*The Bible in Verse* Rob Bellingham, 2023-01-19 In the beginning, bereshith, the Genesis text begins, God created heaven, earth, and many other things. The world was dark, shapeless, with no life or light, God said “Let’s have light,” so made day and night. Water, water everywhere, in heaven and down below, God sorted into clouds and rain, sea, lakes and snow. Earth was next on the agenda, of God’s creative plan, He filled it with plants, trees, fish, animals, birds, man. He made stars, sun and moon, seasons hot and cold, “Be fruitful and multiply” all creatures were told. Scholars claim that one third of the bible is poetry, more easily recognized in Hebrew than most English versions. In a poetic interpretation of the entire bible inspired by a conversation with God in 2010, Rob Bellingham shares a collection of rhyming couplets intended to be theologically sensitive regarding both gender and doctrine. Bible in Verse is a volume of inspirational rhyming couplets that offers a creative, succinct, and memorable look at a very familiar text.

**Loved and Cherished** Lynn Cowell, Michelle Nietert, 2020-09-08 Am I loved? Am I valuable? Am I smart? The questions can go on for as long as a girl's imagination and self-image allow. A girl needs to know that she is enough because of God's love. So often, girls and women give in to the lies that how they look and how popular they are determines their worth. But as children of God, we can have the confidence that we are loved, protected, secure, whole, and valuable because God is our heavenly father. **Loved and Cherished** equips girls ages 8-12 to: Discover perfect, unconditional love in God, and that she doesn't have to perform or be perfect to receive that love. Know she has God's protection, despite living in an often-scary world. Let go of heartaches, fears, and failures, because she has the love she needs to face it. Build a strong foundation of faith on the love who will never leave her so she can face the challenges of growing up.

**On the Margins of Religion** Frances Pine, João de Pina-Cabral, 2008 Focusing on places, objects, bodies, narratives and ritual spaces where religion may be found or inscribed, the authors reveal the role of religion in contesting rights to places, to knowledge and to property, as well as access to resources. Through analyses of specific historical processes in terms of responses to socio-economic and political change, the chapters consider implicitly or explicitly the problematic relation between science (including social sciences and anthropology in particular) and religion, and how this connects to the new religious globalisation of the twenty-first century. Their ethnographies highlight the embodiment of religion and its location in landscapes, built spaces and religious sites which may be contested, physically or ideologically, or encased in memory and often in silence. Taken together, they show the importance of religion as a resource to the believers: a source of solace, spiritual comfort and self-willed submission.

Faith Healers and the Bible Stephen J. Pullum, 2015-04-14 An insightful read for anyone who is interested in religion, this book offers fresh, biblical insight into the preaching of faith healing from a Christian perspective. Faith healing has been a popular religious phenomenon in this country for well over a hundred years, gaining thousands of followers and raking in millions of dollars annually. What faith healers teach, however, often goes unchallenged. *Faith Healers and the Bible: What Scripture Really Says* offers an informed critique of many of the themes found in faith healers' preaching that documents that much of what they teach is not biblically based—contrary to what they would like their listeners to believe. Drawing on a lifetime of study and nearly two decades of teaching a university course titled *The Rhetoric of Faith Healing*, Stephen J. Pullum, PhD, provides scriptural insight into the false claims frequently found in the preaching of healing revivalists. After an introductory chapter that explains why faith healers have been so persuasive, the author addresses a breadth of topics,

including the miraculous, the providential, demon possession, the call of God, the indwelling of the Holy Spirit, and the health and wealth gospel. Meeting faith healers on their own turf—the Bible—Pullum clearly demonstrates that much of what faith healers preach cannot be scripturally supported.
