**The Woman with the Ring** Jessica Gadziala,2022-02-05 Primo Esposito snatched me off the street in a ploy to bring long-sought peace between the Families. His proposal was simple. Me, my life, my future. In exchange for a ceasefire. If I said no, it would mean the immediate slaughter of my friends, of all my family. There had never been a choice at all. So I found myself agreeing to marry the most notorious, the most ruthless, the most violent of all the Five Families bosses. A man so evil, so cold, that no woman could love him. Least of all the one who'd been forced into marriage with him. As the days turned to weeks and the weeks to months, though, there was no denying a primal sort of attraction, an unexpected and irrational sort of affection. But enemies could be found around every corner, ones that threatened to steal away the very thing I claimed I never wanted, the heart and love of a man who I'd never seen coming, one I never wanted to lose...

Panic Attack Jason Starr,2015-09-01 An intruder, a desperate struggle, a family under siege. Dr. Adam Bloom has the perfect life. He's financially secure and lives in a luxurious house with his wife, Dana, and their 22-year-old daughter, Marissa, a recent college graduate. Late one night, his daughter wakes him up and says "Somebody's downstairs. From that moment on, nothing in the Blooms' life will ever be the same. As the family recovers from the break-in and the Bloom's already rocky relationship rapidly falls apart, Marissa meets a young, talented artist named Xan. Adam feels that something's not quite right with Xan, but his daughter ignores his warnings and falls ever deeper in love with him. When suspicious things start happening to the Blooms all over again, Adam realizes that his first instinct about Xan was probably dead on... With *Panic Attack*, Jason Starr is at his best, crafting a harrowing page-turner that will blow readers away.

*The Sound the Sun Makes* Buck Storm,2021-05-18 Literary Americana with humor, heart, and a whole lot of twists to keep readers guessing Detective Early Pines loves his southern Arizona desert, often thinking he could stare at it all day long. But now that he's forced to do just that, the truth is the view from his back porch is getting old. He's on mandatory leave from the police department, simply for punching a wife beater who had it coming. Early is in dire need of a distraction from

his own loud thoughts. So when an old friend invites him to tag along to a rodeo down in Old Mex, it seems like just the ticket. But if there's one constant in the world, it's that life always throws a guy curveballs. With a flat tire, a roadside bar, and a beautiful woman with trouble on her hands, Early's distraction takes a hard right turn--straight to Los Angeles, six hundred miles west. Hammott Lamont is waiting there in his own personal hunting ground. The reclusive filmmaker is a veritable cult leader to Hollywood stars--and he's sure his latest project will redefine art history in his image. He's got a plan for a brutal, modernized version of the Christ story, and he's ready to trample anyone who stands in the way of his colossal vision. That is, until big, loud Early Pines hits the coast for a clash of two titans who never saw each other coming. Quirky, lyrical, and unexpected, *The Sound the Sun Makes* offers a warm and sunny side trip for fans of Jimmy Buffett, Carl Hiaasen, and Barbara Kingsolver who long for more of a Christian worldview in their fiction.

Boulder Girl, Remember Me When the Moon Hangs Low Cynthia L. Clark, 2019-12-31 When young, pretty, successful Lana Ross divorces her indifferent husband of ten years, Cadillac dealer Lucas Chisholm, she randomly chooses a local

locksmith to change the locks in her home located in Columbine Point, nestled near the iconic Flatirons of the scenic Rocky Mountains and nearby Boulder, Colorado. The selected locksmith, sinister, grimy, and smoky, Leon Alvarez, unbeknownst to Lana, was a former classmate who had been infatuated with her in high school but forgot about her when she went to college. But her renewed contact with him stirs his old feelings for her into lust and obsession and the demented belief that she will want him. After a series of calculated sinister events occur in her house, Lana asks Leon to set up a security alarm system. He uses the opportunity to place hidden surveillance cameras throughout her house to watch her in her most private moments. But his plans to win her affection are derailed when Lana meets dark and handsome Louisville Harley-Davidson dealer, Vincent “Roadking” Romano, on a writing assignment, as the editor of the Boulder Essence magazine. There is an instant attraction between them that leads to an intense and deeply moving love affair that is accompanied by their mutual appreciation of classic cars and rock and roll music as they journey beyond Boulder and Louisville to Lyons, Estes Park, Walsenburg, and Trinidad. Leon’s wrath and jealousy of Roadking kindle an evil monster inside him, that he believes is love, and leads him down a path of no return that begins with vandalism and evolves into murder. *Boulder Girl, Remember Me When the Moon Hangs Low*, is a tale of spellbinding suspense which is interwoven with an unforgettable, compelling account of tender love set in and around beautiful Boulder, Colorado.

**Once Upon a Kiss** Claire Delacroix, 2013-02-12 For over a thousand years—so legend has it—the brambles have grown wild over the ruins of Dunhelm Castle. Many believed that the thorns were a sign that the castle was cursed, so none dared to trespass, and the secrets that they protected and concealed have remained hidden—until now... Armed with a pair of gardening shears, Baird Beauforte is determined to clear away the brambles that hinder the development of his resort, and

he won't let local superstition deter him. Dunhelm Castle is supposed to be the latest jewel in the Beauforte Resort chain, but the renovations can't be finished if the workmen are frightened of a so-called curse. To dispel any lingering fears, Baird decides to vanquish the briars himself. What he never expects is to find a mysterious slumbering beauty... Aurelia is like no one he has ever met before. Upon awakening, she demands to know his identity and why he is in her father's castle! Bemused by her claim of being a king's daughter, he is certain he has never met this princess before, although something about her rouses a haunting sense of familiarity. Soon, dreams plague this by-the-book businessman...dreams that feel more like memories. And Baird begins to wonder if he can claim his heart's princess—now and forever—with a kiss. Finalist Colorado Romance Writers' Award of Excellence for Best Paranormal, Fantasy or Time Travel Romance “This expertly crafted, beautifully touching “Sleeping Beauty” tale is absolutely wonderful reading. Ms. Cross has provided everything I require in a romance—excellent character development, well-plotted storyline with a touch of mystery, just enough conflict to be interesting and exciting, yet not overpowering, plus a unique paranormal element. This book is simply marvelous!”—Old Book Barn Gazette “Claire [Delacroix] demonstrates that she is one of the most talented writers of time travel romances with Once Upon A Kiss, a wonderful tale that fans of the sub-genre will devour.”—Painted Rock and Affaire de Coeur “Like a sorcerer, Claire [Delacroix] spellbinds her readers and carries them on a magical journey through the pages of Once Upon A Kiss. Although the plot is familiar, it's far from predictable. It's fresh and exciting, passionate and sensual. As the story reaches its climax, even the most skeptical reader may believe that true love can transcend time. Once Upon A Kiss is at the top of my recommended book list.”—Rendezvous “Claire [Delacroix] turns humor, love, murder and reincarnation into a work of art. Take a bow, Claire, this is stunning!”—Bell, Book & Candle “A whirlwind of romantic adventure!”—Under the Covers Reviews “A beautifully romantic time travel!”—Romance Communications \*\*\* time travel romance, Scotland, Orkney, sleeping beauty romance, millionaire, hotelier, businessman, orphan, scars, reincarnation, second chance at love, Picts, medieval romance, fish out of water
