is at ease with her words and conveys what she has learned in a comfortable, endearing way. I know you will enjoy the concepts from Scripture, the applications to life, and her use of word pictures, as well as real photos. Take the time to enjoy these pages. You will be drawn to the message of Christ in everyday moments, in everyday language, and in everyday situations." — Mrs. Shirley Bubar, mentor of women enrolled in Word of Life Bible Institute, and teacher of "Christian Womanhood", for twenty years.
